

Loniko WSTG7

Loniko Smart Toilet WSTG7 Instruction Manual

Model: WSTG7

1. INTRODUCTION

Thank you for choosing the Loniko Smart Toilet WSTG7. This manual provides essential information for the safe installation, operation, and maintenance of your new smart toilet. Please read these instructions thoroughly before use and retain them for future reference.

2. SAFETY INFORMATION

Always follow basic safety precautions when using electrical appliances. Ensure proper grounding and avoid exposing the unit to excessive moisture. Do not attempt to repair the unit yourself; contact qualified service personnel. Keep children and pets away from the unit during operation.

3. PRODUCT OVERVIEW

The Loniko Smart Toilet WSTG7 integrates advanced features for enhanced hygiene and comfort. Key features include a powerful flushing system, bidet functions, heated seat, and automated operations.

Key Features:

- **1000g MAP Powerful Flush:** Tankless siphonic system with 360° vortex flush for thorough cleaning and water efficiency (0.92/1.28 GPF dual-flush).
- **Innovative Anti-Splash Foam Shield:** Creates a protective foam layer to trap odors and prevent splashback.
- **Personalized Comfort:** Heated seat, instant warm water, and adjustable warm air dryer.
- **Smart Controls:** Intuitive side rotary knob and wireless remote control with LCD display and LED nightlight.
- **Ergonomic Design:** Widened, contoured heated seat and integrated aroma compartment for a fresh environment.
- **Automatic Functions:** Auto open & close lid, foot sensor flush, and hands-free auto flush.
