# Garvee Wicker Chairs Outdoor Set of 4 Instruction Manual

Model: YT-zxTUEG7uv1ZeBc5Q2AzHIQ1EqQK4S

Brand: Garvee

## INTRODUCTION

---

Thank you for choosing the Garvee Wicker Chairs Outdoor Set of 4. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before assembly and retain them for future reference.

## SAFETY INFORMATION

---

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the chairs on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging components.
- Keep small parts away from children during assembly.
- Regularly check all bolts and connections to ensure they remain tight.
- Do not exceed the weight capacity of 330 lbs per chair.
- Avoid placing hot items directly on the wicker or cushions.

## PACKAGE CONTENTS

---

Verify that all items listed below are included in your package:

- 4 x Wicker Chairs
- 4 x Seat Cushions
- 4 x Back Cushions
- 1 x Hardware Pack (screws, washers, Allen wrench)
- 1 x Instruction Manual

## ASSEMBLY INSTRUCTIONS

---

Assembly is designed to be straightforward and can typically be completed within 10 minutes per chair. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, flat surface.

Image: The complete set of four Garvee wicker chairs, showcasing their design and cushions.

2. **Attach Legs to Chair Frame:** Align the pre-drilled holes on the chair legs with the corresponding holes on the chair frame. Insert the screws and washers, then hand-tighten them using the provided Allen wrench. Do not fully tighten yet.
3. **Adjust for Stability:** Once all legs are attached, place the chair upright on a flat surface. Gently rock the chair to identify any wobbles. Adjust the adjustable feet at the bottom of each leg by turning them until the chair is

stable and level.

The chair legs feature adjustable feet to ensure stability on uneven surfaces. Simply turn the foot to extend or retract it until the chair is level and does not wobble.

4. **Final Tightening:** Once the chair is stable, fully tighten all screws.
5. **Place Cushions:** Position the seat and back cushions onto the chair for comfort.
6. **Repeat for Remaining Chairs:** Follow the same steps for the other three chairs.

## PRODUCT FEATURES

---

### Premium Materials

Each Garvee wicker chair is constructed with weather-resistant polyethylene rattan resin wicker, tightly woven around a powder-coated iron frame. This combination ensures anti-rust properties, high stability, and long-lasting durability for both indoor and outdoor use.

Image: Detail of the high-quality, weather-resistant rattan weave, emphasizing its hand-woven, durable, all-weather, and easy-care attributes.

## Ultimate Comfort and Ergonomic Design

The chairs feature a gently curved back and wide, wingback armrests, providing subtle yet supportive comfort. This ergonomic design allows for a relaxed lounging experience, freeing your arms from constraints.

### Wide Wingback Arms

Ergonomic Armrests Make it Easy to Relax Your Hands While Sitting

### High-Density Water-Resistant Cushions

The included cushions are made with high-density fabric that effectively resists color fading from sun exposure. Filled with soft sponge, they provide enhanced comfort. The fabric is also water-resistant, making the cushions suitable for various weather conditions and ensuring long-lasting durability.

# Ultimate Enjoyment

Deliver a heavenly soft feeling for relaxation

Soft and Comfortable

Removable Zipper

Water Resistant

## CARE AND MAINTENANCE

- **Cleaning the Wicker:** Wipe the wicker frame with a soft, damp cloth and mild soap. Rinse thoroughly with clean water and dry completely. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The cushion covers are removable and feature a zipper for easy cleaning. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry only; do not tumble dry. Store cushions indoors during prolonged periods of rain or extreme weather to extend their lifespan.
- **Frame Maintenance:** Periodically inspect the iron frame for any signs of rust or damage. Touch up any scratches with appropriate outdoor furniture paint to prevent rust.
- **Storage:** During off-seasons or severe weather, it is recommended to cover the chairs with outdoor furniture covers or store them in a dry, sheltered area to protect them from the elements.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair wobbles after assembly.	Uneven leg length or loose connections.	Adjust the leveling feet on the bottom of each leg. Ensure all screws are fully tightened.
Difficulty aligning screw holes.	Components not correctly oriented or slight manufacturing tolerance.	Loosen all screws slightly, adjust the position of the components, then retighten. Do not force parts.
Cushions appear flattened.	Prolonged use or compression.	Fluff cushions regularly. Allow them to air out in a dry, shaded area.
