# GOFEI Black Barber & Beauty Salon Station

Model: SZ411141Y-US10165

Instruction Manual

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your GOFEI Black Barber & Beauty Salon Station. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product. Keep this manual for future reference.

## SAFETY INFORMATION

- Always assemble the unit on a clean, flat, and stable surface to prevent damage or injury.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers or shelves. Distribute weight evenly to maintain stability.
- Keep small parts and hardware away from children to prevent choking hazards.
- Use caution when handling heated styling tools. Always place them in the designated alloy sleeves to prevent heat damage to the station.
- Avoid exposing the unit to excessive moisture or direct sunlight.

## PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- All necessary wooden panels (labeled with letters for easy identification).
- Hardware kit (screws, cam locks, dowels, drawer slides, handles, keys for lockable drawer).
- Assembly instructions manual.
- Basic assembly tools (screwdriver).

## SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included manual and refer to the assembly video for visual guidance. Ensure you have ample space for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface. Match each wooden panel to its corresponding letter in the instruction manual. Separate all hardware components.
2. **Assemble Base Structure:** Begin by attaching the side panels to the bottom and top panels using the provided cam locks and dowels. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the designated panels using the appropriate screws. Pay attention to the orientation of the slides.
4. **Construct Drawers:** Assemble the drawer boxes. Attach the drawer fronts, handles, and the lock mechanism for the lockable drawer. Insert the assembled drawers into the slides.
5. **Attach Shelving Unit:** Secure the upper shelving unit to the main desktop section.
6. **Install Hot Tool Racks:** Place the alloy sleeves into the pre-drilled holes on the side extension for heated styling tools.
7. **Final Checks:** Once assembled, ensure all connections are tight and the unit is stable.

## OPERATING INSTRUCTIONS

The GOFEI Salon Station is designed for efficient organization and use of styling tools and products.

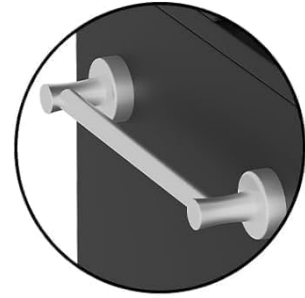

- **Drawers:** The station features four smooth-gliding drawers. One drawer is lockable for securing valuable items. Use the provided keys to lock and unlock.
- **Hot Tool Racks:** Three alloy sleeves are integrated into the design to safely hold heated items such as blow dryers, curling irons, and straighteners. These sleeves are heat-resistant to protect the station's surface.
- **Open Storage:** Utilize the three open storage compartments for frequently accessed items, decorative elements, or product displays.
- **Cabinet:** The lower cabinet provides additional enclosed storage for larger items or supplies.
- **Towel Rack:** A convenient towel rack is included for easy access to towels during services.

# Product Details

**2 circular cups:** Can be used to hold items such as straightening combs and other accessories

**1 heat-resistant circular ring:** Allows the hair dryer to be inserted safely

## MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your salon station.

- **Cleaning:** The matte black PVC surface is waterproof and easy to clean. Wipe down surfaces with a soft, damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the material.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Heat Protection:** Always use the alloy sleeves for hot tools. Do not place hot tools directly on the station's surface.

## TROUBLESHOOTING

If you encounter any issues with your salon station, refer to the following common solutions:

- **Wobbly Unit:** Ensure the unit is placed on a level surface. Check all assembly screws and cam locks for

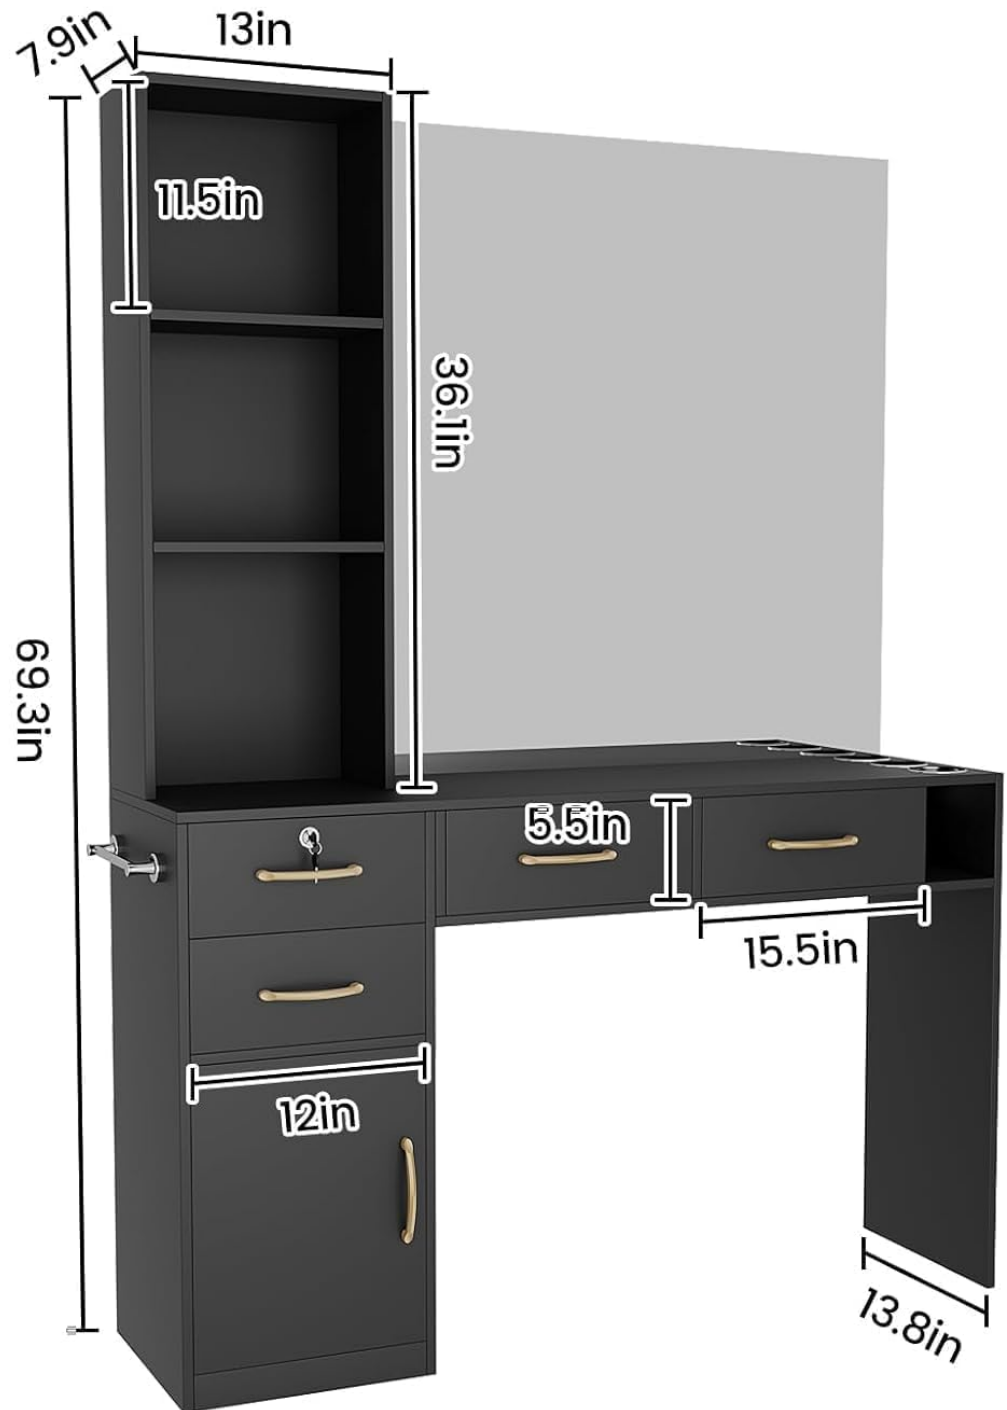

tightness and re-tighten if loose.

- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free from obstructions. Apply a silicone-based lubricant to the slides if needed.
- **Lockable Drawer Issues:** Ensure the key is fully inserted and turned correctly. Check for any obstructions preventing the drawer from closing completely.
- **Surface Damage:** For minor scratches, a furniture repair marker matching the black finish may be used. For significant damage, contact customer service.
