# A Thoughtful Gift

— for Your Loved Ones

This diagram illustrates the dimensions of the ONEWISH Touch Bedside Lamp, measuring 9.84 inches in depth, 7.28 inches in width, and 19.29 inches in height. It also highlights the included E26 LED bulb, which is 2700K warm white, 6.5W, and provides 600 lumens of brightness.

## SETUP INSTRUCTIONS

---

Follow these simple steps to assemble your ONEWISH Touch Bedside Lamp:

1. **Unscrew the Fixing Ring:** Locate the lamp holder on the lamp base and carefully unscrew the fixing ring.
2. **Place the Lampshade:** Position the fabric lampshade onto the lamp holder, ensuring it sits evenly.
3. **Secure the Lampshade:** Screw the fixing ring back onto the lamp holder to firmly secure the lampshade in place.
4. **Install the LED Bulb:** Carefully screw the provided E26 LED bulb into the lamp socket until it is snug. Do not overtighten.

60% Comfortable Brightness

Enhancing Leisure Moments for Family, and Friends

A visual guide demonstrating the four simple steps for assembling the lamp: 1. Unscrew the fixing ring. 2. Place the lampshade. 3. Screw the ring back to fix the shade. 4. Install the LED bulb.

## OPERATING INSTRUCTIONS

The ONEWISH Touch Bedside Lamp features a touch-sensitive metal base for easy operation:

- **Turning On/Off:** Lightly touch any part of the metal base to turn the lamp on or off.
- **Adjusting Brightness:** Continue to touch the metal base to cycle through the three brightness levels:
  - **Low Light (20%):** Ideal for a soft night light or ambient glow.
  - **Medium Light (60%):** Suitable for comfortable lighting during leisure moments.
  - **High Light (100%):** Provides bright illumination for reading or working.

## Touch Control

3-Way Smooth Dimmable Touch Meet all Your Lighting Needs

This image illustrates the intuitive touch control functionality of the ONEWISH lamp. By simply touching any part of the metal base, users can easily cycle through the three brightness settings: 20% (Sleep Light), 60% (Comfortable Light), and 100% (Bright Light).

The lamp's 20% low light setting provides a soft glow, ideal for use as a night light, creating a calming atmosphere for sleep.

The 60% medium brightness setting is perfect for enhancing leisure moments, providing comfortable illumination for family and friends.

The 100% high brightness setting offers ample light to protect your eyes during work or reading activities.

## MAINTENANCE

---

Proper care and maintenance will extend the life of your lamp:

- **Cleaning the Base:** Wipe the metal base with a soft, dry cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents that may damage the finish.
- **Cleaning the Lampshade:** Gently dust the fabric lampshade with a soft brush or a lint roller. For deeper cleaning, it is recommended to consult a professional cleaner to avoid damaging the fabric.
- **Bulb Replacement:** Always ensure the lamp is unplugged from the power outlet before attempting to replace the bulb. Use an E26 base LED bulb, equivalent to a 60W incandescent, to maintain optimal performance and dimming functionality.

## TROUBLESHOOTING

---

If you encounter any issues with your lamp, please refer to the following table for common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on	Power cord not plugged in	Ensure the power cord is securely plugged into a working electrical outlet.
Lamp does not turn on	Bulb is loose or faulty	Unplug the lamp, then tighten the bulb or replace it with a new E26 LED bulb.
Touch control is unresponsive	Loose connection or incompatible bulb	Check all electrical connections. Ensure you are using a dimmable LED bulb compatible with touch control.
Flickering light	Incompatible bulb or unstable power supply	Replace the bulb with the recommended E26 LED bulb. Check the power source for stability.

If issues persist after attempting these solutions, please contact ONEWISH customer support.
