TRAUSI T5

TRAUSI T5 Open Ear Earbuds User Manual

Model: T5

INTRODUCTION

Thank you for choosing the TRAUSI T5 Open Ear Earbuds. These earbuds are designed to provide a comfortable and stable audio experience, featuring Bluetooth 5.4 technology, an LED power display, and an ergonomic earhook design. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance.

PACKAGE CONTENTS

Please verify that all items listed below are included in your package:

- T5 Wireless Earbuds (2 units)
- Wireless Charging Case
- Type-C Charging Cable (1 unit)
- User Manual

PRODUCT OVERVIEW

Earbud Design and Components

The TRAUSI T5 earbuds feature an open-ear design with ergonomic earhooks for secure and comfortable wear during various activities. Each earbud is lightweight, weighing approximately 3.8 grams, ensuring minimal pressure during extended use.

LED Power Display

The charging case is equipped with an intuitive LED power display that shows the remaining battery percentage of the case and the charging status of each earbud. This allows for efficient monitoring and planning of charging cycles.

Multi-functional Touch Controls

Each earbud features a touch-sensitive area for controlling various functions. Refer to the table below for specific actions:

Multi-functional Touch Area

 X1	 X2	 	  5S	 X2	  2S	 X3
 L / R	 L / R	 L / R	 L / R	 L / R	 L / R	 L / R
Play /Pause	Switch Song	Adjust Volume	Power on/off	Answer/Hang up	Reject Call	Voice Assistant

Image: Diagram illustrating the touch control functions for the TRAUSI T5 earbuds, showing actions like play/pause, skip song, volume adjustment, power on/off, answer/hang up calls, reject calls, and voice assistant activation.

Touch Control Functions

Action	Left Earbud (L)	Right Earbud (R)
Play/Pause	Single Tap (x1)	Single Tap (x1)
Switch Song	Double Tap (x2)	Double Tap (x2)
Adjust Volume	Tap and Hold (-)	Tap and Hold (+)
Power On/Off	Hold for 5 seconds	Hold for 5 seconds
Answer/Hang Up Call	Double Tap (x2)	Double Tap (x2)
Reject Call	Hold for 2 seconds	Hold for 2 seconds
Voice Assistant (Siri)	Triple Tap (x3)	Triple Tap (x3)

SETUP

Charging the Earbuds and Case

- Initial Charge:** Before first use, fully charge the earbuds and charging case. Connect the provided Type-C cable to the charging port on the case and a USB power source.
- Charging Case:** The LED display on the case will show the battery percentage while charging. A full charge typically takes approximately 1.5-2 hours.
- Charging Earbuds:** Place the earbuds into the charging case. The LED indicators on the earbuds will light up to show they are charging. The case's display will show the individual earbud charge status.

A single charge provides up to 6 hours of playback for the earbuds, and the charging case extends the total battery life to approximately 40 hours.

Image: Visual representation of the TRAUSI T5 earbuds' battery life, indicating 6 hours per earbud and 40 hours total with the charging case.

Pairing with a Device

1. **Automatic Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Bluetooth Activation:** On your device (smartphone, tablet, laptop), enable Bluetooth.
3. **Select Device:** Search for "T5" in the list of available Bluetooth devices and select it to connect.
4. **Confirmation:** Once connected, you will hear an audio prompt, and the earbuds will be ready for use.
5. **Automatic Reconnection:** After the initial pairing, the earbuds will automatically reconnect to the last paired device when removed from the charging case, provided Bluetooth is enabled on the device.

Auto Pairing & Wide Compatibility

Advanced Bluetooth V5.4, Enjoy a Stable Connection and HD Call

OPERATING INSTRUCTIONS

Once paired, you can control your audio playback and calls using the touch controls on the earbuds as detailed in the "Multi-functional Touch Controls" section above.

Wearing the Earbuds

Gently place the earhook over your ear, positioning the speaker part comfortably near your ear canal. Adjust for a secure fit that allows for clear audio without discomfort. The open-ear design ensures awareness of your surroundings.

Audio Playback

- **Play/Pause:** Single tap either earbud.
- **Next Song:** Double tap either earbud.

- **Volume Up:** Tap and hold the right earbud.
- **Volume Down:** Tap and hold the left earbud.

Call Management

- **Answer/End Call:** Double tap either earbud during an incoming call or an active call.
- **Reject Call:** Hold either earbud for 2 seconds during an incoming call.

Voice Assistant

- **Activate Voice Assistant (Siri):** Triple tap either earbud.

Your All-Day Audio companion

Perfect for Music, Video Calls, Conferencing, Workouts, and Gaming

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Resistance:** The earbuds are IPX5 waterproof, meaning they are resistant to sweat and light splashes. Do not submerge them in water or expose them to heavy rain.

Image: Illustration of the TRAUSI T5 earbuds with water splashing, indicating their IPX5 waterproof and sweatproof rating, designed to protect internal components.

TROUBLESHOOTING

Earbuds not powering on or charging:

Ensure the charging case is charged. Place earbuds correctly in the case. Clean charging contacts if necessary. If the case shows 100% but earbuds don't respond, try charging the case with earbuds inside for at least 30 minutes.

Only one earbud is working:

Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and try pairing again. Ensure both earbuds are charged. If two "T5" devices appear in your Bluetooth list, delete both, then re-pair.

Earbuds not pairing with device:

Make sure Bluetooth is enabled on your device. Ensure the earbuds are in pairing mode (LED indicator flashing). Move the earbuds closer to your device. Forget "T5" from your device's Bluetooth list and try pairing again.

Low volume or poor sound quality:

Adjust the volume on both your device and the earbuds. Ensure the earbuds are clean and properly positioned on your ears. Check for any obstructions. The open-ear design naturally allows some ambient sound, which can affect perceived volume in noisy environments.

Frequent disconnections:

Ensure your device is within the Bluetooth range (up to 10 meters). Avoid obstacles between the earbuds and your device. Try resetting the earbuds by placing them in the case and then re-pairing.

SPECIFICATIONS

Feature	Detail
Model Name	T5
Brand	TRAUSI
Connectivity Technology	Wireless (Bluetooth)
Bluetooth Version	5.4
Bluetooth Range	10 Meters
Ear Placement	Open Ear
Form Factor	In Ear (with earhook)
Control Type	Touch Control
Battery Life (Earbuds)	Up to 6 hours (single charge)
Total Battery Life (with case)	Up to 40 hours
Water Resistance Level	IPX5 (Waterproof)
