Kikihouse Bunk Bed with Trundle

Kikihouse Full Over Full Bunk Bed with Trundle and Storage Stairs Instruction Manual

Model: Bunk Bed with Trundle (B0FWRC4WM5)

1. INTRODUCTION

Thank you for choosing the Kikihouse Full Over Full Bunk Bed with Trundle and Storage Stairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new bunk bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image 1.1: Overall view of the Kikihouse Full Over Full Bunk Bed with Trundle and Storage Stairs, featuring a white and wood finish, a pull-out trundle, and integrated storage stairs.

2. SAFETY INFORMATION

Your safety is paramount. Failure to follow these safety guidelines may result in serious injury or property damage.

- **Weight Limits:** The top bunk is designed to support a maximum of 350 lbs. The bottom bunk supports a maximum of 300 lbs. The trundle bed supports a maximum of 200 lbs. Do not exceed these weight limits.
- **Guardrails:** The top bunk is equipped with full-length guardrails for safety. Ensure they are always securely in place.
- **Mattress Size:** For optimal safety and to ensure guardrail effectiveness, use mattresses with a height of 3-5 inches.
- **Stairs:** Always use the stairs carefully, especially with young children. Ensure all steps are securely fastened during assembly.
- **Assembly:** This product requires assembly. Follow all assembly instructions precisely. Do not use power tools for assembly unless specifically instructed, as this may overtighten fasteners and damage the

wood.

- **Regular Checks:** Periodically check all bolts and fasteners to ensure they remain tight. Retighten as necessary.
- **Ventilation:** Ensure adequate ventilation around the bed.
- **No Jumping:** Do not allow jumping on the bed.

Sturdy & Safe

Families with Multiple Kids

Solid Wood Frame

Wide Steps

360° Enclosed Safety Rail

Safe & Secure Sleeping

Image 2.2: Close-up view of the 360-degree enclosed safety rail on the top bunk, demonstrating the secure design for safe sleeping. The image also indicates a recommended mattress height of 10.6 inches below the top of the rail.

3. PACKAGE CONTENTS

Before assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

The bunk bed is typically shipped in multiple boxes. Please ensure you have received all packages before starting assembly.

- Bed frame components (headboards, footboards, side rails)
- Slat support system
- Trundle bed frame and wheels
- Staircase components with storage drawers/shelves
- Foldable desk components
- Magnetic LED lamp with USB cable (non-rechargeable)
- Hardware pack (screws, bolts, nuts, Allen wrench)
- Assembly instructions (digital access)

4. SETUP AND ASSEMBLY

Assembly instructions are provided digitally to ensure you have the most current and detailed guidance. Please refer to the video guide and step-by-step visuals for a smooth assembly process.

4.1 Digital Assembly Instructions

This product does not include a paper manual. Access the comprehensive digital assembly instructions and video guide by scanning the QR code provided on the packaging or visiting the manufacturer's website. The video guide offers visual assistance for each step.

4.2 Recommended Tools

- Phillips head screwdriver
- Rubber mallet (optional, for gentle tapping)
- Measuring tape
- Two people for assembly are highly recommended.

4.3 Assembly Tips

- Clear a spacious area for assembly.
- Lay out all components and hardware before starting.
- Do not fully tighten all bolts until the entire structure is assembled and aligned.
- Follow the numerical sequence of steps in the digital guide.

5. OPERATING INSTRUCTIONS

5.1 Using the Trundle Bed

The trundle bed is designed for easy access and storage. To use, gently pull the trundle frame out from under the bottom bunk. It is equipped with smooth-rolling wheels for effortless movement. To store, push the trundle back under the bottom bunk until it is fully concealed.

5.2 Utilizing the Storage Stairs

The staircase features integrated storage compartments within each step. These can be used to store books, toys, or other small items, helping to keep the room tidy. Open the compartments by lifting the step covers or pulling out the drawers, depending on the design of your specific model.

Ample Storage in Every Step

Easy Access for Kids' Toys & Books

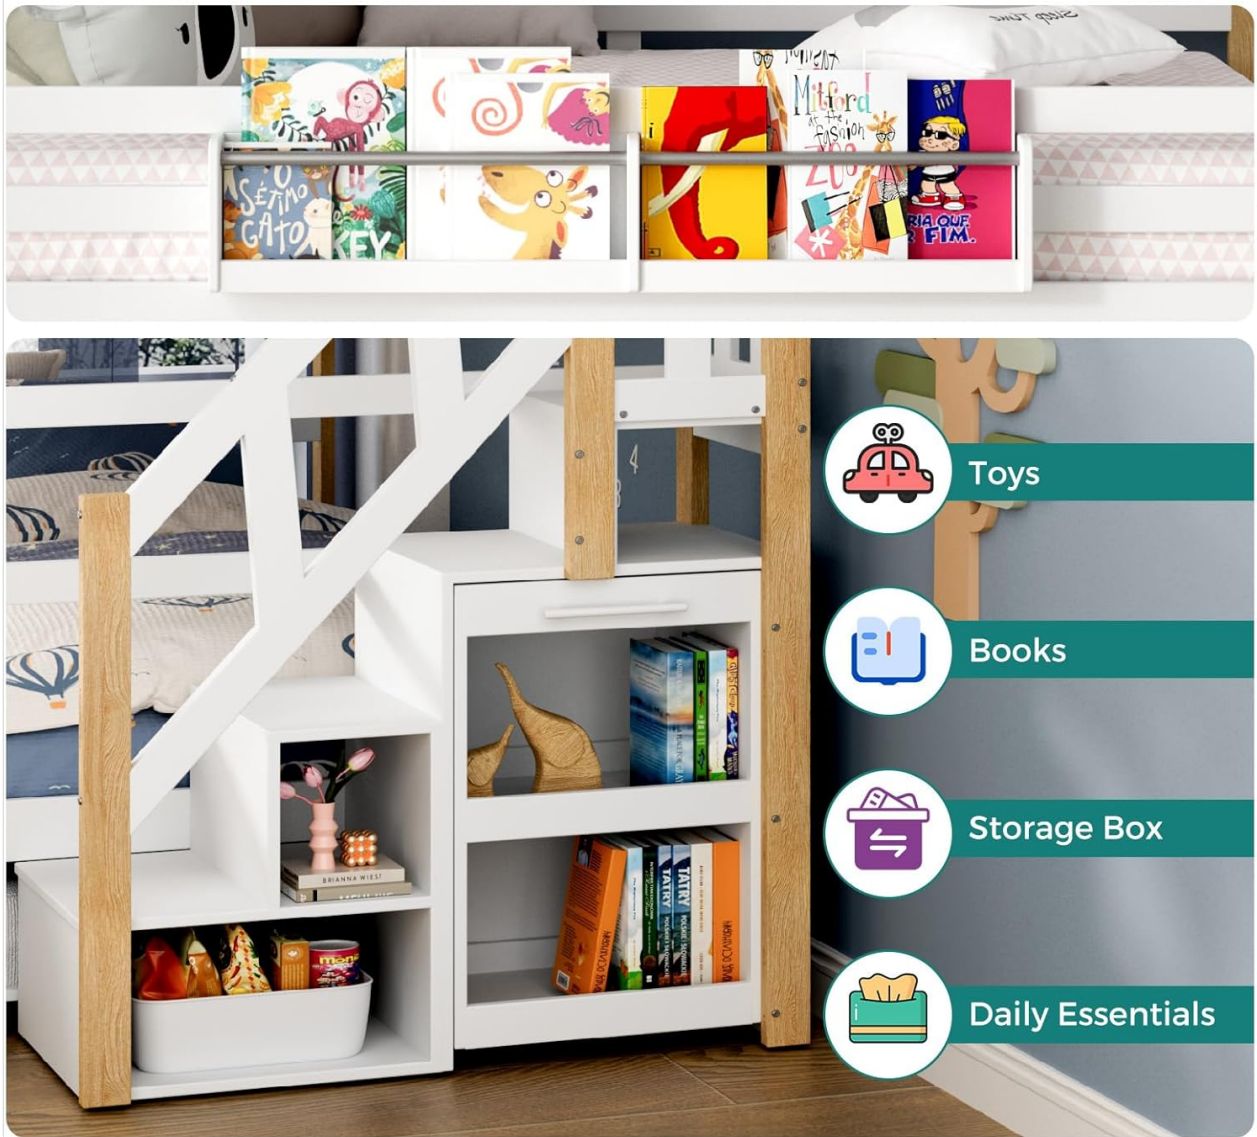

Image 5.1: Detailed view of the storage stairs, showing how each step functions as a storage compartment for books, toys, or other essentials.

5.3 Operating the Foldable Desk

The integrated foldable desk provides a convenient workspace. To deploy the desk, pull it out from its stored position. The desk surface will extend, creating a stable area for study or hobbies. To store, fold the desk back into its compact position against the bed frame.

Pull-out Desk Design

Image 5.2: A child using the pull-out foldable desk, demonstrating its functionality as a compact workstation for various activities.

5.4 Using the Magnetic LED Lamp

The bunk bed includes a plug-in magnetic LED lamp. This lamp offers 3 color modes and stepless dimming for adjustable lighting. Attach the lamp to any magnetic surface on the bed frame. Connect it to a power source using the provided USB cable. Adjust brightness and color mode as desired for reading or ambient lighting.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your bunk bed.

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware:** Periodically inspect all bolts, screws, and fasteners. Tighten any loose hardware to ensure the bed remains stable and safe.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight, which can cause warping or fading.

- **LED Lamp:** Keep the LED lamp clean and dry. Do not attempt to disassemble or repair the lamp yourself.

7. TROUBLESHOOTING

If you encounter any issues with your bunk bed, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware.	Check and tighten all bolts and screws. Ensure all connections are secure.
Trundle bed does not slide smoothly.	Wheels are obstructed or damaged.	Clear any debris from the wheels. Inspect wheels for damage; contact support if damaged.
Foldable desk is difficult to extend or retract.	Mechanism is stiff or obstructed.	Ensure no objects are blocking the desk's path. Apply a small amount of silicone lubricant to moving parts if necessary.
LED lamp is not turning on.	Not properly plugged in or power source issue.	Check USB connection and ensure the power source is active. Try a different USB port or adapter.

If the problem persists after attempting these solutions, please contact Kikihouse customer support.
