IFANNY 10769-HU

IFANNY Twin Size Low Loft Bed with Storage and LED Lights

Model: 10769-HU | Brand: IFANNY

1. PRODUCT OVERVIEW

The IFANNY Twin Size Low Loft Bed is designed to provide a comfortable sleeping area while maximizing room space with integrated storage and adjustable LED lighting. This bed frame is constructed from solid pine wood, engineered wood, plywood, and MDF, ensuring stability and durability.

Key Features:

- **Adjustable LED Lights:** Features LED light strips with 22 dynamic modes, 20 colors, 10 speeds, and 5 brightness levels, controllable via remote.
- **Integrated Storage:** Equipped with two practical storage bookcases and a hidden under-bed area for organizing items.
- **Safety Guardrails:** A 12-inch full-length raised guardrail on the upper bunk enhances safety.
- **Angled Stairs:** Two-step angled ladder with rounded edges for safe and easy access.
- **Space-Saving Design:** Low loft height (40.5 inches) is suitable for smaller rooms and younger children, providing ample under-bed space for play or storage.
- **Sturdy Construction:** Crafted from solid pine wood frames and 14 plywood slats, supporting up to 350 lbs.

2. SAFETY INFORMATION

Adherence to safety guidelines is crucial for the safe operation and longevity of your loft bed. Please read and understand all instructions before assembly and use.

- **Supervision:** Always supervise children when using the ladder and the bed.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 350 lbs for the bed and 210 lbs for the stairs.
- **Assembly:** Follow all assembly instructions carefully to ensure the bed's stability and prevent structural failure.
- **Mattress:** Use a mattress with a maximum thickness of 6 inches. No box spring is needed.
- **Guardrails:** Ensure guardrails are properly installed and maintained to prevent falls.
- **Regular Checks:** Periodically check all bolts and screws to ensure they are tight. Re-tighten as necessary.
- **Placement:** Position the bed away from windows, cords, and other potential hazards.

3. SETUP AND ASSEMBLY

Assembly of the IFANNY Low Loft Bed requires careful attention to detail. It is recommended to have two adults for

assembly. All necessary tools and instructions are included in the package.

Assembly Steps (General Guidance):

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify all components are present against the included parts list.
2. **Assemble Bed Frame:** Begin by assembling the main bed frame structure, ensuring all connections are secure.
3. **Attach Guardrails:** Securely attach the full-length guardrails to the upper bunk.
4. **Install Slats:** Place and secure the plywood slats onto the bed frame.
5. **Assemble Stairs and Storage:** Construct the angled stairs and integrated storage bookcases according to the diagrams.
6. **Integrate LED Lights:** Install the LED light strips in the designated areas, typically under the bed platform or within the storage shelves.
7. **Final Checks:** Once assembled, double-check all bolts, screws, and connections to ensure they are tight and stable.

4. OPERATING INSTRUCTIONS

LED Lights Operation:

The integrated LED lights are controlled by a remote. Ensure the remote has working batteries and is pointed towards the receiver.

- **Power On/Off:** Press the power button on the remote to turn the lights on or off.
- **Color Selection:** Use the color buttons to choose from 20 available colors.
- **Dynamic Modes:** Select from 22 dynamic modes for various lighting effects.
- **Speed Adjustment:** Adjust the speed of dynamic modes using the speed control buttons.
- **Brightness Control:** Increase or decrease the brightness using the dedicated brightness buttons.

Storage Shelves and Under-Bed Area:

Utilize the two built-in bookcases and the spacious under-bed area for organization and play.

- **Bookcases:** Store books, small toys, or decorative items on the shelves.

- **Under-Bed Space:** The hidden area beneath the bed can be used for larger storage bins, a play nook, or a quiet reading space. Two side doors provide easy access.

5. MAINTENANCE

Proper maintenance ensures the longevity and safety of your IFANNY Low Loft Bed.

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Regularly inspect all bolts, screws, and connections. Re-tighten any loose hardware to maintain structural integrity.
- **LED Lights:** If LED lights malfunction, check the remote control batteries and ensure the receiver is unobstructed.
- **Wood Care:** Protect the wood from excessive moisture and direct sunlight to prevent warping or fading.

6. TROUBLESHOOTING

If you encounter any issues with your loft bed, refer to the following common troubleshooting steps:

- **Bed Feels Unstable:** Check all assembly hardware. Ensure all bolts and screws are fully tightened. Verify that the bed is placed on a flat, level surface.
- **LED Lights Not Working:**
 - Check if the remote control batteries need replacement.
 - Ensure the LED light strip is properly connected to its power source.
 - Verify that the remote control receiver is not obstructed.
- **Parts Missing or Damaged:** If any parts were missing or damaged upon arrival, contact customer support immediately for assistance.
- **Difficulty with Assembly:** Review the assembly instructions carefully. If issues persist, contact customer support for guidance.
