› Genérico Romantic Watercolor Lavender Round Rug 180 cm - Instruction Manual

Genérico Romantic Watercolor Lavender Round Rug 180 cm

Genérico Romantic Watercolor Lavender Round Rug 180 cm

Instruction Manual

INTRODUCTION

This manual provides instructions for the Genérico Romantic Watercolor Lavender Round Rug, a 180 cm diameter rug designed for various indoor spaces. It features a soft flannel surface, an anti-slip TPR backing, and is machine washable. Please read these instructions carefully to ensure proper use and maintenance of your rug.

SETUP

Upon unboxing, the rug may have creases due to packaging for transport. These creases are temporary and will gradually disappear within 1-2 days of laying the rug flat.

1. Unroll the rug carefully from its packaging.
2. Lay the rug flat in your desired location.
3. Allow 1-2 days for any creases to naturally flatten. Walking on the rug or placing light objects on the edges can help expedite this process.

OPERATING

The rug is suitable for various indoor environments. Its anti-slip TPR backing ensures it stays securely in place on most hard floor surfaces, enhancing safety.

- **Placement:** Position the rug in areas such as living rooms, bedrooms, children's play areas, or hallways.
- **Stability:** The high-tech anti-slip base provides a firm grip on wooden, tiled, or laminated floors. Ensure the floor surface is clean and dry before placing the rug to maximize its anti-slip properties.
- **Comfort:** The ultra-soft, short-pile flannel offers a comfortable surface for walking or sitting.

MAINTENANCE

To ensure the longevity and appearance of your rug, follow these maintenance guidelines:

- **Daily Maintenance:** Vacuum or shake the rug 1-2 times per week to remove dust and loose debris.
- **Deep Cleaning:** The rug is machine washable. Wash in cold water using a mild detergent.
- **Drying:** After washing, allow the rug to air dry in a well-ventilated area. Do not tumble dry, bleach, or iron.
- **Stain Removal:** For small spills, blot immediately with a clean cloth. For tougher stains, follow the deep cleaning instructions.

3D Digital Printing, No Fading

Reinforced Edges, No Hair Loss

**Soft and Comfortable
Short-Pile Flannel**

Easy to Clean, Machine Washable

TROUBLESHOOTING

This section addresses common issues you might encounter with your rug.

- **Problem:** Rug has creases upon arrival.
Solution: Lay the rug flat. The creases are temporary and will typically disappear within 1-2 days.
- **Problem:** Rug is slipping on the floor.
Solution: Ensure the floor surface is clean, dry, and free of debris. The TPR anti-slip backing is designed to provide a secure grip on hard surfaces.
- **Problem:** Colors appear faded or rug is pilling.
Solution: The rug features 3D digital printing and durable flannel designed to resist fading and pilling. Ensure you are following the recommended washing instructions (cold water, mild detergent, air dry). Avoid harsh chemicals or excessive scrubbing.
