Zevemomo 1017QUEEN8DBLACK

Zevemomo Queen Bed Frame with Storage, LED, and Charging Station

Model: 1017QUEEN8DBLACK

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Zevemomo Queen Bed Frame. This bed frame features integrated storage drawers, customizable LED lighting, and a convenient charging station built into the headboard. Please read these instructions carefully before assembly and use to ensure proper function and safety.

Safety Information

- Do not use mattresses thinner than 8 inches or thicker than 12 inches to ensure proper fit and headboard functionality.
- Exercise caution around all edges during assembly and use to prevent injury.
- Ensure all connections are securely fastened before placing a mattress on the frame.
- Do not exceed the maximum weight capacity of 800 LBS.
- Keep electrical components (LED lights, charging station) away from liquids.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Bed Frame Components (Metal and Wood parts)
- 8 Storage Drawers (Fabric with metal handles and wire racks with wheels)
- Headboard with Integrated LED Lights and Charging Station (2 USB Ports, 2 Type-C Ports, 2 AC Outlets)
- Assembly Hardware (Screws, bolts, Allen wrench, etc.)
- Installation Manual
- LED Light Remote Control

Assembly Instructions

Assembly is designed to be straightforward. While one person can assemble the frame, having two people is recommended for

quicker and easier setup. Please follow the step-by-step instructions provided in the included installation manual.

1. **Unpack all components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify parts:** Refer to the parts list in your separate installation manual to identify each component.
3. **Assemble the main frame:** Follow the diagrams in the manual to connect the side rails, footboard, and headboard. Ensure all bolts are tightened securely.
4. **Install support slats:** Place the heavy-duty steel slats onto the frame. Ensure they are evenly spaced and secured according to the manual.
5. **Attach the headboard charging unit and LED strip:** Connect the charging station and LED strip to the designated areas on the headboard. The LED strip typically attaches with Velcro.
6. **Assemble and insert drawers:** Construct the 8 storage drawers and slide them into their designated positions under the bed frame.

For detailed visual guidance, refer to the diagrams in your physical instruction manual.

Operating Instructions

Storage Drawers

Your bed frame includes 8 spacious storage drawers designed for easy access. These drawers feature smooth-rolling wheels for effortless opening and closing. Use them to store bedding, clothing, books, or other personal items to keep your bedroom organized.

LED Lighting System

The integrated LED light strip in the headboard offers 16 RGB color options to customize your room's ambiance. Use the included remote control to adjust brightness, select different lighting modes, and set a timer for automatic shut-off.

- **Power On/Off:** Press the power button on the remote.
- **Color Selection:** Choose from 16 preset colors using the color buttons.
- **Brightness Adjustment:** Use the brightness up/down buttons to increase or decrease light intensity.
- **Mode Selection:** Cycle through various dynamic lighting modes (e.g., flash, strobe, fade, smooth).
- **Timer Function:** Set a timer for the lights to turn off automatically after a specified duration.

Built-in Charging Station

The headboard is equipped with a convenient charging station, featuring 2 standard AC outlets, 2 USB ports, and 2 Type-C ports. This allows you to charge your electronic devices directly from your bed.

- Ensure the bed frame's power cord is securely plugged into a wall outlet.
- Connect your devices to the appropriate USB, Type-C, or AC outlets.
- The charging station is always active when the bed frame is plugged in.

Maintenance

- **Cleaning:** Wipe the metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Drawer Care:** Periodically check the drawer wheels for debris and clean as needed to ensure smooth operation.
- **Hardware Check:** Every few months, inspect all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Keep the charging station and LED lights free from dust. Do not attempt to repair electrical

components yourself; contact qualified personnel if issues arise.

Troubleshooting

Problem	Possible Cause	Solution
LED lights not working or disconnecting.	Loose connection, faulty strip, or adhesive failure.	Ensure the LED strip is securely connected to its power source. Re-attach the strip firmly if it has come loose. If the issue persists, contact customer support for a replacement.
Drawers are difficult to open or close.	Obstruction, debris in wheels, or misalignment.	Check for items blocking the drawer path. Clean any debris from the drawer wheels. Ensure the drawers are correctly aligned on their tracks.
Bed frame feels unstable or makes noise.	Loose hardware or uneven assembly.	Inspect all bolts and screws. Tighten any loose connections. Ensure the bed frame is on a level surface.
Pillows fall into the gap behind the headboard.	Mattress thickness is not optimal.	Ensure your mattress thickness is between 8 and 12 inches as recommended for optimal headboard functionality.
Charging station not working.	Bed frame not plugged in, power outage, or faulty connection.	Verify the bed frame's power cord is securely plugged into a working wall outlet. Check if the wall outlet has power. Ensure devices are correctly plugged into the charging ports.

Specifications

Feature	Detail
Size	Queen
Color	Black
Material	Metal + Wood
Product Dimensions (L x W x H)	86" x 60" x 39"
Weight Capacity	800 LBS
Number of Storage Drawers	8
Headboard Charging Ports	2 USB Ports, 2 Type-C Ports, 2 AC Outlets
