MAHANCRIS Small Narrow Side Table with Charging Station

Model: ETNA751E01

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembling and using this product. Retain this manual for future reference.

- **Assembly:** Follow the provided instructions for the assembly of this narrow side table. Ensure all parts are correctly installed and tightened before use.
- **Weight Limit:** Do not place items exceeding the maximum weight recommendation of 44 pounds (20 kg) per shelf. Overloading can cause instability and damage.
- **Electrical Safety:** The side table includes a power outlet. Place and use it away from water, fire, and high-temperature environments. Do not expose the charging station to liquids. Ensure the power cord is not pinched or damaged.
- **Placement:** Use this product on a flat, stable surface to prevent tipping.
- **Indoor Use Only:** This product is designed for indoor use. Do not use outdoors.

2. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

3. ASSEMBLY INSTRUCTIONS

Assembly is required. Please follow the included illustrated guide and use the numbered parts for a smooth setup. Recommended tools are an Allen Key and a screwdriver (not included).

3.1 Tools Required

- Allen Key (often included in accessory kit)
- Screwdriver (Phillips head recommended)

3.2 Step-by-Step Assembly

1. **Unpack:** Carefully remove all components from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the included instruction manual to identify each component and hardware piece.
3. **Assemble Frame:** Follow the diagrams in the manual to connect the side panels and shelves using the provided hardware. Ensure all screws are finger-tightened initially.

- 4. Install Charging Station:** Secure the charging station into its designated slot on the top panel, ensuring the power cord is routed correctly.
- 5. Final Tightening:** Once all parts are in place, fully tighten all screws with the screwdriver and Allen key. Do not overtighten.
- 6. Placement:** Position the assembled table in your desired location, ensuring the power cord can reach an outlet safely.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your side table.

- Cleaning:** The laminated panel features a smooth, easy-clean surface. Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- Spills:** Immediately wipe up any spills to prevent moisture damage to the engineered wood.
- Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- Electrical Components:** Keep the charging station clean and free of dust. Do not attempt to disassemble or repair the electrical components yourself.

Smooth, Easy-Clean Surface

The laminated panel feels smooth and wipes clean easily.

6. TROUBLESHOOTING

If you encounter issues with your side table, refer to the following common problems and solutions.

- **Charging Station Not Working:**

- Ensure the table's power cord is securely plugged into a functional wall outlet.
- Check if the wall outlet itself is working by plugging in another device.
- Verify that the devices you are trying to charge are properly connected to the USB or AC ports.
- Avoid overloading the charging station with too many high-power devices simultaneously.

- **Table is Unstable/Wobbly:**

- Ensure all assembly screws are fully tightened. Do not overtighten.
- Check that the table is placed on a flat, even surface.
- Verify that all components were assembled according to the instructions.

- **Damage During Assembly:**

- If any parts were damaged during assembly, stop and contact customer support for assistance.
