AMERLIFE 3-Piece High Gloss Living Room Table Set Instruction Manual

Model: CCT028+CCT027 | Brand: AMERLIFE

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your AMERLIFE 3-Piece High Gloss Living Room Table Set. This set includes a modern LED coffee table with a 2-tier design and two matching nightstands, each equipped with a charging station. Please read these instructions carefully before assembly and use to ensure proper function and longevity of your furniture.

SAFETY INFORMATION

- Always assemble the furniture on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the tables or drawers. The coffee table has a maximum weight recommendation of 220 pounds.
- Keep electrical components (LED lights, charging station) away from water and moisture.
- Supervise children around the furniture, especially when drawers are open or LED lights are active.
- Use caution when moving the assembled furniture to prevent damage or injury.

PACKAGE CONTENTS

Your AMERLIFE 3-Piece High Gloss Living Room Table Set is shipped in two packages. Please verify that all components are present and undamaged upon receipt.

- 1 x Center Table (Coffee Table)
- 2 x End Tables (Nightstands)

OPERATING INSTRUCTIONS

LED Lighting System

The coffee table and nightstands feature RGB LED lighting with over 60,000 color options and multiple modes (static, flash, fade). The lighting can be controlled via a remote control or a mobile application.

- **Power On/Off:** Use the designated button on the remote or app to turn the lights on or off.
- **Color Selection:** Choose from a wide spectrum of colors using the color wheel or preset options.
- **Mode Selection:** Switch between static colors, dynamic flash effects, or smooth fade transitions.
- **Brightness Adjustment:** Adjust the intensity of the LED lights to suit your preference.
- **Music Mode:** Some models may feature a music synchronization mode, allowing lights to react to sound.
- **Timing Function:** Set timers for the lights to turn on or off automatically.

Integrated Charging Station

Each nightstand includes a built-in charging hub for convenience. This station provides one standard power outlet, one USB port, and one Type-C port.

- **Power Outlet:** Use for devices requiring a standard AC plug, such as lamps or laptops.
- **USB Port:** Connect USB-compatible devices for charging, such as smartphones or tablets.
- **Type-C Port:** Connect Type-C compatible devices for faster charging.
- Ensure devices are properly connected and the furniture is plugged into a power source for the charging station to function.

MAINTENANCE

To maintain the high-gloss finish and overall condition of your AMERLIFE table set, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the high-gloss finish.
- **Spills:** The furniture is stain-resistant. Promptly wipe up spills to prevent any potential marking.
- **Protection:** Use coasters under drinks and placemats under hot items to protect the surface from heat and moisture rings.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Inspection:** Periodically check all connections and hardware to ensure they remain tight.

TROUBLESHOOTING

If you encounter any issues with your AMERLIFE 3-Piece High Gloss Living Room Table Set, please refer to the following common solutions:

- **LED Lights Not Working:** Ensure the power adapter is securely plugged into a working outlet and the LED strip is properly connected. Check the remote control battery or mobile app connection.
- **Charging Station Not Functioning:** Verify that the furniture is connected to a live power source. Check the cables connecting your devices to the charging ports.
- **Drawers Sticking:** Ensure the drawer slides are clean and free of debris. Check that the drawers are properly aligned on their tracks.
- **Wobbling Table:** Confirm that all assembly screws are tightened. If the floor is uneven, consider using furniture pads or shims to stabilize the table.
