Sweetcrispy White 5-Drawer Storage Dresser

MODEL: CAB-5HBC-48IN-WT

Instruction Manual

Introduction

Thank you for choosing the Sweetcrispy White 5-Drawer Storage Dresser. This tall storage tower is designed to provide ample storage space while fitting into narrow areas, making it ideal for bedrooms, closets, hallways, or dorms. Its sturdy construction and easy assembly ensure a practical and durable storage solution.

This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and effective use of your new dresser.

Safety Information

- **Read all instructions carefully before assembly and use.** Keep this manual for future reference.
- **Adult assembly required.** Ensure all parts are present and undamaged before beginning assembly.
- **Use the included anti-tip kit.** To prevent serious injury from tipping furniture, this dresser must be securely attached to the wall using the provided anti-tip hardware.
- **Do not overload drawers.** Each fabric drawer has a weight limit. Overloading can cause damage or instability.
- **Place on a level surface.** Use the adjustable feet to ensure the dresser is stable and level on uneven floors.
- **Keep small parts away from children.** Choking hazard.

Package Contents

Please verify that all components are included in your package before starting assembly. If any parts are missing or damaged, please contact customer support.

- Top Board (MDF)
- Metal Frame Components (Side frames, back cross bars)
- Fabric Drawers (5 units, with handles)
- Adjustable Feet
- Assembly Hardware (Screws, Allen wrench if needed)
- Anti-Tip Kit (Wall anchor, screw, strap)

Setup and Assembly Instructions

This dresser features a quick, tool-free assembly process. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the two side metal frames. Ensure they are finger-tight.
3. **Assemble Metal Frame:** Connect the two side metal frames using the horizontal support bars and the X-shaped back cross bars. Secure all connections with the provided hardware. *(Refer to the diagram in Figure 1 for frame structure.)*
4. **Place Top Board:** Carefully place the MDF top board onto the assembled metal frame. Ensure it sits securely and is aligned.
5. **Prepare Fabric Drawers:** Unfold each fabric drawer and insert the bottom support panel to create a rigid structure. Attach the handles to the front of each drawer. *(Refer to Figure 2 for drawer construction.)*
6. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots in the metal frame.
7. **Install Anti-Tip Kit:** Identify a suitable wall location. Secure the anti-tip bracket to the back of the dresser's top frame and to the wall using the provided screws and wall anchors. Use the strap to connect the dresser to the wall bracket. This step is crucial for safety.
8. **Level the Dresser:** Adjust the height of the adjustable feet at the bottom of the dresser until it is stable and level on your floor.

Operating Instructions

- **Drawer Usage:** Gently pull and push the fabric drawers using the handles. Avoid forcing drawers open or closed.
- **Weight Distribution:** Distribute items evenly within each drawer. Avoid placing heavy items in only one section of a drawer.
- **Top Surface:** The sturdy wood top can support lamps, books, and decor. Do not exceed the recommended weight capacity for the top surface.

Maintenance

- **Cleaning the Top Board:** The MDF top board is water-resistant. Wipe clean with a damp cloth and mild detergent. Dry immediately.

- **Cleaning Fabric Drawers:** Spot clean fabric drawers with a mild soap and water solution. Allow to air dry completely. Do not machine wash.
- **Frame Care:** Wipe the metal frame with a soft, dry cloth. Avoid abrasive cleaners.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

Troubleshooting

Problem	Possible Cause	Solution
Dresser is wobbly or unstable.	Uneven floor; loose connections.	Adjust the leveling feet at the bottom of the dresser. Check and tighten all frame connections. Ensure the anti-tip kit is properly installed.
Drawers do not slide smoothly.	Drawer not fully assembled; items obstructing movement; frame misalignment.	Ensure the bottom support panel is fully inserted into the fabric drawer. Check for any items blocking the drawer's path. Verify the metal frame is correctly assembled and level.
Missing parts.	Packaging error.	Contact Sweetcrispy customer support with your purchase details.
