Briignite BRGY26202WHUS-2

Briignite LED Night Lights (Rounded Square, 2 Pack) - Instruction Manual

Model: BRGY26202WHUS-2

Introduction

Thank you for choosing Briignite LED Night Lights. This manual provides essential information for the safe and efficient use of your new night lights. These compact, rounded-square night lights feature a dusk-to-dawn sensor, adjustable brightness, and a foldable plug, making them ideal for various indoor spaces.

Setup Instructions

1. **Unpack:** Carefully remove the night lights from their packaging.
2. **Inspect:** Check for any visible damage. Do not use if damaged.
3. **Unfold Plug:** If the plug is folded, gently extend it until it locks into place.

Figure 1: The night light features a retractable plug for easy storage and travel.

4. **Select Location:** Choose an indoor electrical outlet in a desired area such as a bedroom, bathroom, hallway, or kitchen. Ensure the outlet is not obstructed.
5. **Plug In:** Insert the night light directly into a standard 120V AC electrical outlet. The compact design ensures the adjacent outlet remains accessible.

Figure 2: The night light plugged into an outlet, highlighting its compact dimensions and how it avoids blocking the second receptacle.

Operating Instructions

Dusk-to-Dawn Sensor

The Briignite LED Night Light is equipped with a built-in smart sensor that automatically turns the light on at dusk and off at dawn. No manual operation is required for basic on/off functionality.

Figure 3: The night light automatically activates at dusk and deactivates at dawn, conserving energy.

Adjustable Brightness

Your night light features a DIP switch for adjusting brightness to two levels: 50% or 100%. This allows you to customize the ambient illumination to your preference.

1. **Locate DIP Switch:** The small DIP switch is located on the side or top of the night light.
2. **Adjust Brightness:** Use a small tool (like a toothpick or pen tip) to slide the switch to your desired brightness setting (50% or 100%).

Figure 4: The night light offers two brightness settings, 50% and 100%, adjustable via a DIP switch.

Maintenance

- **Cleaning:** Disconnect the night light from the power outlet before cleaning. Wipe the surface with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Storage:** When not in use for extended periods, unplug the night light and fold the prongs flat. Store in a cool, dry place.
- **Bulb Replacement:** The LED light source is integrated and not user-replaceable.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Night light does not turn on.	• No power to the outlet. • Ambient light is too bright (sensor detects daylight). • Night light is faulty.	• Check the outlet with another device. • Move the night light to a darker location or wait for ambient light to decrease. • Contact customer support if the issue persists.
Night light stays on during the day.	• Sensor is obstructed or in a dark area. • Sensor is faulty.	• Ensure the sensor is not covered and is exposed to sufficient ambient light. • Contact customer support if the issue persists.
Brightness is too low/high.	Incorrect brightness setting.	Adjust the DIP switch to the desired brightness level (50% or 100%).

Specifications

- **Model Number:** BRGY26202WHUS-2
- **Brand:** Briignite
- **Light Source Type:** LED
- **Power Source:** Plug-in electric
- **Wattage:** 1W
- **Color Temperature:** Soft White 3000K
- **Dimensions (D x W x H):** 1"D x 1"W x 1"H (approximate)
- **Material:** Plastic
- **Switch Type:** DIP Switch (for brightness adjustment)
- **Special Feature:** Dusk-to-Dawn Sensor, Foldable Plug, Adjustable Brightness
- **Indoor/Outdoor Usage:** Indoor
- **Included Components:** Night Light x2

Warranty Information

Briignite products are manufactured to high-quality standards. For specific warranty details, please refer to the product packaging or contact Briignite customer support. Typically, products are covered against defects in materials and workmanship for a period specified at the time of purchase.
