OLIXIS 5-Drawer Fabric Dresser Instruction Manual

Model: CAB-5BC-V2-BK-02

PRODUCT OVERVIEW

The OLIXIS 5-Drawer Fabric Dresser is a versatile storage solution designed for various spaces including bedrooms, closets, living rooms, and hallways. It features a sturdy metal frame, a wooden top, and five fabric drawers, offering ample storage for organizing daily necessities. This unit can also function as a TV stand for televisions up to 45 inches.

SETUP AND ASSEMBLY

Assembly of the OLIXIS 5-Drawer Fabric Dresser is designed to be straightforward, typically taking approximately 20 minutes. All necessary tools and accessories are included in the package, along with detailed instructions to guide you through the process.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list.
2. Assemble the metal frame using the provided hardware.
3. Attach the wooden top to the assembled frame.
4. Insert the removable plastic guide rails for the drawers.
5. Assemble the fabric drawers and place them into the frame.
6. Adjust the feet for stability on uneven surfaces.
7. Install the anti-tipping accessories to secure the dresser to a wall, if desired.

OPERATING INSTRUCTIONS

The OLIXIS 5-Drawer Fabric Dresser provides organized storage with its fabric bins. The wooden top surface is suitable for placing frequently used items, decor, or a television.

Drawer Usage and Capacity:

- The dresser includes both medium and large drawers to accommodate various items.
- Each medium drawer has a load capacity of approximately 7 lbs.
- Each large drawer has a load capacity of approximately 11 lbs.
- The overall weight capacity of the dresser top is 66 lbs.

- Avoid overloading drawers to ensure smooth operation and longevity.

MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your OLIXIS 5-Drawer Fabric Dresser.

Cleaning Instructions:

- **Wooden Top:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Metal Frame:** Wipe with a soft, dry cloth.
- **Fabric Drawers:** Spot clean with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash or tumble dry.

Material Properties:

- The wooden top is textured and water-resistant with a protective coating for durability.
- The fabric drawers are constructed with a 3-layer breathable material, designed to be wear-resistant and offer good load-bearing capacity.

TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Odor from Drawers:** New fabric drawers may have a slight factory odor. It is recommended to air out the drawers in a well-ventilated area for 24-48 hours before use, especially before storing clothing.
- **Instability/Wobbling:** Ensure all screws are tightened securely during assembly. Use the adjustable feet at the bottom of the frame to level the dresser on uneven floors.
- **Damaged or Missing Parts:** If any parts are damaged or missing upon arrival, please contact OLIXIS customer service immediately for assistance.
- **Drawers Not Sliding Smoothly:** Check that the plastic guide rails are correctly installed and free from obstructions. Ensure drawers are not overloaded beyond their specified weight capacity.
