Merax L-Shaped Computer Desk with Swivel and Foldable Wheels (B0FX3QML2Y)

Merax L-Shaped Computer Desk with Swivel and Foldable Wheels

Instruction Manual - Model: B0FX3QML2Y

1. PRODUCT OVERVIEW

Thank you for choosing the Merax L-Shaped Computer Desk. This versatile desk is designed to adapt to your space and needs, functioning as a straight desk, corner desk, vanity, or compact sideboard. It features a robust 4 cm thick tabletop, ample storage with three drawers and two doors, and mobile, lockable wheels for easy repositioning.

2. SAFETY INFORMATION

- **Assembly Caution:** Assemble the desk with care, following all instructions precisely.
- **Weight Limit:** Do not overload the desk beyond its maximum weight capacity of 50 kg (110 lbs). Distribute weight evenly.
- **Stability:** Ensure all fasteners are tightened securely after assembly. Periodically check and re-tighten as needed to maintain stability.
- **Children:** Keep small parts away from children during assembly. Do not allow children to climb on or play with the desk.
- **Placement:** Place the desk on a level surface to prevent tipping.

3. SETUP AND ASSEMBLY

Your Merax L-Shaped Computer Desk is delivered in two packages. Please ensure both packages have arrived before beginning assembly. Refer to the included assembly instructions for detailed, step-by-step

guidance.

3.1 Unpacking and Inspection

1. Carefully unpack all components and hardware from both packages.
2. Verify that all parts listed in the assembly manual are present and undamaged. Contact customer support immediately if any parts are missing or damaged.

3.2 Assembly Steps (General)

While specific steps are detailed in your separate assembly manual, the general process involves:

- Assembling the main storage unit (with drawers and doors).
- Attaching the swivel/foldable desk section, including the universal wheels with brakes.
- Installing drawers and doors according to the provided diagrams.

4. OPERATING INSTRUCTIONS

4.1 Swivel and Foldable Functionality

The desk features a flexible design allowing it to be configured in various ways:

- **L-Shape Configuration:** To create an L-shaped workspace, unlock the universal wheels on the movable section. Gently pivot the desk section until it forms the desired L-shape. Once in position, lock the wheels to secure the desk.
- **Straight Configuration:** To convert to a straight desk or sideboard, unlock the wheels and pivot the movable section until it aligns with the main unit. Lock the wheels to stabilize.

Figure 5: Desk in straight configuration.

4.2 Storage Features

- **Drawers:** The desk includes three smooth-gliding drawers for organizing office supplies, documents, or personal items.
- **Doors:** Two cabinet doors conceal additional storage space with adjustable shelves. The maximum adjustment range for shelves is 19.2 cm.
- **Wheels:** The two universal wheels on the movable section are equipped with brakes. Press the brake lever down to lock the wheels and prevent movement. Lift the lever to unlock.

5. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the laminated finish.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain the desk's structural integrity.
- **Spills:** Clean up spills immediately to prevent moisture damage to the particle board material.

6. TROUBLESHOOTING

- **Desk is unstable:** Ensure all assembly screws are fully tightened. Check that the desk is placed on a flat, level surface. If using the swivel feature, ensure the wheels are locked.
- **Drawers are sticking:** Check that the drawer slides are properly aligned and free of obstructions. Ensure the desk is level.
- **Wheels not locking/unlocking:** Inspect the brake mechanism for any debris or damage. Ensure the lever is fully engaged or disengaged.
- **Missing parts:** If you discover missing parts during assembly, refer to the contact information in the Warranty and Support section.

7. PRODUCT SPECIFICATIONS
