SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten

as necessary.

- Do not overload shelves or drawers. Refer to the specifications for weight limits.
- Always use the anti-tipping hardware provided to secure the cabinet to a wall, especially in homes with children or pets.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Cabinet Panels (various sizes)
- Hardware Pack (screws, dowels, cam locks, hinges, drawer slides, handles)
- Adjustable Shelves
- Metal Wine Glass Holders
- Anti-Tipping Hardware
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are included in the package. Follow the numbered steps carefully. Two people are recommended for assembly.

Tools Required:

- Phillips Head Screwdriver
- Hammer (optional, for dowels)
- Drill (optional, for anti-tipping hardware)

Key Assembly Steps:

1. Unpack all components and lay them out on a protected surface.
2. Attach cam locks and dowels to the designated panels as per the diagram.
3. Assemble the base and side panels, ensuring they are securely connected.
4. Install drawer slides and assemble the drawers.
5. Attach the tilt-out trash can mechanisms to the lower cabinet doors.
6. Assemble the upper hutch, including glass doors and adjustable shelves.
7. Install the metal wine glass holders.
8. Securely attach the upper hutch to the lower cabinet.
9. Install handles on drawers and doors.
10. Attach the anti-tipping hardware to the back of the cabinet and secure it to a wall stud.

OPERATING INSTRUCTIONS

Tilt-Out Trash Compartments:

The lower section features two tilt-out compartments designed to conceal trash cans. Gently pull the top of the door outwards to access the interior. These compartments are suitable for plastic trash cans of 13 gallons or less.

Wire Hole

Smart design makes the wire neat and orderly.

Image: Close-up view of the tilt-out trash can compartments, illustrating how they open and confirming their capacity for 13-gallon trash cans or smaller.

Drawers:

The two upper drawers provide convenient storage for utensils, linens, or other small items. Pull the handles to open and push to close. Ensure items are placed neatly to prevent obstruction.

39.76*13.58 Inch Tabletop & 2 Drawers

39.76 Inch wide tabletop easily accommodation your coffee maker, microwave oven, and so on.
2 Drawers store your dinnerware to avoid dust.

Upper Hutch with Adjustable Shelves:

The upper hutch features glass doors and multiple storage shelves. These shelves are adjustable, allowing you to customize the storage space for various items. To adjust, remove the shelf, reposition the shelf pins to the desired height, and reinsert the shelf.

Upper Hutch with Glass Door

6 Storage shelves provide ample storage space. Glass door design help you find the items easily.

Metal Wine Glass Rack:

The cabinet includes three metal wine glass holders, capable of holding up to six wine glasses. This feature is ideal for creating a dedicated wine bar area.

Fit 13-gallon Trash Can or Less

Large capacity bins meet household needs.

Image: Close-up of the metal wine glass rack, demonstrating its capacity to hold six wine glasses securely, positioned beneath the upper hutch.

Wire Management Hole:

A discreet wire hole is provided on the back panel, allowing for neat and organized routing of power cords for small appliances placed on the tabletop, such as coffee makers or blenders.

High Quality Materials

Professional Production Team

Easy and Quick Assembly

24 Hours Customer Service

MAINTENANCE

Cleaning:

Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish. For spills, wipe immediately to prevent staining.

Care:

- Periodically check all fasteners and re-tighten if necessary to maintain stability.
- Avoid placing hot items directly on the surface; use coasters or protective pads.
- Keep the cabinet away from direct sunlight and excessive moisture to prevent warping or fading.

TROUBLESHOOTING

Cabinet feels wobbly:

Ensure all assembly screws are tightened. Verify the cabinet is placed on a level surface. If necessary, adjust the anti-tipping hardware to secure it firmly to the wall.

Drawers or doors do not open/close smoothly:

Check that drawer slides are properly aligned and free of obstructions. Ensure hinges are correctly installed and tightened. Verify that no items inside are blocking movement.

Trash cans do not fit:

The tilt-out compartments are designed for standard 13-gallon plastic trash cans or smaller. Ensure you are using a compatible size and shape.
