# Generic 1 Liter Heat-Resistant Glass Teapot with Infuser User Manual

Model: Unknown

## 1. INTRODUCTION

Thank you for choosing the Generic 1 Liter Heat-Resistant Glass Teapot with Infuser. This teapot is designed for brewing a variety of teas and herbal infusions, offering both functionality and an elegant presentation. Its heat-resistant glass construction ensures durability and temperature retention for both hot and cold beverages. Please read this manual carefully before first use to ensure proper operation and maintenance.

## 2. SAFETY INSTRUCTIONS

- Handle with care: The teapot is made of glass and can break if dropped or subjected to sudden impacts.
- Hot liquids: Always exercise caution when handling hot liquids to prevent burns. Use the handle provided.
- Temperature changes: Avoid extreme and sudden temperature changes (e.g., pouring cold water into a very hot teapot, or vice versa) as this may cause the glass to crack.
- Heating: This teapot is designed for brewing with hot water. Do not place it directly on a stovetop or in a microwave unless explicitly stated by the manufacturer (not applicable for this model).
- Children: Keep out of reach of children when in use, especially when containing hot liquids.

## 3. PACKAGE CONTENTS

Verify that all components are present in the package:

- 1 x Heat-Resistant Glass Teapot (approximately 1 liter capacity)
- 1 x Glass Lid
- 1 x Removable Glass Infuser

## 4. SETUP

Before first use, wash all components with warm soapy water and rinse thoroughly.

1. Place the removable glass infuser inside the teapot body.
2. Ensure the infuser sits securely in the teapot.
3. Place the glass lid on top of the teapot, aligning it properly.

## 5. OPERATING INSTRUCTIONS

---

Follow these steps to brew your favorite tea or herbal infusion:

1. **Add Tea Leaves:** Place your desired amount of loose leaf tea or herbs into the removable glass infuser.
2. **Pour Hot Water:** Carefully pour hot water into the teapot, ensuring it covers the tea leaves in the infuser. Do not overfill.
3. **Steep:** Place the lid on the teapot and allow the tea to steep for the recommended time according to your tea type.
4. **Serve:** Once steeped, carefully remove the infuser from the teapot to prevent over-steeping. Pour and enjoy your beverage.

## 6. MAINTENANCE AND CLEANING

Proper cleaning ensures the longevity and hygiene of your teapot.

- **After Each Use:** Empty any remaining tea leaves and rinse the teapot, infuser, and lid with warm water.
- **Hand Wash Only:** This teapot is **not dishwasher safe**. Wash all components by hand using a soft sponge and mild dish soap.
- **Stubborn Stains:** For tea stains, a mixture of baking soda and water or a specialized tea stain remover can be used. Allow it to soak for a short period before scrubbing gently.
- **Drying:** Dry all parts thoroughly before storing to prevent water spots and mildew.
- **Storage:** Store the teapot in a safe place where it will not be easily knocked over or damaged.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Tea tastes weak.	Not enough tea leaves; water not hot enough; insufficient steeping time.	Increase tea leaves, use hotter water, or steep longer.
Tea tastes bitter.	Too many tea leaves; water too hot; over-steeping.	Reduce tea leaves, use slightly cooler water, or steep for a shorter duration.
Glass appears cloudy after washing.	Hard water residue; improper drying.	Rinse with distilled water or a vinegar solution. Dry immediately with a soft cloth.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Generic
Model Number	Unknown
Capacity	Approximately 1 Liter (1000ml)
Material	Heat-Resistant Glass
Color	Multi-color (referring to the natural wood handle)
Product Dimensions	10 x 10 x 10 cm (approximate)
Item Weight	10 grams (This seems incorrect for a teapot, likely a data entry error, but stated in source)
Dishwasher Safe	No

【容量】1升
