Monster E68

Monster Open Ear AC360 Wireless Bluetooth Earphones User Manual

Model: E68

INTRODUCTION

Thank you for choosing the Monster Open Ear AC360 Wireless Bluetooth Earphones. This manual provides essential information for setting up, operating, and maintaining your new earphones to ensure optimal performance and longevity.

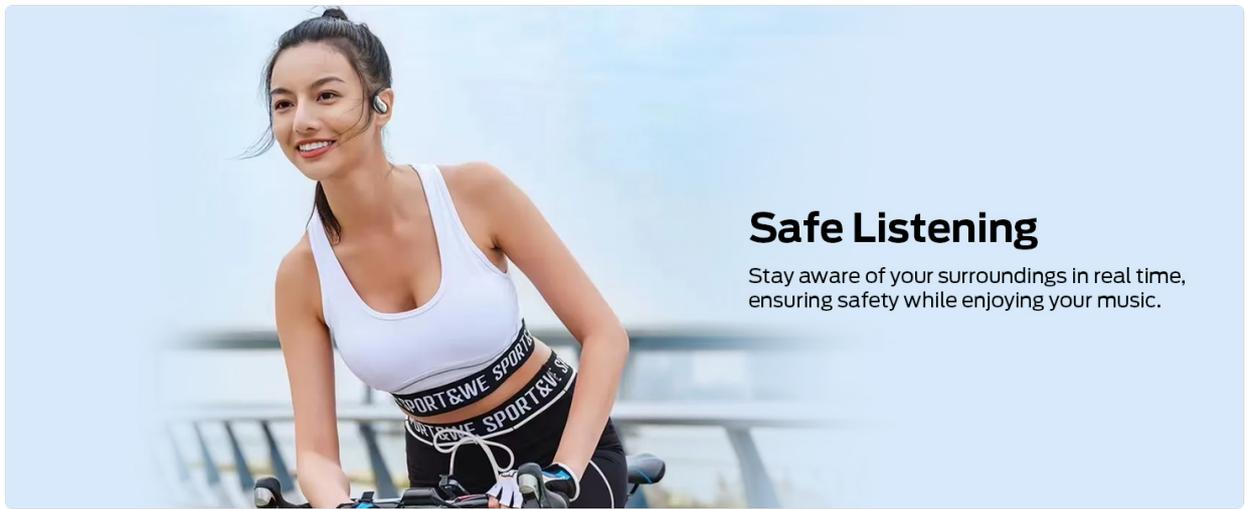

The Monster Open Ear AC360 earphones feature an innovative open-ear design for comfort and situational awareness, advanced Bluetooth 6.0 connectivity, IPX5 water resistance, and a long-lasting battery life.

Not Afraid of Rainy Days

With an IPX5 rating, it is resistant to sweat and rain, ensuring your music experience remains uninterrupted.

The Monster Open Ear AC360 earphones are designed for comfortable, open-ear listening, allowing you to stay aware of your surroundings.

Safe Listening

Stay aware of your surroundings in real time, ensuring safety while enjoying your music.

An overview highlighting the key features of the Monster Open Ear AC360, including Pure Monster Sound, ergonomic design, IPX5 waterproofing, Bluetooth 6.0, and the unique 360-degree magnetic rotating housing.

SETUP GUIDE

1. Charging the Earphones

Before first use, fully charge the earphones and the charging case.

- Connect the charging case to a USB power source using the provided cable.
- The indicator lights on the case will show charging status.
- A full charge provides up to 8 hours of listening time for the earphones, and the charging case extends total battery life to 24 hours. A 10-minute charge can provide 1 hour of playtime.

2. Bluetooth Pairing

Follow these steps to pair your Monster Open Ear AC360 earphones with your device:

1. Ensure the earphones are charged and powered on.
2. Open the charging case. The earphones will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
4. Search for available devices and select "Monster Open Ear AC360" from the list.
5. Once connected, you will hear an audible confirmation, and the indicator light on the earphones will change.
6. The advanced Bluetooth 6.0 chip ensures a faster and more stable connection.

The earphones and charging case are displayed alongside a laptop and smartphone, illustrating the Bluetooth pairing process in the device's settings.

OPERATING INSTRUCTIONS

1. Wearing the Earphones

The Monster Open Ear AC360 earphones feature an ergonomic design for a comfortable and secure fit.

- Gently place the ear hook over your ear.
- Adjust the earbud portion to rest comfortably near your ear canal without entering it, ensuring the open-ear design functions correctly.
- The lightweight and flexible earhook provides a stable fit even during intense activities.

2. Touch Controls

The earphones are equipped with touch-sensitive controls for easy management of music and calls.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold on either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

3. Call Functionality

The Monster Open Ear AC360 utilizes DNN 6th generation smart noise filtering technology for clear calls.

- Ensure earphones are connected to your phone.
- Use the touch controls to manage calls as described above.
- The noise filtering technology helps reduce background noise during conversations.

4. Sound Quality and Safety

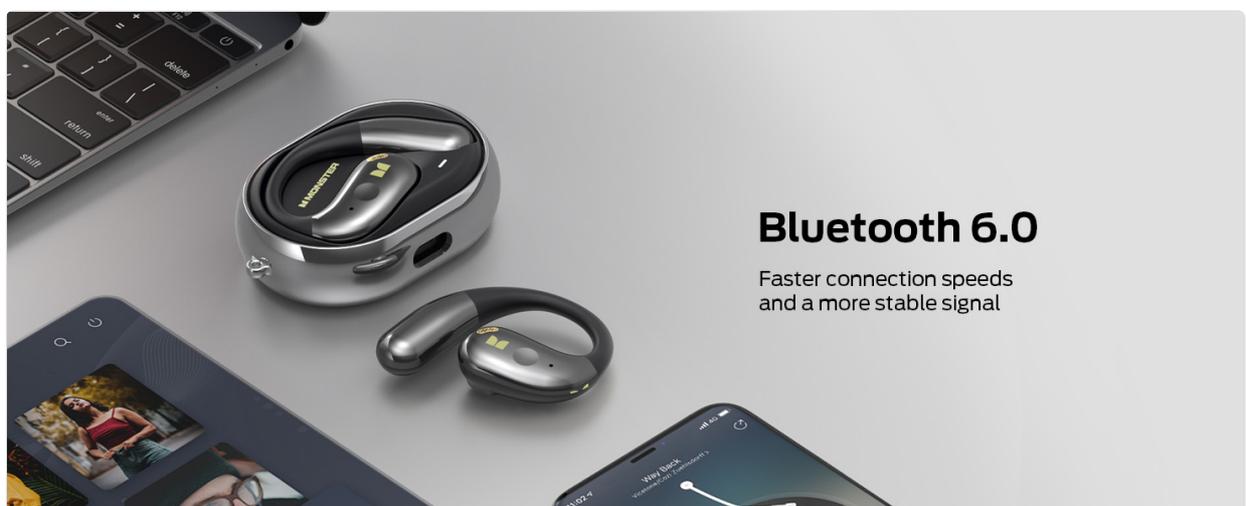

Experience Pure Monster Sound with dynamic audio while maintaining awareness of your surroundings.

MAINTENANCE AND CARE

1. Cleaning

To maintain optimal performance and hygiene, clean your earphones regularly.

- Wipe the earphones and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Avoid getting moisture into any openings.

2. Water Resistance (IPX5)

The Monster Open Ear AC360 earphones are IPX5 water-resistant, meaning they can withstand sweat and light rain.

- Do not submerge the earphones in water.
- Avoid exposing them to strong jets of water.
- After exposure to sweat or rain, wipe the earphones dry before placing them back in the charging case to prevent damage.

A man wearing the earphones during an activity, highlighting their IPX5 waterproof rating, making them resistant to rain and sweat.

3. Storage

When not in use, store the earphones in their charging case to protect them and keep them charged.

The unique magnetic rotating housing design allows for compact and secure storage.

This image highlights the innovative magnetic rotating housing design of the earphones and their case, allowing for personalized and secure storage.

TROUBLESHOOTING

If you encounter any issues with your Monster Open Ear AC360 earphones, please refer to the following common solutions:

Earphones not pairing with device:

- Ensure both earphones are charged.
- Turn off Bluetooth on your device and turn it back on.
- Delete "Monster Open Ear AC360" from your device's Bluetooth list and attempt to pair again.
- Move the earphones closer to your device.
- Restart your device.

No sound or low volume:

- Check the volume level on both your device and the earphones.
- Ensure the earphones are properly connected to your device.
- Try playing audio from a different application or source.

Call quality issues:

- Ensure the earphones are fully charged.
- Check for any obstructions between the earphones and your device.
- Move to an area with less environmental noise.
- Confirm that the earphones are selected as the audio output device for calls on your phone.

Earphones not charging:

- Ensure the charging cable is securely connected to both the case and the power source.
- Verify the power source is active.
- Clean the charging contacts on both the earphones and the case with a dry cotton swab.
