› MSmask Full Upholstered LED Bed Frame Instruction Manual

## MSmask full size bed frame with storage

# MSmask Full Upholstered LED Bed Frame Instruction Manual

Model: full size bed frame with storage

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your MSmask Full Upholstered LED Bed Frame. Please read all instructions carefully before assembly and use to ensure safe and proper functioning of the product. Keep this manual for future reference.

## 2. SAFETY INFORMATION

---

- **Weight Limit:** Do not exceed the maximum weight recommendation of 1000 pounds (approximately 453 kg).
- **Pinch Points:** Be cautious of sharp edges and potential pinch points, especially around the open shelves and curved legs during assembly and use.
- **Assembly:** Follow assembly instructions carefully to prevent instability or collapse. Ensure all fasteners are tightened securely.
- **Electrical Components:** Use electrical components (LED lights, charging station) with caution. Follow all safety guidelines for electrical devices. Do not overload the charging station.
- **Children:** Keep small parts away from children during assembly. This product is not intended for use as a play structure.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, ensure all parts listed in the included assembly guide are present and undamaged. The package typically includes:

- Headboard components (upholstered panels, LED light strip, charging station)
- Side rails and footboard components
- Metal frame and support legs
- Wooden slats and EVA silent strips
- Hardware kit (screws, bolts, Allen wrench)
- Remote control for LED lights
- Assembly instructions manual

## 4. SETUP AND ASSEMBLY

Assembly of the MSmask Full Upholstered LED Bed Frame requires two people. Follow the detailed, step-by-step instructions provided in the separate assembly manual included with your product. Ensure all components are correctly oriented and securely fastened.

1. **Unpack Components:** Carefully unbox all parts and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Headboard:** Begin by assembling the headboard sections, including the 2-tier open shelves and the hidden compartment. Install the LED light strip and charging station as directed.
3. **Attach Side Rails and Footboard:** Connect the side rails to the headboard and then attach the footboard. Ensure all connections are firm.
4. **Install Support Structure:** Place the metal frame and support legs. The curved support legs at the foot of the bed are designed for stability.
5. **Place Wooden Slats:** Position the solid wood slats evenly across the frame. The EVA silent strips should be applied to prevent noise from friction.
6. **Final Check:** Double-check all screws and bolts to ensure they are tightened. Do not overtighten.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. LED Lights Operation

Your MSmask bed frame features RGB LED light strips on the headboard and along three sides under the bed. These lights can be controlled via a dedicated mobile application or the included remote control.

- **Color Selection:** Choose from over 60,000 RGB colors to customize your lighting ambiance.
- **Dynamic Modes:** Configure various dynamic lighting modes for different effects.
- **Music Sync:** Activate the music sync function to make the lights respond to audio.
- **Microphone Mode:** Utilize the microphone mode for sound-reactive lighting.
- **Timer Function:** Set a timer for the lights to turn on or off automatically.
- **Brightness Adjustment:** Adjust the brightness level to use the lights as a nightlight or reading lamp.

## 5.2. Charging Station Usage

The bed frame includes a built-in charging station located in the center of the headboard for convenient access to power.

- **Ports:** The charging station is equipped with 1 Type-C port (5V/3A), 1 USB port (5V/2A), and 2 AC outlets (125V/12A).
- **Functionality:** Use these ports to charge your phone, tablet, power a lamp, or other electronic devices.
- **Cable Management:** The built-in power supply helps to conceal messy wires, maintaining a tidy bedside area.

## 6. FEATURES OVERVIEW

### 6.1. Multifunctional Storage Headboard

The headboard is designed with integrated storage solutions to help keep your bedroom organized.

- **2-Tier Open Shelves:** Wide and tall open shelves are suitable for displaying picture frames, books, glasses, and other frequently used items.
- **Hidden Compartment:** A large hidden flap compartment, including three bookcases, provides discreet storage for pillows, clothes, toys, and other personal belongings.
- **Side Pockets:** Additional side pockets offer extra storage convenience.

## 6.2. Elegant Design Elements

The bed frame combines aesthetic appeal with practical design.

- **Crystal Button Tufted Headboard:** The headboard features crystal button tufting, providing an elegant and refined texture.
- **Premium Velvet Fabric:** Upholstered in soft, skin-friendly velvet fabric for comfort and a luxurious feel.
- **Curved Support Legs:** Specially designed thickened curved support legs at the foot of the bed enhance stability and prevent accidental collisions, while adding to the aesthetic.

## 7. MAINTENANCE

---

Proper care will extend the life and appearance of your bed frame.

- **Upholstery Cleaning:** For velvet fabric, gently vacuum regularly to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a velvet-safe cleaning product according to its instructions. Avoid harsh chemicals.
- **Frame Cleaning:** Wipe the frame and non-upholstered surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- **LED Lights:** Keep the LED light strips free from dust. Do not attempt to disassemble the LED components.
- **Charging Station:** Ensure the charging station ports are clean and free of debris. Do not expose to liquids.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability.

## 8. TROUBLESHOOTING

---

Refer to this section for common issues and their solutions.

Problem	Possible Cause	Solution
LED lights not turning on or functioning incorrectly.	Power connection issue, remote control battery, app connectivity.	Ensure the power adapter is securely plugged into an outlet and the bed frame. Check remote control battery and replace if needed. Verify app is correctly paired via Bluetooth.
Charging station not providing power.	Power connection issue, device compatibility, station overload.	Confirm the bed frame's main power is connected. Test with a different device and cable. Avoid plugging in too many high-power devices simultaneously.
Bed frame makes squeaking noises.	Loose hardware, friction between components.	Check and tighten all bolts and screws on the frame. Ensure EVA silent strips are correctly placed between wooden slats and the metal frame.
Wooden slats appear too short or do not fit properly.	Incorrect assembly, manufacturing variation.	Re-check the assembly instructions to ensure slats are installed in the correct orientation and position. If the issue persists, contact customer support.
Missing parts or damaged components upon arrival.	Shipping damage, packaging error.	Do not proceed with assembly. Contact MSmask customer support immediately with your purchase details and a description of the missing/damaged parts.

## 9. SPECIFICATIONS
