1. Introduction

This manual provides essential information for the proper setup, operation, and maintenance of your GarveeHome Provence Fog Gray Botanical Grove 6ft Round Rug. Please read these instructions carefully to ensure optimal use and longevity of your product.

2. Setup and Placement

2.1 Unpacking

Carefully unroll the rug from its packaging. Due to shipping, the rug may have temporary creases. Refer to the "Troubleshooting" section for instructions on how to remove these creases.

2.2 Placement

Position the rug in your desired indoor location. The rug features a TPE rubber backing designed to grip floors securely, minimizing movement on hardwood, tile, or other smooth surfaces. Its low-pile design (0.19 inches) allows for easy placement under furniture and ensures door clearance.

4. Maintenance and Care

Maintaining your GarveeHome rug is simple, ensuring it remains fresh and clean for years to come.

4.1 Cleaning Instructions

- **Machine Washable:** For larger stains or general cleaning, the rug can be machine washed. Use cold water on a gentle cycle.
- **Do Not Bleach:** Avoid using bleach or harsh detergents, as these can damage the rug's fibers and color.
- **Line Dry:** After washing, line dry the rug. Do not tumble dry.
- **Spot Cleaning:** For small spills or pet accidents, wipe the affected area with a clean rag. The rug is stain-resistant and waterproof, making spills easy to manage.

5.1 Temporary Creases

New rugs may arrive with temporary creases from packaging and shipping. To resolve this:
