GALAXHERO B0FX4S3TR3

GALAXHERO Tall Console Table with 12 Fabric Drawers

Model: B0FX4S3TR3
Brand: GALAXHERO

Introduction

Thank you for choosing the GALAXHERO Tall Console Table with 12 Fabric Drawers. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new storage unit. Please read all instructions thoroughly before beginning assembly and retain this manual for future reference.

Important Safety Information:

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly.
- Do not overtighten screws during assembly to avoid damaging components.
- Install the anti-tilt device to secure the unit to a wall, especially in households with children or pets, to prevent accidental tipping.
- Do not exceed the recommended weight capacity for the top surface or individual drawers.

Package Contents

Before assembly, verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- Wood Top Panel
- 12 Fabric Drawers (Rustic Brown)
- Drawer Handles
- Adjustable Feet (5 pieces)
- Anti-tilt Device Kit
- Assembly Hardware (screws, Allen wrench)

Assembly Instructions

Follow these steps carefully to assemble your console table. An Allen wrench is provided for most hardware. It is recommended to have a second person assist with assembly for easier handling of larger components.

Step 1: Assemble the Metal Frame

1. Connect the base metal bars to the side frames using the provided screws. Ensure the slots for the drawer supports are facing inwards.
2. Attach the vertical support bars to complete the main frame structure.
3. Install the cross-support rods at the back of the frame for added stability.
4. Gently tighten all screws once the frame is fully assembled.

Step 2: Attach the Wood Top and Adjustable Feet

5. Place the wood top panel onto the assembled metal frame and secure it with the designated screws.
6. Screw the 5 adjustable feet into the bottom of the frame. Adjust them to ensure the table is level on your floor.

Step 3: Prepare and Insert Fabric Drawers

7. Unfold each fabric drawer and insert the bottom support panel to create a sturdy base.
8. Attach the curved handles to the front of each fabric drawer using the provided screws.
9. Slide the assembled fabric drawers into their respective slots in the metal frame.

Step 4: Install Anti-Tilt Device

10. Position the console table in its desired location.
11. Secure the anti-tilt device to the back of the table and to a wall stud using the provided hardware. This step is crucial for safety.

Operating Instructions

Your GALAXHERO console table is designed for versatile storage in various rooms.

- **Drawer Use:** The fabric drawers are designed to slide smoothly within the metal frame. Avoid pulling drawers out completely to prevent them from falling. Do not overfill drawers to maintain their shape and functionality.
- **Top Surface:** The P2 grade artificial wood top provides a stable surface for displaying decorative items, lamps, or other small objects. Ensure heavy items are placed centrally and do not exceed the table's weight capacity.
- **Adjustable Feet:** Periodically check and adjust the feet to ensure the table remains level and stable on uneven surfaces.

Maintenance

Regular maintenance will prolong the life and appearance of your console table.

- **Cleaning the Wood Top:** Wipe the wood top with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Cleaning Fabric Drawers:** Spot clean fabric drawers with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash or tumble dry.
- **Frame Care:** Periodically check all screws and connections for tightness. Retighten as necessary to maintain structural integrity.

Troubleshooting

If you encounter any issues with your console table, refer to the following common solutions:

- **Drawers not sliding smoothly:** Ensure the drawers are correctly inserted into their designated slots. Check for any obstructions within the frame or the drawer itself. Avoid overfilling the drawers, which can cause bulging and hinder smooth operation.
- **Unit feels unstable:** Verify that all assembly screws are securely tightened. Adjust the leveling feet on the bottom of the frame to ensure all five feet are making firm contact with the floor. Confirm the anti-tilt device is properly installed and secured to a wall stud.
- **Damaged parts:** If any part is damaged during shipping or assembly, do not attempt to force it. Contact customer support for replacement parts.

Specifications

Brand	GALAXHERO
Model Number	B0FX4S3TR3
Product Dimensions	11.73"D x 39.37"W x 48.23"H
Color	Rustic Brown
Material	Wood & Fabric & Metal
Number of Drawers	12
Item Weight	29.5 pounds
Assembly Required	Yes
