T4TREAM FPSC9NDRDS-NO

T4TREAM Fluted 9 Drawer Dresser Instruction Manual

Model: FPSC9NDRDS-NO

Introduction

Thank you for choosing the T4TREAM Fluted 9 Drawer Dresser. This manual provides detailed instructions for assembly, operation, maintenance, and care to ensure the longevity and optimal performance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Product Features

- **Elegant Design:** Features a distinctive wave-like fluted panel, an off-white faux marble top with earth-toned veins, and a natural oak finish. Curved edges enhance safety and aesthetics.
- **Ample Storage:** Measures 54"W × 15.75"D × 36"H, offering a spacious tabletop and 9 smooth-glide drawers for efficient organization of clothing, bedding, cosmetics, and jewelry.
- **Durable Construction:** Constructed from FSC-Certified wood, optimal MDF, and P2 engineered wood. The fluted panel uses blister molding technology, and the faux marble top is melamine veneer, ensuring durability, water resistance, and easy maintenance. A steel support at the base reinforces stability.
- **Easy Assembly:** Designed for straightforward assembly with clear, user-friendly instructions and meticulously labeled components. A pack of spare parts is included.

Setup and Assembly

The T4TREAM Fluted 9 Drawer Dresser is designed for straightforward assembly. Please follow these general guidelines:

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components listed in the instruction manual are present. Each part is meticulously labeled with serial numbers for easy identification.
2. **Review Instructions:** Read the entire assembly manual thoroughly before starting. Familiarize yourself with the steps and diagrams.
3. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the furniture pieces and your floor.
4. **Assemble with Care:** Follow the step-by-step instructions provided. It is recommended that two adults assemble the dresser to ensure stability and ease of handling.
5. **Hardware:** Use the provided hardware. A pack of spare parts is included in case of loss during assembly. Do not overtighten screws unless specified.

6. **Anti-Tipping Device:** Securely install the included anti-tipping device to a wall stud to prevent accidental tipping, especially in households with children or pets.

Operating Instructions

The T4TREAM dresser features 9 smooth-glide drawers designed for easy access and organization.

- **Opening Drawers:** Gently pull the metal handles to open the drawers. The smooth-glide mechanism ensures effortless operation.
- **Closing Drawers:** Push the drawers firmly until they are fully closed and flush with the dresser frame.
- **Weight Capacity:** Avoid overloading drawers to ensure smooth operation and prevent damage to the drawer slides. Distribute weight evenly. The top surface has a weight capacity of 100 lbs.
- **Stability:** Always ensure the dresser is placed on a level surface. If moving the dresser, empty the drawers first to reduce weight and prevent damage.

Maintenance and Care

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish and faux marble top.
- **Spills:** In case of spills, wipe immediately with a dry cloth to prevent staining, especially on the faux marble top which is water-resistant but not entirely impervious to prolonged liquid exposure.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the wood finish.
- **Heat and Moisture:** Keep the dresser away from direct heat sources and areas of high humidity to prevent warping or damage to the wood and engineered materials.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.

Troubleshooting

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Overloaded drawer, debris in slides, loose screws.	Reduce drawer contents. Clean drawer slides. Tighten screws on slides. Apply silicone lubricant if necessary.
Dresser feels wobbly.	Uneven floor, loose assembly hardware.	Ensure dresser is on a level surface. Check and tighten all assembly screws. Verify anti-tipping device is securely installed.
Drawer does not close completely.	Obstruction, misaligned drawer.	Check for items blocking the drawer. Re-align the drawer on its slides.

Specifications

Brand: T4TREAM

Model Name: FPSC9NDRDS-NO

Product Dimensions: 16"D x 54"W x 36"H

Color: Natural Oak

Room Type: Bedroom, Living Room, Hallway, Entryway, Home Office

Material: Engineered Wood

Finish Type: Blister Molding and Melamine veneer

Number of Drawers: 9
