## Smart FENDEE 43.7" Tall

# Smart FENDEE 6-Tier Fluted Shoe Storage Cabinet (Walnut, 43.7" Tall) - Instruction Manual

Model: 43.7" Tall

## 1. INTRODUCTION

---

Thank you for choosing the Smart FENDEE 6-Tier Fluted Shoe Storage Cabinet. This manual provides essential information for the safe assembly, installation, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

## 2. SAFETY INFORMATION

---

- **Anti-Tipping Device:** To prevent accidental tipping or shaking, it is highly recommended to secure the shoe cabinet to the wall using the provided anti-tipping device. This is especially important in households with children or pets.
- **Weight Distribution:** Distribute items evenly across shelves to maintain stability. Avoid placing heavy objects on the top shelf without proper wall anchoring.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are tightened securely before use. Do not overtighten.
- **Tools:** Use appropriate tools for assembly. A screwdriver/drill and a hammer may be required (not included).
- **Footwear Size:** Be aware that larger shoe sizes (e.g., men's size 10 and above) may require adjusting or removing shelves for proper fit. High-top boots may not fit vertically.

## Beautifully Designed

One-piece Seamless Slatted Door Design, The handles of the shoe cabinet are made of good material.

### 3. PACKAGE CONTENTS

---

Before assembly, verify that all parts and hardware are present and undamaged. Refer to the assembly video for a visual guide to components.

Your browser does not support the video tag.

*Video 3.1: Smart FENDEE Store Shoe Storage Cabinet assembly instructions, showing all parts and steps.*

The video above provides a comprehensive overview of the assembly process, including all parts and hardware. Ensure you have all components before proceeding.

### 4. ASSEMBLY INSTRUCTIONS

---

Follow the numbered steps carefully. Each part is labeled with a letter and number for easy identification. It is recommended to have a second person assist with assembly for stability and ease.

1. **Prepare Components:** Lay out all wooden panels and hardware on a soft, clean surface. Identify each piece using the labels provided.
2. **Assemble Base:** Attach the legs to the bottom panel as per the diagram. Ensure all screws are tightened.
3. **Construct Frame:** Connect the side panels and back panel to the base and top panel. Use the appropriate dowels and screws.
4. **Install Shoe Compartments:** Insert the tilt-out shoe compartments into the main frame. Secure them with the designated hardware, ensuring smooth operation.
5. **Attach Doors:** Mount the fluted doors to the cabinet frame. Test the opening and closing mechanism to ensure it functions correctly.
6. **Install Anti-Tipping Device:** Secure the anti-tipping device to the back of the cabinet and to a wall stud using appropriate wall anchors (not always included, may need to be purchased separately depending on wall type).

For a visual step-by-step guide, please refer to the assembly video in the "Package Contents" section.

### 5. SETUP AND PLACEMENT

---

The Smart FENDEE shoe cabinet is designed for freestanding use in entryways, hallways, or other suitable areas. Ensure the chosen location is level and stable.

- **Level Surface:** Place the cabinet on a flat, level surface to prevent wobbling.
- **Wall Anchoring:** Always use the anti-tipping device to secure the cabinet to the wall, especially if placing heavy items inside or if children are present.
- **Clearance:** Allow sufficient space for the fluted doors to open fully without obstruction.

## 6. OPERATING INSTRUCTIONS

---

This shoe cabinet features tilt-out doors with adjustable shelves for versatile storage.

- **Opening/Closing Doors:** Gently pull the black handles to tilt open the compartments. Push them back firmly to close. The smooth mechanism ensures easy access.
- **Adjusting Shelves:** The internal shelves are adjustable to accommodate different shoe heights. To adjust, remove the shelf, reposition the support pins to the desired height, and reinsert the shelf.
- **Boot Storage:** For taller footwear like boots, one or more shelves can be removed to create a larger storage space. Refer to the capacity table for guidance.
- **Top Surface Use:** The spacious top surface can be used for organizing daily essentials such as keys, wallets, or decorative items. The anti-drop design helps prevent items from falling.

## 7. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Smart FENDEE shoe cabinet, follow these care instructions:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** The cabinet is crafted from water-resistant wood. In case of spills, wipe immediately with a dry cloth to prevent staining or damage.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

# High-Quality Materials

✓ Waterproof

✓ Stain-resistant

✓ Durable

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Cabinet is wobbly/unstable.	Uneven floor; loose fasteners; anti-tipping device not installed.	Ensure cabinet is on a level surface. Tighten all assembly screws. Install the anti-tipping device securely to the wall.
Doors do not close smoothly or are misaligned.	Incorrect hinge installation; obstruction; uneven assembly.	Recheck hinge installation as per instructions. Ensure no items are blocking the door mechanism. Verify the cabinet frame is square.
Shoes do not fit on shelves.	Shelf height not adjusted; shoe size too large for compartment.	Adjust shelf height or remove shelves as needed. Refer to the capacity guidelines in Section 6.
Missing parts or damaged components.	Manufacturing error or shipping damage.	Contact customer support immediately for replacement parts.

## 9. SPECIFICATIONS
