3. SETUP INSTRUCTIONS

3.1 Assembly

Assembly of the DWVO Computer Desk is required. An instruction manual and all necessary assembly tools are included in the package. It is recommended that two people assemble the desk to ensure stability and ease of construction.

1. Unpack all components and verify against the parts list in the included manual.
2. Follow the step-by-step instructions provided in the manual for assembling the metal frame, wooden panels, drawers, hutch, and shelves.
3. Ensure all screws and fasteners are securely tightened to prevent wobbling.

3.2 Anti-Tip Kit Installation

For safety, especially in households with children or pets, it is crucial to install the included anti-tip kit. This prevents the desk from accidentally tipping over.

1. Locate the anti-tip hardware in your package.
2. Attach the bracket to the back of the desk's hutch or top shelf using the provided screws.
3. Secure the other end of the strap or bracket to a wall stud using appropriate wall anchors and screws.
4. Ensure the strap is taut and the desk is firmly anchored to the wall.

5. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary.
- **Electrical Components:** Ensure the power cord and outlets are free from damage. Do not overload the power outlets.
- **LED Lights:** If the LED lights malfunction, check the connections. If issues persist, contact customer support.

6. TROUBLESHOOTING

- **Desk Wobbles:** Adjust the foot pads at the bottom of the desk legs until the desk is stable on the floor. Ensure all assembly screws are tightened.
- **Drawers Stick:** Check if the drawer slides are properly aligned and free of obstructions. Ensure the drawer contents are not overflowing.
- **LED Lights Not Working:** Verify the power connection to the light strip. Check if the light strip switch is in the 'on'

position. If using the app, ensure Bluetooth is enabled and the app is correctly paired.

- **Power Outlets/USB Ports Not Working:** Ensure the desk's main power cord is securely plugged into a functional wall outlet. Check for any tripped circuit breakers in your home.
