Image: Detailed Drug Facts label from Allegra 24-Hour Allergy Relief packaging, outlining active ingredients, uses, warnings, and directions.

### Active Ingredient (in each tablet)

**Fexofenadine HCl 180 mg** (Antihistamine)

## WARNINGS

- Do not use if you have ever had an allergic reaction to this product or any of its ingredients.

- Ask a doctor before use if you have kidney disease. Your doctor should determine if you need a different dose.
- When using this product:
  - Do not take more than directed.
  - Do not take at the same time as aluminum or magnesium antacids.
  - Do not take with fruit juices (see Directions).
- Stop use and ask a doctor if an allergic reaction to this product occurs. Seek medical help right away.
- If pregnant or breast-feeding, ask a health professional before use.
- Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

## DIRECTIONS FOR USE

Age Group	Dosage
Adults and children 12 years of age and over	Take one 180 mg tablet with water once a day; do not take more than 1 tablet in 24 hours.
Children under 12 years of age	Do not use.
Adults 65 years of age and older	Ask a doctor.
Consumers with kidney disease	Ask a doctor.

Do not take with fruit juices. Fruit juices can reduce the effectiveness of fexofenadine.

**Take Allegra anytime  
for round the clock  
allergy relief**
