RUXINGX B0FX7XB1KT

RUXINGX Smart Watch Model B0FX7XB1KT User Manual

Your comprehensive guide to setup, operation, and maintenance.

1. Introduction

The RUXINGX Smart Watch is designed to enhance your daily life with advanced fitness and communication features. This manual provides essential information to help you get started and make the most of your device.

Key features include a long-lasting battery, Bluetooth calling, comprehensive health monitoring, and a wide array of sports modes.

2. What's in the Box

- Smart watch x 1
- Charging Cable x 1
- User Manual x 1
- Watch Band x 2

3. Setup

1. **Charge the Watch:** Before first use, ensure the watch is fully charged. Connect the magnetic charging cable to the back of the watch and plug the USB-A end into a compatible power adapter. A full charge typically takes about 2.5 hours.
2. **Download the App:** Scan the QR code in the user manual or on the watch screen to download the 'FitCloudPro' app from your smartphone's app store (iOS 9.0+ or Android 6.0+ required).

3. **Pair with your Smartphone:** Open the FitCloudPro app, create an account, and follow the on-screen instructions to pair your watch via Bluetooth. Ensure Bluetooth is enabled on your phone.
4. **Enable Notifications:** Within the FitCloudPro app settings, enable call and SMS notifications to receive alerts directly on your watch. Keep the app running in the background for uninterrupted alerts.

Image: Detailed instructions for configuring the FitCloudPro app to run in the background on both iOS and Android devices, ensuring continuous notifications and data synchronization.

4. Operating the Smart Watch

- **Touchscreen Navigation:** Swipe up, down, left, or right to access different menus, notifications, and quick settings.
- **Side Button:** Press the side button to return to the home screen or access the main menu.
- **Bluetooth Calls:** Answer calls directly from your wrist using the built-in speaker and microphone.
- **Smart Notifications:** Receive instant alerts for texts, emails, and social media apps (WhatsApp, Facebook, Instagram, Twitter).

5. Health Monitoring

The RUXINGX Smart Watch acts as your personal wellness guardian, providing 24/7 health tracking:

- **Heart Rate Monitoring:** Continuously tracks your heart rate throughout the day.
- **Sleep Tracking:** Monitors sleep stages (deep, light, REM) to help you understand and improve your sleep habits. Note: Sleep data is recorded between 9:30 PM and 12:00 PM; irregular sleep times may affect accuracy.
- **Stress Level Monitoring:** Helps you keep track of your stress levels.

- **Blood Oxygen Monitoring:** Measures your blood oxygen saturation (SpO2).
- **Breathing Training:** Guided breathing exercises to help you relax.

6. Sports Modes & Water Resistance

Train smarter with over 120 sports modes and robust water resistance:

- **120+ Sports Modes:** Supports a wide range of activities including running, swimming, yoga, hiking, and more. Track steps, calories, distance, and duration accurately.
- **GPS Tracking:** Utilizes your phone's GPS for accurate route tracking during outdoor activities.
- **5ATM Waterproof:** Designed to withstand water pressure equivalent to 50 meters, allowing you to swim, shower, or sweat without worry.

7. Customization

Personalize your smart watch to match your style:

- **300+ Customizable Dials:** Choose from a vast library of dynamic watch faces within the FitCloudPro app.
- **Personalized Watch Faces:** Upload your own photos to create unique watch faces.
- **1.85" HD Touchscreen:** Enjoy an ultra-clear display with adjustable brightness for optimal visibility in any lighting condition.

8. Battery Life & Charging

Experience extended usage with the powerful battery:

- **30+ Days Battery Life:** The 1000mAh battery provides up to 30 days of use on a single charge.
- **100 Days Standby:** Offers an impressive 100 days of standby time.
- **Fast Charging:** Fully charges in approximately 2.5 hours.

9. Maintenance

To ensure the longevity and optimal performance of your RUXINGX Smart Watch, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the watch screen and bands with a soft, dry cloth. For silicone bands, a mild soap and water solution can be used, followed by thorough rinsing and drying.
- **Avoid Extreme Conditions:** Do not expose the watch to extreme temperatures (hot or cold), direct sunlight for prolonged periods, or harsh chemicals.

- **Water Resistance:** While 5ATM waterproof, avoid prolonged submersion in hot water or exposure to high-pressure water jets. Ensure the watch is dry before charging.
- **Storage:** When not in use for an extended period, store the watch in a cool, dry place.

10. Troubleshooting

If you encounter any issues with your RUXINGX Smart Watch, refer to the following common solutions:

- **Watch Cannot Turn On:** Ensure the watch is fully charged. Press and hold the side button for at least 3 seconds. If the battery is completely depleted, it may take a few minutes for the screen to respond after connecting to the charger.
- **Bluetooth Disconnection:** Ensure Bluetooth is enabled on your smartphone and the watch is within range. Restart both your watch and smartphone, then attempt to re-pair via the FitCloudPro app.
- **Inaccurate Heart Rate/Blood Oxygen Data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Avoid excessive movement during measurements.
- **Sleep Data Not Accurate:** Ensure you wear the watch consistently during sleep. Note that sleep data is typically recorded between 9:30 PM and 12:00 PM.
- **Notifications Not Received:** Verify that call/SMS notifications are enabled in the FitCloudPro app and that the app is running in the background on your smartphone.

11. Specifications

Feature	Detail
Screen Size	1.85 Inches
Shape	Rectangular
GPS	GPS Via Smartphone
Battery Cell Composition	Lithium Polymer
Connectivity Technology	Bluetooth
Battery Capacity	1000 Milliamp Hours
Operating System Compatibility	iOS 9.0+ and Android 6.0+ smartphones
Memory Storage Capacity	128 MB
Item Weight	5 ounces
Water Resistance	5ATM

12. Warranty & Support

- **Return Policy:** 30 days no reason to return policy.
- **Replacement:** 2 years free replacement.
- **Technical Support:** Lifetime support and satisfied solutions.
- **Customer Service:** 24 hours quick service via email.
