## ASSEMBLY INSTRUCTIONS

This RoyalCraft TV Stand requires assembly. Clear, step-by-step installation instructions and all necessary accessories are included in the package. For optimal ease and safety, it is recommended that two people perform the assembly.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Compare each part with the provided parts list in the separate assembly guide to ensure everything is accounted for.
- 2. Prepare Workspace:** Select a spacious, level, and well-lit area for assembly. Ensure you have enough room to move around the unit.
- 3. Assemble the Base Frame:** Follow the diagrams in the assembly guide to construct the foundational base and lower frame of the TV stand.
- 4. Install Side Panels and Shelves:** Attach the main side panels and insert the adjustable shelves into their desired positions.
- 5. Construct Drawers:** Assemble the two side drawers according to the instructions, ensuring smooth operation.
- 6. Install Top Panel:** Securely fasten the vintage-style top panel to the assembled frame.
- 7. Insert Fireplace Unit:** Carefully slide the 28-inch electric fireplace insert into its designated central opening. Ensure it is properly seated and aligned.
- 8. Attach Doors:** Install the double-door design side cabinets, ensuring they open and close smoothly.
- 9. Install Anti-Tip Hardware:** For safety, attach the anti-tip hardware to the back of the TV stand and securely anchor it to a wall stud.
- 10. Final Checks:** Once assembly is complete, double-check that all screws and fasteners are tightened. Ensure the unit is stable and level before placing any items on it.

## MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your RoyalCraft TV Stand.

- Cleaning Surfaces:** Wipe all surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- Dusting:** Regularly dust the unit with a dry, soft cloth to prevent dust buildup.
- Fireplace Care:** Ensure the fireplace air intake and exhaust vents are kept clear of any obstructions. Refer to the separate electric fireplace manual for specific cleaning and maintenance instructions for the heating element and flame effects.
- Hardware Check:** Periodically inspect and re-tighten all assembly hardware (screws, bolts, etc.) to ensure the unit remains stable and secure.

## TROUBLESHOOTING

If you encounter any issues with your RoyalCraft TV Stand or electric fireplace, refer to the following common troubleshooting steps.

### Fireplace Not Turning On

- Verify that the power cord is securely plugged into a functional electrical outlet.
- Ensure the main power switch on the fireplace unit is in the "ON" position.
- Check the remote control batteries and replace them if necessary.
- Inspect your home's circuit breaker panel for any tripped breakers.

### No Heat Output

- Confirm that the heat function is activated on either the control panel or the remote.
- Ensure the set temperature is higher than the current ambient room temperature.
- Check for any obstructions blocking the heat vents. The unit features overheat protection and may temporarily shut off if airflow is restricted.

## Flames Not Visible

- Ensure the flame effect function is turned on.
- Adjust the flame brightness settings to a higher level.

## Unit is Unstable

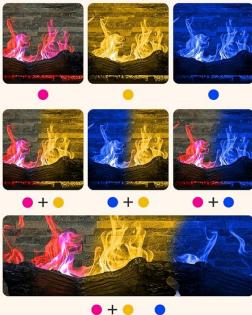

- Re-tighten all assembly screws and fasteners.
- Ensure the TV stand is placed on a flat, level, and stable surface.
- Verify that the anti-tip hardware is correctly installed and securely anchored to a wall stud.
