SODI Z01T

SODI Z01T Portable Tri-Fold Bluetooth Keyboard with Touchpad

USER MANUAL

Introduction

The SODI Z01T Portable Tri-Fold Bluetooth Keyboard with Touchpad is designed for users seeking a compact, versatile, and efficient typing solution across multiple devices. This manual provides essential information for setting up, operating, and maintaining your keyboard.

Package Contents

Verify that all items are present in your package:

- SODI Foldable Keyboard with Touchpad (x1)
- Folding Phone Stand (x1)
- 1.7ft USB-A to USB-C Cable (x1)
- User Manual (x1)
- Velvet Bag (x1)

Wide Compatibility

Universal compatibility with any device

Note: iOS 13.4 or below cannot support touchpad function.
Press FN+Q/W/E/R

The image displays all components included with the SODI Z01T Portable Tri-Fold Bluetooth Keyboard: the keyboard itself, a folding phone stand, a USB-C charging cable, the user manual, and a protective velvet bag.

Setup Instructions

Follow these steps to set up your SODI Z01T keyboard:

1. **Power On:** Slide the power switch to the 'ON' position. The power indicator light will illuminate.

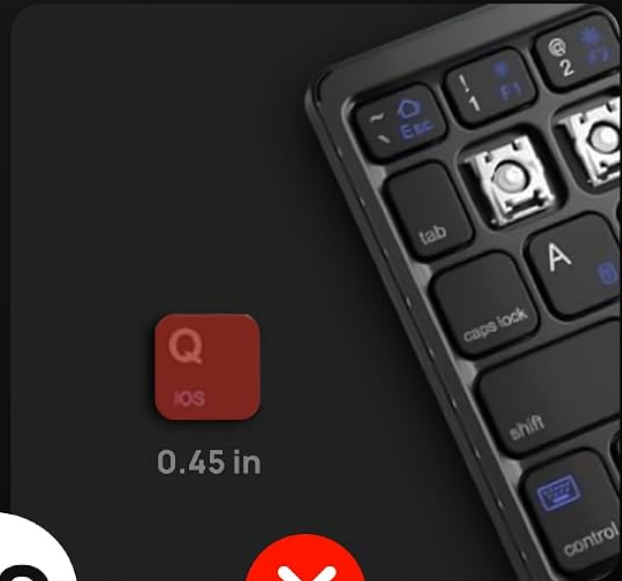

2. **Select Bluetooth Channel:** Press **Fn + BT1**, **Fn + BT2**, or **Fn + BT3** to select a Bluetooth channel. The corresponding BT indicator light will flash.
3. **Enter Pairing Mode:** Press and hold **Fn + C** for 3 seconds. The selected BT indicator light will flash rapidly, indicating it is in pairing mode.
4. **Pair with Device:** On your device (smartphone, tablet, laptop), go to Bluetooth settings and select 'SODI BT Keyboard' from the list of available devices.
5. **Match System:** After successful pairing, press **Fn + Q** for iOS, **Fn + W** for Android, **Fn + E** for Windows, or **Fn + R** for Mac to optimize keyboard and touchpad functionality for your operating system.

Standard Size Keycap & Smooth Typing

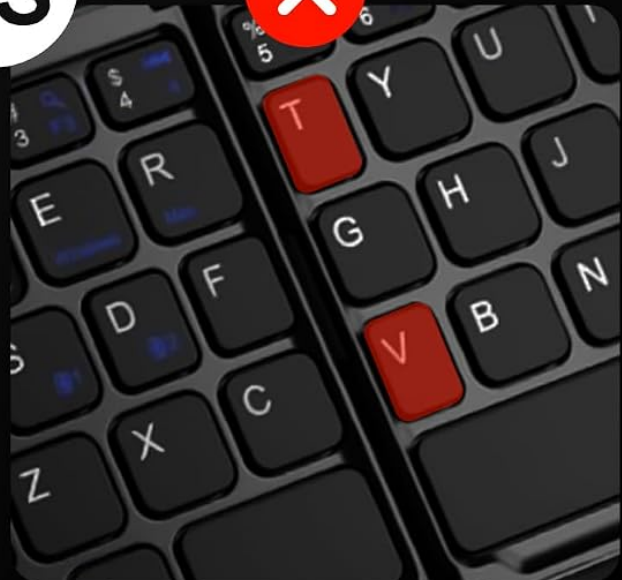

Larger keycap proportions refined for superior tactile response.

This video demonstrates the quick setup process for the SODI Z01T Tri-Fold Keyboard, showing how to power it on, select a Bluetooth channel, enter pairing mode, and connect it to a device.

Operating Instructions

Touchpad Functionality

The integrated touchpad mimics a standard laptop touchpad layout. To enable or disable the touchpad, press **Fn + Space**. Disabling the touchpad can prevent accidental input during typing.

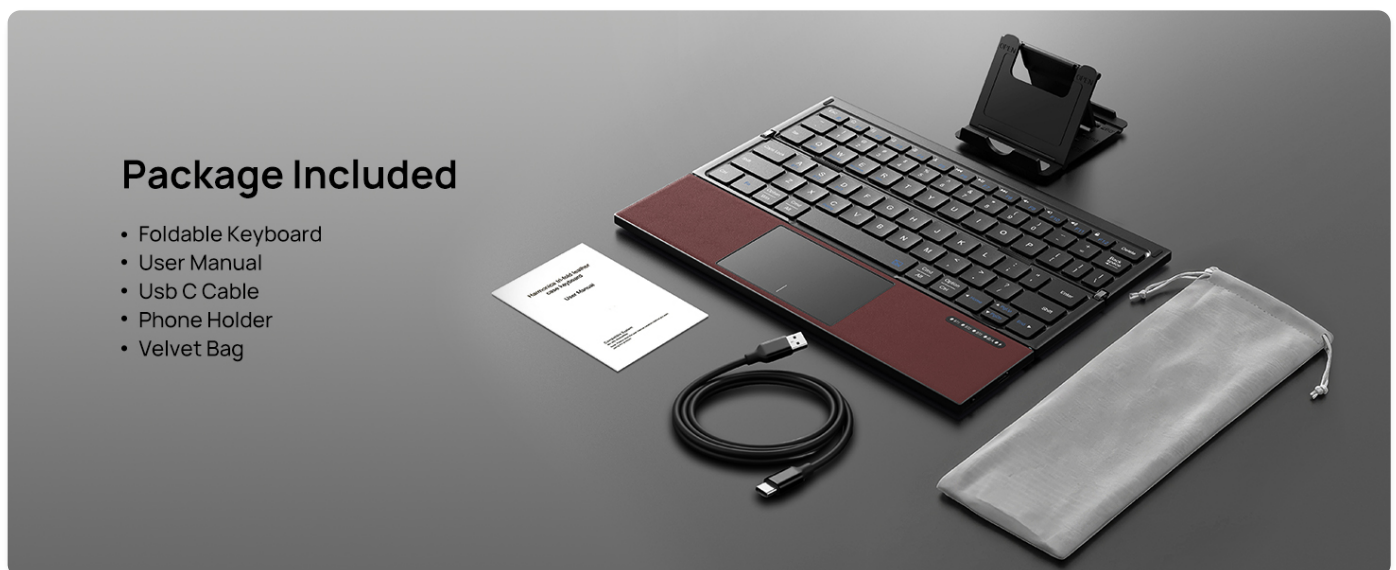

This image highlights the 'Fn + Space' key combination used to toggle the touchpad on or off, suggesting disabling it for focused typing.

Function Key Modes

The F1-F12 keys have dual functions:

- **Multimedia Functions:** Press F1-F12 directly for multimedia controls (e.g., volume, playback).
- **Standard Functions:** Press **Fn + F1-F12** for standard F-key functions.

To switch between these modes, press **Fn + ESC**. The indicator light will change color to confirm the mode switch (Purplish Blue for Caps Lock, Green for Fn+ESC).

This image explains the dual functionality of the F1-F12 keys, allowing direct access to multimedia controls or standard F-key functions by pressing 'Fn + ESC' to switch modes.

Charging and Battery

The keyboard is equipped with a Type-C charging port. Connect the provided USB-A to USB-C cable to charge the

device.

- **Battery Life:** Up to 150 hours of working time and 180 days of standby time on a full charge.
- **Auto-Sleep:** The keyboard automatically enters sleep mode after 30 minutes of inactivity to conserve power. Press any key to wake it up.

Indicator Lights

The keyboard features indicator lights to show status:

- **Bluetooth Indicator (BT1/BT2/BT3):** Flashes during pairing, turns off when connected.
- **Caps Lock Light (/A):** Displays Purplish Blue when Caps Lock is active.
- **Power Indicator (Lightning Bolt):** Displays Red when battery is low or charging, Green when fully charged.

Quick Guide

This diagram provides a guide to the keyboard's indicator lights, explaining the meaning of the Bluetooth channel lights, Caps Lock light, and the power/charging indicator.

Compatibility

The SODI Z01T keyboard offers wide compatibility with various operating systems:

- iOS (iPad, iPhone)
- Android (Smartphones, Tablets)
- Windows (Laptops, Desktops)
- Mac (MacBook, iMac)

*Note: For iOS versions 13.4 or below, touchpad functionality may not be fully supported. Ensure you press the correct system switching keys (**Fn + Q/W/E/R**) for optimal performance on your device.*

Business Stylish

Space-efficient design in premium PU leather, radiating executive elegance.

Specifications

Feature	Detail
---------	--------

Brand	SODI
Model Number	Z01T
Connectivity Technology	Bluetooth
Keyboard Description	Multimedia
Special Features	Foldable, Portable, Rechargeable, Trackpad
Color	Blackish red
Product Dimensions (L x W x H)	9.96" x 7.12" x 0.26"
Material	Aluminum, Plastic, Polybutylene Terephthalate, Polyurethane (PU)
Power Source	Battery Powered (Type-C Rechargeable)
Number of Keys	84
Keyboard Layout	QWERTY
Compatible Operating Systems	iOS, Android, Windows, Mac

Troubleshooting

- Keyboard not connecting via Bluetooth:**
Ensure the keyboard is powered on and fully charged. Verify that the correct Bluetooth channel (BT1, BT2, or BT3) is selected and the keyboard is in pairing mode (**Fn + C**). Check your device's Bluetooth settings to ensure 'SODI BT Keyboard' is selected and connected.
- Touchpad not responding:**
Confirm the touchpad is enabled by pressing **Fn + Space**. Also, ensure you have selected the correct operating system mode (**Fn + Q/W/E/R**) for optimal touchpad functionality. Note that iOS versions 13.4 or below may have limited touchpad support.
- Keys not functioning correctly or multimedia keys not working:**
Check the function key mode by pressing **Fn + ESC**. If you intend to use standard F-key functions, ensure you are pressing **Fn + F1-F12**.
- Keyboard unexpectedly folds or closes:**
The keyboard features a tri-fold design with magnetic closures. While designed for portability, it is not ideal for use on an uneven surface like a lap, as it may fold. Use on a flat, stable surface.
- No backlight:**
The SODI Z01T keyboard does not feature a backlight. Ensure adequate lighting in your environment when using the keyboard.

Maintenance

To ensure the longevity and optimal performance of your keyboard:

- Cleaning:** Use a soft, dry cloth to wipe the keyboard surface. For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid excessive moisture.
- Storage:** When not in use, fold the keyboard and store it in the provided velvet bag to protect it from dust and scratches.

- **Charging:** Charge the keyboard using the provided USB-C cable. Avoid using damaged cables or chargers.
- **Environmental Conditions:** Avoid exposing the keyboard to extreme temperatures, direct sunlight, or humid environments.

Warranty and Support

The SODI Z01T Portable Tri-Fold Bluetooth Keyboard comes with a 12-month manufacturer's warranty from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use.

For warranty claims, technical support, or any inquiries, please contact SODI customer service through the retailer where the product was purchased or visit the official SODI website for contact information.

ASK A QUESTION ABOUT THIS MANUAL
