dOvOb QS035

dOvOb Architectural Light House Micro Mini Building Set Instruction Manual

Model: QS035

1. INTRODUCTION

This manual provides detailed instructions for assembling and maintaining your dOvOb Architectural Light House Micro Mini Building Set. This set allows for the construction of a detailed lighthouse model, designed for display. Please read all instructions carefully before beginning assembly.

2. SAFETY INFORMATION

WARNING:

- This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- Adult supervision is recommended during assembly, especially for younger builders.
- Keep all packaging materials away from children.

3. PACKAGE CONTENTS

Verify that all components are present before starting assembly.

- 3668 Micro Building Blocks (various shapes and colors)
- Instruction Booklet

Image 1: The completed dOvOb Architectural Light House Micro Mini Building Set, showcasing the lighthouse tower, keeper's house, and rocky base.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step diagrams and instructions provided in the included instruction booklet. The assembly process is divided into several stages:

1. **Preparation:** Unpack all building blocks and sort them by color and shape to facilitate easier assembly. Ensure you have a clean, well-lit workspace.
2. **Base Construction:** Begin by assembling the base plate and the initial layers of the rocky coastal foundation. Refer to the instruction booklet for specific block placement.

BUILDING BLOCK

The product is based on the actual product.

Image 2: A detailed view of the base construction, showing the initial layers of the rocky island and the blue water base plate.

- 3. Keeper's House Assembly:** Construct the small keeper's house, paying attention to window and roof details. Attach it securely to the designated area on the rocky base.
- 4. Lighthouse Tower Construction:** Build the main lighthouse tower section by section, following the numerical order in the instructions. Ensure each layer is firmly connected.

LIGHTHOUSE MICRO BLOCKS SET

The product is based on the actual product.

Image 3: An individual carefully placing blocks during the assembly of the dOvOb lighthouse model, demonstrating the scale and detail involved.

- 5. Top Lantern and Details:** Complete the lighthouse by adding the lantern room, observation deck, and any remaining decorative elements such as trees or the small boat.
- 6. Final Check:** Review the completed model against the images in the instruction booklet to ensure all parts are

correctly placed and secured.

5. CARE AND MAINTENANCE

- **Cleaning:** To clean the model, gently wipe with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or warping of the plastic blocks.
- **Handling:** Handle the model with care, especially when moving it, to prevent accidental detachment of blocks.

6. TROUBLESHOOTING

- **Missing Pieces:** If you discover any missing blocks, please contact dOvOb customer support with details of the missing part (shape, color, and step number from the instructions).
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly and apply firm, even pressure. Avoid forcing blocks, which can cause damage.
- **Model Instability:** Double-check that all connections are secure and that blocks are fully pressed together. Refer back to the instruction booklet for any steps that may have been overlooked.

7. SPECIFICATIONS

Feature	Detail
Model Number	QS035
Brand	dOvOb
Number of Pieces	3668
Assembled Dimensions (L x W x H)	9.45 x 7.87 x 14.17 inches
Item Weight	1.6 pounds
Recommended Age	12 years and up
Material	Plastic
