Simple Houseware BO-52H-RZ

Simple Houseware Heavy-Duty Christmas Ornament Storage Box (Model BO-52H-RZ) User Manual

1. PRODUCT OVERVIEW

The Simple Houseware Heavy-Duty Large Christmas Ornament Storage Box, Model BO-52H-RZ, is designed to protect and organize your holiday ornaments. This storage solution features a robust construction and adjustable compartments to accommodate various ornament sizes, ensuring your decorations remain safe and dust-free during off-season storage.

Key Features:

- Stores up to 128 standard 3" x 3" x 3" ornaments.
- Adjustable dividers for custom compartment sizing.
- Heavy-duty cardboard panels for structural rigidity.
- Dual-zippered fabric lid for dust protection.
- Reinforced handles for secure transport.
- Two rear pockets and a front card slot for additional storage and labeling.

2. PACKAGE CONTENTS

Verify that all components are present in the package:

- 1 x Simple Houseware Ornament Storage Box (Red)
- 48 x Interlocking Cardboard Dividers
- 8 x Cardboard Base Boards (for trays)

Image 2.1: Illustration of the 48 dividers and 8 base boards included for compartment assembly.

3. SETUP INSTRUCTIONS

Follow these steps to assemble your ornament storage box:

1. **Unfold the Storage Box:** Carefully unfold the main storage box structure. Ensure all sides are upright and the base is flat.
2. **Assemble the Trays:** The box includes multiple trays. For each tray, insert the provided cardboard base board into the bottom.
3. **Insert Dividers:** Take the 48 interlocking cardboard dividers. Each divider has 7 slots. Interlock them to create individual compartments within each tray. The default configuration creates 3" x 3" x 3" compartments.
4. **Customize Compartment Size:** To fit larger or irregularly shaped ornaments, adjust the divider placement by removing or repositioning them. This allows for larger custom-sized sections.
5. **Place Trays into Box:** Once dividers are assembled in the trays, carefully place the filled trays into the main storage box.

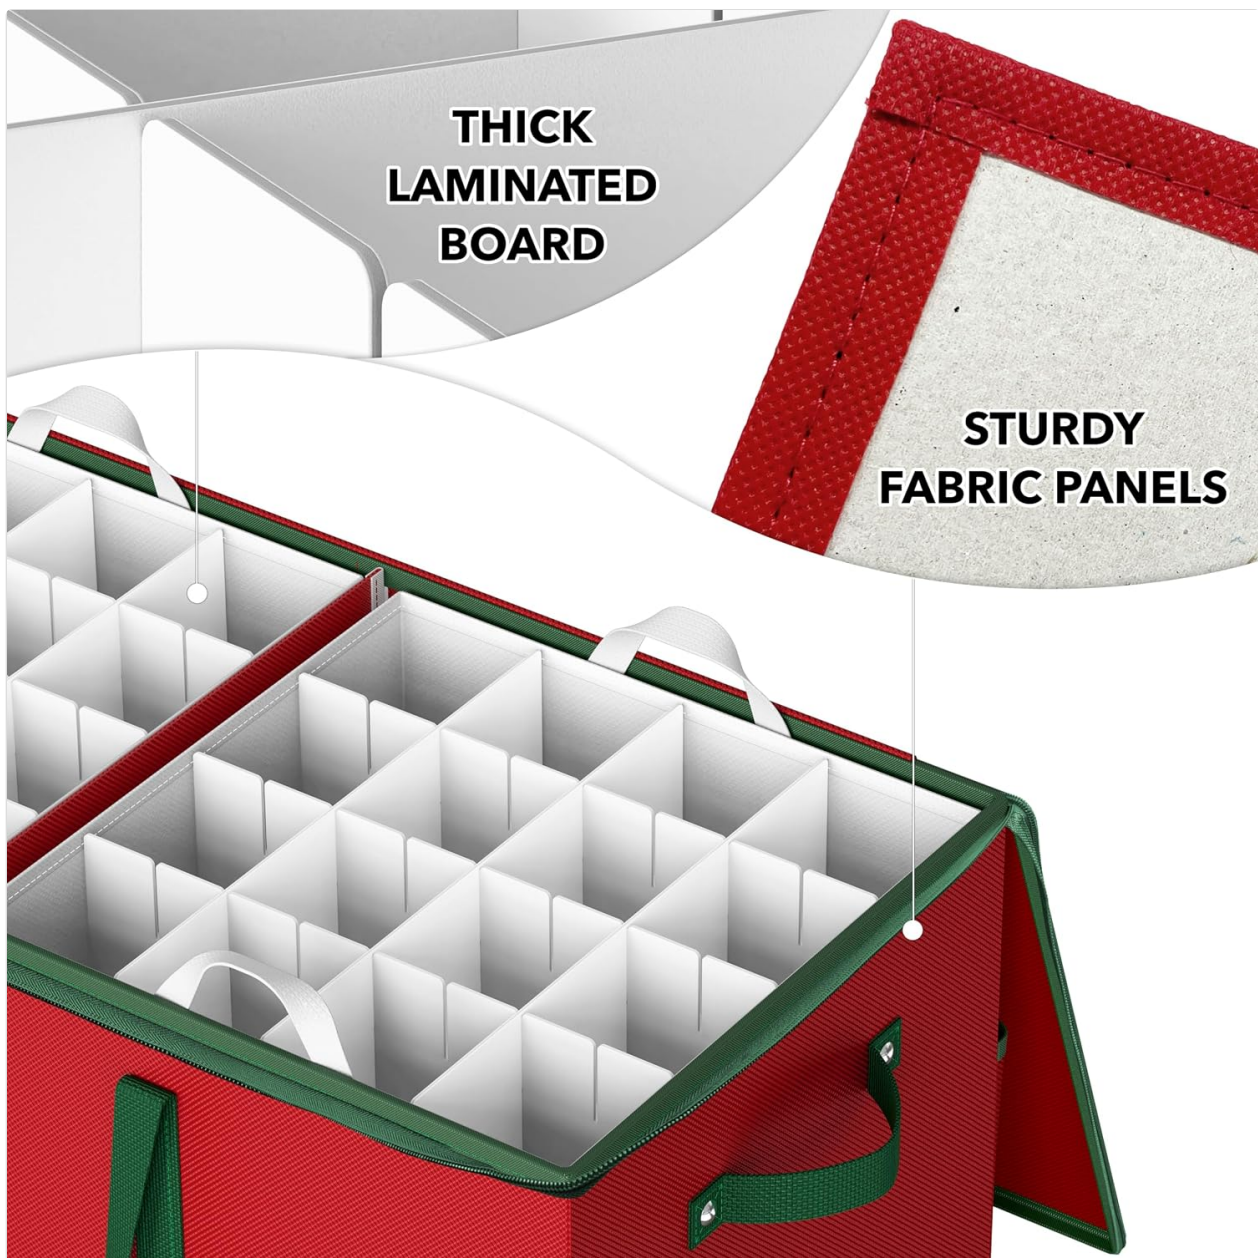

Image 3.1: Detail showing the thick laminated board and sturdy fabric panels that form the structure of the dividers and box.

4. OPERATING INSTRUCTIONS

Proper use of the storage box ensures maximum protection for your ornaments:

1. **Loading Ornaments:** Place ornaments gently into the individual compartments. Utilize the adjustable dividers to create appropriate sizes for different ornaments. Standard 3" x 3" x 3" compartments are suitable for most ball ornaments.
2. **Using Extra Storage Pockets:** The two rear pockets can hold flat decorations, bags, or cards.
3. **Labeling:** Insert a label into the clear card slot on the front of the box to easily identify contents.
4. **Closing the Lid:** Secure the contents by closing the dual-zippered fabric lid. This protects ornaments from dust and debris.
5. **Transporting the Box:** Use the durable side handles or the comfort-grip long handles with Velcro wrap for secure and comfortable lifting.

5. MAINTENANCE

To ensure the longevity and effectiveness of your ornament storage box:

- **Cleaning:** Wipe the exterior fabric with a damp cloth as needed. Do not submerge in water.
- **Storage:** Store the box in a dry, cool environment to preserve the integrity of the cardboard components and fabric. Avoid prolonged exposure to direct sunlight or extreme temperatures.
- **Inspection:** Periodically inspect the box and dividers for any signs of wear or damage. Replace components if necessary to ensure continued protection for your ornaments. The reinforced 600D polyester material is designed for abrasion resistance.

48 DIVIDERS WITH 7 SLOTS EACH

Adjustable for Different Ornament Sizes

6. TROUBLESHOOTING

Common issues and their solutions:

- **Dividers feel flimsy:** Ensure all interlocking dividers are fully seated and connected. The cardboard panels provide the primary structure; the dividers create separation. For added stability, ensure the base boards are correctly inserted into each tray.
- **Ornaments do not fit:** Utilize the adjustable divider feature. Remove some dividers to create larger compartments for oversized ornaments.
- **Zipper is stiff:** Apply a small amount of zipper lubricant or wax to the zipper teeth to improve smooth operation. Avoid forcing the zipper.

7. SPECIFICATIONS

Feature	Detail
