Merax HA-2034

Merax Wood Hall Tree Instruction Manual

Model: HA-2034

Brand: Merax

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Always assemble according to the instructions provided.
- Be cautious of sharp edges during handling and assembly.
- Do not overload the product to prevent tipping.
- Keep away from children when assembling to avoid injury from small parts or tools.
- Ensure the product is placed on a flat, stable surface.

PRODUCT OVERVIEW

The Merax Wood Hall Tree is a versatile entryway organizer designed to enhance the functionality of your space. It integrates a seating bench, storage drawers, hanging hooks, and open storage compartments, providing a comprehensive solution for organizing coats, shoes, and other items.

Image: Merax Wood Hall Tree in a typical entryway setting, showcasing its organizational capabilities with various items.

This unit features a 4-in-1 design:

- **Open Storage Space:** Upper compartments for decorative items or frequently accessed essentials.
- **Hanging Hooks:** Multiple hooks for coats, hats, scarves, and bags.
- **Seating Bench:** A sturdy bench for comfortable seating while putting on or taking off shoes.
- **Storage Drawers:** Two large drawers beneath the bench for concealed storage of smaller items.

Multifunctional 4-in-1 Design

This hall tree integrates seating bench, storage drawers, hanging hooks and open storage space, significantly enhancing the functionality of this product.

PACKAGE CONTENTS

Before beginning assembly, please ensure all parts and hardware are present. Refer to the detailed parts list included in your product packaging. If any components are missing or damaged, please contact Merax customer support.

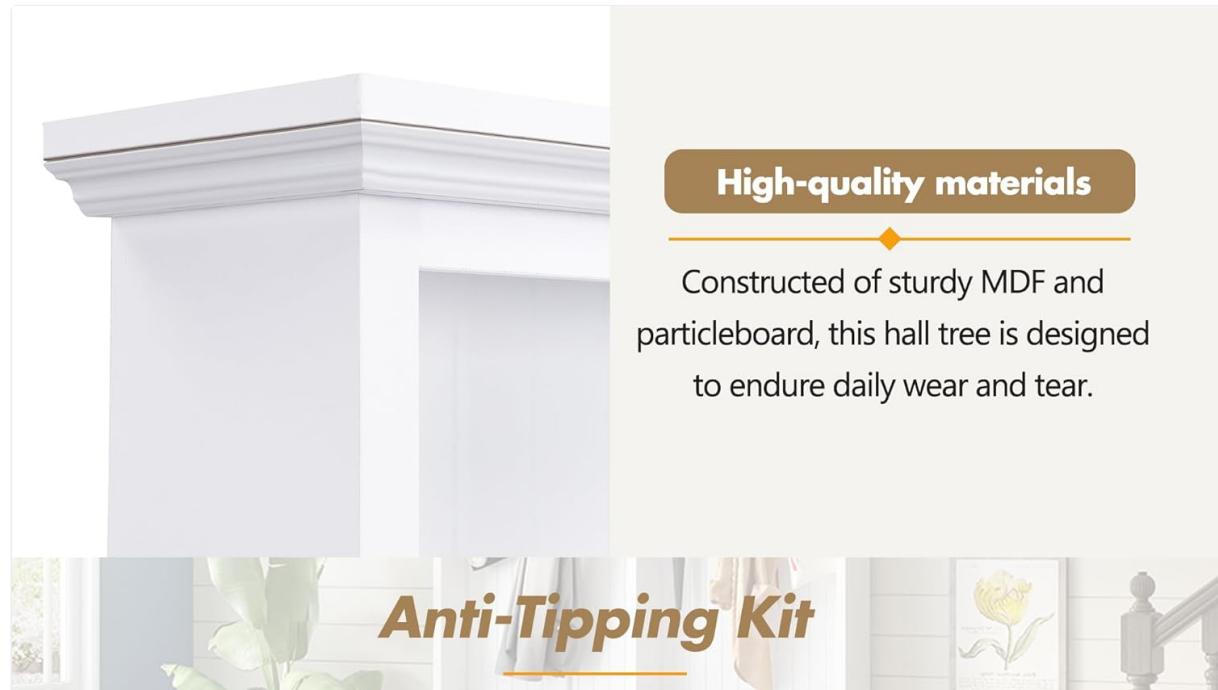

Typically, the package includes:

- Main hall tree panels (back panels, side panels, top panel, bench panel, drawer panels)
- Hanging hooks
- Drawer slides and handles
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tipping kit
- Assembly instructions manual

SETUP (ASSEMBLY INSTRUCTIONS)

Assembly typically requires two adults. Basic tools such as a screwdriver and hammer may be needed. Follow the step-by-step instructions provided in the separate assembly manual included with your product.

- Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part by comparing it to the parts list in your manual.
- Assemble Base Unit:** Begin by assembling the base frame and drawer components according to the instructions.
- Attach Back Panels:** Secure the back panels to the assembled frame.
- Install Upper Structure:** Assemble and attach the upper storage compartments and side panels.
- Mount Hooks:** Securely attach the hanging hooks to the designated areas.
- Install Drawers:** Insert the assembled drawers into their respective slots, ensuring smooth operation.
- Install Anti-Tipping Kit:** For safety, it is crucial to install the anti-tipping device. Securely anchor the hall tree to a wall using the provided hardware. This prevents accidental tipping and potential injury.

High-quality materials

Constructed of sturdy MDF and particleboard, this hall tree is designed to endure daily wear and tear.

Anti-tipping Device

This product is equipped with an anti-tipping device, allowing the entryway cabinet to be securely anchored to the wall.

OPERATING INSTRUCTIONS

The Merax Wood Hall Tree is designed for convenient organization in your entryway or mudroom.

- Using the Hooks:** Hang coats, jackets, hats, scarves, and bags on the sturdy hooks. Distribute weight evenly to maintain stability.
- Seating Bench:** Use the spacious wooden bench for sitting while changing shoes. Avoid standing on

the bench or placing excessively heavy items on it.

- **Storage Drawers:** Utilize the two large drawers for storing smaller items such as gloves, keys, pet leashes, or shoe care products. Ensure drawers close smoothly without obstruction.
- **Open Storage Compartments:** The upper shelves are ideal for displaying decorative items, storing books, or placing frequently used items like wallets or sunglasses.

Convenient Bench & Large Storage

The spacious wooden bench is perfect for changing shoes or taking a leisurely rest.

While the two large drawers beneath the bench are ideal for storing your essentials.

Sturdy hooks and four upper storage compartments assist in maintaining a tidy and well-organized household.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your hall tree.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish. Dry immediately with a clean cloth.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Tighten if necessary to maintain stability.
- **Avoid Moisture:** Protect the unit from excessive moisture and direct sunlight to prevent warping or fading.
- **Weight Distribution:** Always distribute weight evenly across hooks and shelves to prevent stress on the structure.

TROUBLESHOOTING

If you encounter any issues with your Merax Wood Hall Tree, refer to the following common solutions:

- **Unit is Wobbly:**

- Ensure all assembly hardware is securely tightened.
- Verify the unit is placed on a level surface. Adjust if necessary.
- Confirm the anti-tipping kit is properly installed and anchored to the wall.

- **Drawers Do Not Slide Smoothly:**

- Check that the drawer slides are correctly aligned and installed.
- Ensure no foreign objects are obstructing the drawer runners.
- Verify that the drawer box is assembled squarely.

- **Missing Parts or Damaged Components:**

- Carefully re-check all packaging materials.
- Contact Merax customer support with your product model number and a description of the issue.
