6.1. Adjustable Shelves

The interior shelves in the cabinet sections are adjustable to accommodate items of various heights. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove the shelf pins from their current holes.
3. Insert the shelf pins into the desired new set of holes, ensuring they are level on both sides.
4. Place the shelf back onto the pins, ensuring it is securely seated.

The three drawers operate on smooth-gliding runners. To open, gently pull the top edge of the drawer front. To close, push the drawer until it is fully seated within the cabinet frame.

The integrated charging station provides convenient power access for small kitchen appliances and mobile devices.

- **Power Connection:** Ensure the cabinet's power cord (if applicable, typically for the charging station) is plugged into a grounded wall outlet.

7. Maintenance and Care

Proper care will help maintain the appearance and longevity of your Garvee Kitchen Pantry Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for wood or laminate surfaces. Dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, ammonia-based products, or solvents, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the material.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten as necessary to maintain stability.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable room temperature and humidity.

If you encounter any issues with your Garvee Kitchen Pantry Cabinet, refer to the following common problems and solutions:

Ensure the cabinet's power cord is securely plugged into a working wall outlet. Test the wall outlet with another device. Check your home's circuit breaker. Verify device compatibility and power requirements.
