2. PRODUCT FEATURES

- **Open Speaker Design:** Enjoy audio while remaining aware of your environment. Integrated speakers provide sound without blocking your ears, ideal for outdoor activities.
- **UV400 Polarized Lenses:** Lenses block glare and provide 100% UV protection, suitable for various lighting conditions.
- **Integrated Microphone:** Built-in microphone for clear hands-free calls.

- **Multi-Function Button (MFB):** Control music playback, calls, and voice assistant activation with a single button.
- **Lightweight and Durable:** Constructed from TR90 material for the frame and PC material for the temples, weighing approximately 37g for comfortable all-day wear.
- **Long Standby Time:** Up to 100 hours of standby time with a 130mAh battery.
- **IPX4 Water Resistance:** Designed to withstand sweat and light rain.

Image: Key features of the AIRMARS Smart Glasses including 3D stereo sound, comfortable fit, IPX4 water resistance, Bluetooth 5.4, 100-hour standby time, and Type-C charging.

3. PACKAGE CONTENTS

Ensure all items are present in the package:

- AIRMARS Smart Glasses
- Charging Cable (Type-C)
- User Manual (this document)

4. SETUP

4.1 Initial Charging

Before first use, fully charge your AIRMARS Smart Glasses. Connect the provided Type-C charging cable to the charging port on the glasses and to a USB power source. The charging indicator light will show the charging status. A full charge takes approximately 1 hour.

100H Standby Time

Image: Battery performance details: 1 hour charging for 100 hours standby, 4 hours call time, or 5 hours music playback.

4.2 Bluetooth Pairing

1. **Power On:** Press and hold the Multi-Function Button (MFB) on the glasses for 3 seconds until you hear a power-on prompt and the indicator light flashes.
2. **Activate Bluetooth:** On your smartphone or device, enable Bluetooth.
3. **Search for Device:** In your device's Bluetooth settings, search for available devices. The glasses will appear as "AIRMARS".
4. **Connect:** Select "AIRMARS" from the list to pair. Once connected, you will hear a confirmation sound, and the indicator light will change.

The glasses support Bluetooth 5.4 and are compatible with iOS, Android, and Windows devices.

Bluetooth 5.4 Connection

Compatible with any devices has bluetooth function

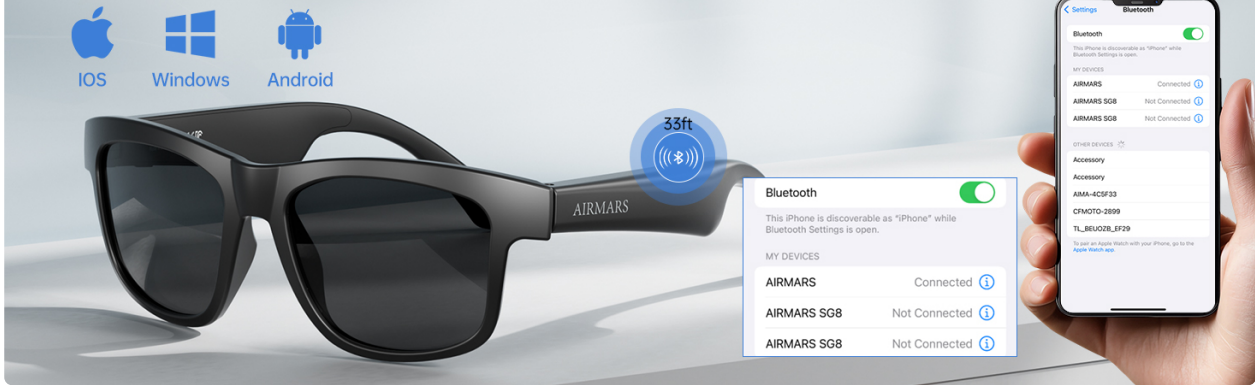

Image: Bluetooth 5.4 connection process, illustrating compatibility with iOS, Windows, and Android devices, and a phone showing successful pairing.

5. OPERATING INSTRUCTIONS

The AIRMARS Smart Glasses feature a Multi-Function Button (MFB) for various controls. Refer to the diagram below for button location and functions.

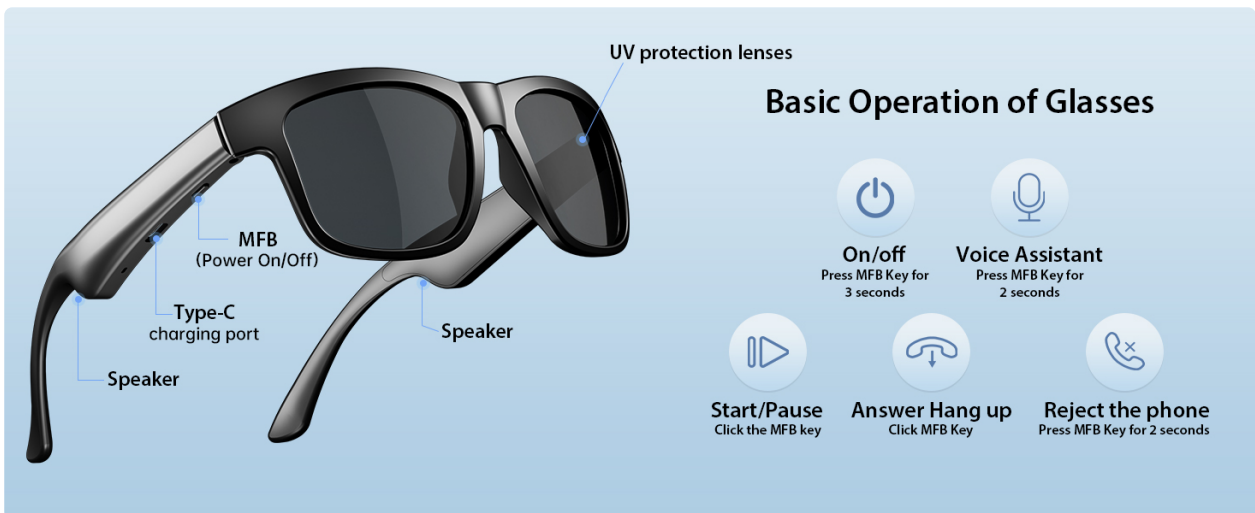

Image: Detailed diagram of the glasses' components (MFB, Type-C port, speakers, UV protection lenses) and basic operations: On/Off, Voice Assistant, Start/Pause, Answer/Hang Up, Reject Phone.

Multi-Function Button (MFB) Operations

Action	Function
Press MFB for 3 seconds	Power On/Off
Press MFB for 2 seconds	Activate Voice Assistant (e.g., Siri, Google Assistant)
Click MFB	Start/Pause Music
Click MFB	Answer/Hang up Call
Press MFB for 2 seconds	Reject Incoming Call

6. MAINTENANCE

- **Cleaning:** Use a soft, clean cloth to wipe the lenses and frame. Avoid abrasive materials or harsh chemicals that may damage the lenses or coating.
- **Storage:** Store the glasses in their protective case when not in use to prevent scratches and damage. Avoid exposing them to extreme temperatures.
- **Water Resistance:** The glasses are IPX4 rated, meaning they are resistant to splashing water and sweat. Do not submerge them in water or expose them to heavy rain. Dry them thoroughly if they get wet.

7. TROUBLESHOOTING

If you encounter issues with your AIRMARS Smart Glasses, refer to the following common solutions:

1. **Cannot Power On:** Ensure the glasses are fully charged. Connect them to the charging cable and allow at least 15 minutes before attempting to power on again.
2. **Cannot Pair with Device:**
 - Ensure Bluetooth is enabled on your device and the glasses are in pairing mode (indicator light flashing).
 - Move the glasses closer to your device (within 10 meters or 33 feet).
 - Turn off and on the Bluetooth on your device, then try searching again.
 - If previously paired, try "forgetting" or "unpairing" the device from your phone's Bluetooth list and then re-pairing.
3. **No Sound or Low Volume:**
 - Check the volume level on both your connected device and the glasses.
 - Ensure the glasses are properly connected via Bluetooth.
 - Verify that the audio output on your device is set to the AIRMARS glasses.
4. **Intermittent Connection:**
 - Ensure there are no obstructions between the glasses and your device.
 - Avoid strong electromagnetic interference.
 - Keep the glasses within the effective Bluetooth range.
5. **Voice Assistant Not Responding:** Ensure the glasses are connected to your device and the voice assistant is enabled on your phone. Press the MFB for 2 seconds as instructed.

9. SAFETY INFORMATION

- Do not attempt to disassemble, repair, or modify the device. This may void the warranty and cause damage.

- Keep the device away from extreme heat, direct sunlight, and open flames.
- Avoid exposing the device to strong magnetic fields.
- Do not use the glasses while driving or operating heavy machinery if it distracts you from safe operation. Always prioritize safety.
- Dispose of batteries and electronic components according to local regulations.

10. WARRANTY AND SUPPORT

AIRMARS products come with a standard manufacturer's warranty. For detailed warranty information, please refer to the warranty card included in your package or visit the official AIRMARS website.

For technical support, troubleshooting assistance, or any questions regarding your AIRMARS Smart Glasses, please contact AIRMARS customer service through the contact information provided on our official website or your purchase platform.
