2. SAFETY INFORMATION

Warning: Please read the assembly instructions carefully before assembling the shelf. Failure to follow these instructions may result in injury or damage to the product.

- Ensure the shelf is stable and secure on a level surface before placing any items on it.
- Do not exceed the indicated weight limits for each shelf to prevent collapse or damage.
- Keep small parts and packaging materials away from children to avoid choking hazards.
- Avoid climbing on or hanging from the shelf.
- Regularly check all connections and fasteners to ensure they remain tight and secure.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal frame components (chromed, Ø16mm)
- Powder-coated shelves (0.5mm thick)
- Adjustable plastic feet
- Assembly hardware (connectors, screws, etc.)
- Detailed assembly instructions (included in packaging)

4. SETUP (ASSEMBLY)

The Floordirekt Epure MK-040 features a modular interlocking system designed for straightforward assembly. For detailed, step-by-step instructions, please refer to the dedicated assembly guide included in your product packaging.

General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Familiarize yourself with the different frame components, shelves, and hardware.
3. **Assemble Frame:** Connect the metal frame components according to the assembly guide, ensuring all connections are secure.
4. **Install Shelves:** Place the powder-coated shelves into the designated slots or attach them to the frame as instructed.
5. **Attach Feet:** Screw in the adjustable plastic feet to the bottom of the frame.
6. **Final Check:** Ensure all parts are correctly assembled and tightened. Adjust the feet to level the shelf on uneven floors.

6. MAINTENANCE

To ensure the longevity and appearance of your Floordirekt Epure MK-040 shelf, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild soap solution and then wipe dry immediately.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the chrome finish and powder coating.
- **Regular Checks:** Periodically inspect all connections and fasteners to ensure they are tight. Re-tighten if necessary.
- **Spills:** Clean up spills immediately to prevent staining or damage to the finish.

7. TROUBLESHOOTING

If you encounter any issues with your Floordirekt Epure MK-040 shelf, refer to the following common troubleshooting tips:

- **Shelf is Unstable/Wobbly:**
 - Ensure the shelf is on a flat, level surface.
 - Adjust the height of the plastic feet to compensate for uneven floors.
 - Check all assembly connections and tighten any loose screws or connectors.
- **Difficulty Assembling:**
 - Refer to the detailed assembly instructions provided in the packaging.
 - Ensure you are using the correct parts for each step.
 - Do not force components; if they don't fit, re-check the instructions.
- **Damaged or Missing Parts:**
 - Do not attempt to assemble with damaged or missing parts.
 - Contact customer support for assistance and replacement parts.
