## KEY FEATURES

- **155° Reclining Function:** The backrest can recline between 90° (upright working position) and 155° (fully reclined for rest), with a 3-inch adjustable seat height range.
- **Retractable Footrest:** A built-in footrest can be extended for leg support during relaxation or retracted when not in use.
- **Ergonomic Design:** Features a high back with integrated neck, back, lumbar, and hip support for optimal comfort. Includes a separate lumbar support pillow.
- **Premium Materials:** Upholstered in high-quality, skin-friendly, soft, and easy-to-clean PU leather. The seat cushion includes ventilation holes for breathability.
- **Durable Construction:** Equipped with SGS certified gas lift and a BIFMA certified heavy-duty base, supporting up to 300 lbs. Mute nylon casters ensure smooth and silent movement.
- **Customized Armrests:** Mold-customized metal armrests provide sturdy support and adjust with the reclining angle.
- **360° Swivel:** Allows for unrestricted movement and easy access to different areas of your workspace.

## OPERATING INSTRUCTIONS

- **Adjusting Seat Height:** Locate the 'LIFT' lever under the seat. Pull the lever up to raise the seat; release to lock at the desired height. To lower, sit on the chair and pull the lever up.
- **Reclining the Backrest:** Locate the 'LOCK' lever under the seat. Pull the lever out to unlock the recline function. Lean back to the desired angle (between 90° and 155°) and push the lever in to lock the backrest in place.
- **Extending/Retracting Footrest:** The footrest is located beneath the seat. Pull it out when needed for leg support and push it

back in to store it.

- **Swivel Function:** The chair features a 360° swivel base, allowing for free rotation.
