## 2. Setup and Assembly

This bed frame requires assembly. Please follow the included assembly instructions carefully. It is recommended to have at least two people for assembly to ensure safety and efficiency. All necessary components and tools are provided.

### Before You Begin:

- Verify all packages have arrived. The bed frame is typically shipped in two separate boxes.
- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Familiarize yourself with the parts list and hardware.
- Ensure you have adequate space for assembly.

### Assembly Notes:

- No box spring is required for this platform bed frame. Your mattress will rest directly on the solid wood slats.
- Tighten all screws and bolts securely, but avoid over-tightening to prevent damage to the wood.
- Refer to the detailed step-by-step instructions provided in the packaging for specific assembly procedures.

## 4. Care and Maintenance

Proper care and maintenance will extend the life and appearance of your ACCOHOHO bed frame.

### General Cleaning:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- Dust regularly with a dry, soft cloth.
- For spills, blot immediately with a clean, dry cloth.

### Structural Maintenance:

- Periodically check all bolts and screws to ensure they are tight. Re-tighten as necessary to maintain stability.
- Avoid dragging the bed frame when moving it; lift it to prevent damage to the frame and your flooring.

### Electrical Components (LED & Charging Station):

- Ensure the power cord is not pinched or damaged.
- If the LED lights or charging station malfunction, check the power connection. Do not attempt to repair electrical

components yourself. Contact customer support for assistance.

## 5. Safety Information

Please adhere to the following safety guidelines to prevent injury or damage to the product.

- **Weight Limit:** Do not load more than 800 pounds onto the bed frame. Exceeding this limit may compromise the structural integrity and lead to collapse.
- **Sharp Edges:** Be careful around sharp edges on the headboard during assembly and use.
- **Children:** Supervise children around the bed frame, especially concerning the drawers and headboard compartments, to prevent pinching or entrapment.
- **Electrical Safety:** Do not overload the charging station. Use only appropriate devices and cables. Keep liquids away from electrical outlets.
- **Assembly:** Ensure all parts are correctly assembled and tightened before use. Do not use the bed frame if any parts are missing or damaged.

## 6. Troubleshooting

If you encounter any issues with your bed frame, refer to the following common solutions:

### Loose or Wobbly Frame:

- Check all bolts and screws. Re-tighten any loose fasteners.
- Ensure the bed frame is on a level surface.

### LED Lights Not Working:

- Verify the power cord for the bed frame is securely plugged into a working outlet.
- Check the connection of the LED strip to its power source within the headboard.
- Ensure the remote control has working batteries and is pointed directly at the receiver.

### Charging Station Not Functioning:

- Confirm the bed frame is plugged into a live power outlet.
- Test with different devices and cables to rule out device-specific issues.
- Ensure the charging station's internal connections are secure (if accessible and safe to check).

For issues not covered here or if troubleshooting steps do not resolve the problem, please contact ACCOHOHO customer support.
