ACCOHOHO LM109-SERIES

ACCOHOHO Farmhouse Full Size Bed Frame with Storage Headboard and LED Light

Model: LM109-SERIES

INTRODUCTION

Thank you for choosing the ACCOHOHO Farmhouse Full Size Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information

- **Maximum Load Capacity:** Do not load more than 800 pounds on the bed frame.
- **Sharp Edges:** Exercise caution around sharp edges on the headboard during assembly and use.
- **Assembly:** Assembly requires multiple steps and can be time-consuming. It is recommended to have at least two adults for assembly. Do not use power tools unless explicitly stated in the detailed assembly instructions provided with the product packaging.
- **Mattress Compatibility:** This bed frame is designed for a full-size mattress. No box spring is needed.

PARTS LIST

Before assembly, ensure all components are present and undamaged. Refer to the detailed parts list included in your product packaging for specific identifiers and quantities. Common components include:

- Headboard panels (52" tall)
- Bed frame side rails
- Footboard panel
- Wooden slats for mattress support
- 4 under-bed storage drawers
- LED light strip and remote control
- Charging station unit (with 110V/12A AC outlets and 5V/2A USB ports)
- Assembly hardware (screws, bolts, connectors, etc.)

SETUP AND ASSEMBLY

Assembly of this bed frame is a multi-step process. Follow the numbered instructions provided in your product's dedicated assembly manual. Below is a general overview and key considerations:

General Assembly Steps:

1. **Unpack and Organize:** Carefully unpack all boxes. Lay out all parts and hardware on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Headboard:** Begin by assembling the 52-inch tall headboard components. This includes attaching the main panels, internal shelves, and the charging station unit.
3. **Install LED Light Strip:** Secure the LED light strip within the designated channel in the headboard. Connect it to the power source as per instructions.
4. **Construct Bed Frame Base:** Attach the side rails and footboard to the assembled headboard. Ensure all connections are secure.
5. **Install Slats:** Place and secure the wooden slats across the bed frame to create a sturdy platform for your mattress.
6. **Assemble and Insert Drawers:** Assemble the four under-bed storage drawers and slide them into their designated compartments beneath the bed frame.

OPERATING INSTRUCTIONS

LED Light Operation

The headboard features an integrated LED light strip with 16 color options and 4 dynamic modes. Use the included remote control to:

- Turn the lights On/Off.
- Select desired color.
- Choose from various dynamic lighting modes.
- Adjust brightness levels.

Figure 4: Detail of the LED light strip.

Charging Station Usage

The integrated charging station in the headboard provides convenient power access:

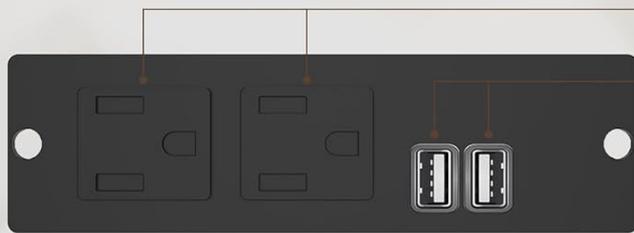

- Plug in devices to the 110V/12A AC outlets.
- Connect USB-powered devices to the 5V/2A USB ports.
- Ensure the bed frame is properly connected to a wall outlet for the charging station to function.

Storage Features

This bed frame offers extensive storage solutions:

- **Headboard Storage:** The 52-inch tall headboard includes open shelves and two hinged barn-door style storage cabinets. These are ideal for books, decor, and personal items.
- **Under-Bed Drawers:** Four hidden drawers (two on each side) provide additional storage for linens, clothing, or other bedroom essentials. These drawers can be quickly disassembled if needed.

2 Storage Cabinets with Barn Doors

The oversized headboard features two hinged barn door-style storage cabinets, providing extra storage space to keep your belongings organized and protected from damage.

4-Under-Bed Storage Drawers

Designed with 2 drawers on each side, it offers perfect storage space for your bed sheets, accessories, clothes, etc. The 4 drawers allow you to manage your bedroom optimally. In addition, the drawers can be quickly disassembled.

MAINTENANCE

To ensure the longevity and appearance of your bed frame:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Tighten as necessary to maintain structural integrity.
- **LED Lights:** If LED lights malfunction, check connections. If issues persist, contact customer support.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Problem	Possible Cause	Solution
Bed frame feels unstable or squeaks	Loose hardware; uneven assembly.	Check and tighten all screws and bolts. Ensure the bed is on a level surface.
LED lights not working	Power connection issue; faulty remote; damaged strip.	Verify power connection to the bed frame. Check remote battery. Ensure LED strip is properly connected. Contact support if problem persists.
Charging station not providing power	Bed frame not plugged into wall outlet; internal wiring issue.	Confirm the bed frame's power cord is securely plugged into a functional wall outlet. If still not working, contact customer support.
Drawers do not slide smoothly	Misaligned runners; obstruction.	Ensure drawers are assembled correctly and runners are aligned. Check for any objects obstructing the drawer path.

SPECIFICATIONS

Feature	Detail
