2. WHAT'S IN THE BOX

Upon unboxing your GooDee AC201 Mini Smart Projector, please ensure all the following items are included:

- Power Cord
- Cleaning Kit
- HDMI Cable

- Projector and Lens Cover
- Remote Control

3. SETUP GUIDE

3.1 Physical Placement

Place the projector on a stable, flat surface. The GooDee AC201 features a 0.98:1 short-throw ratio, allowing for a large screen even in small spaces. It can be placed just inches from the wall. The projector also includes a standard tripod mount for flexible positioning on a tripod or ceiling mount (accessories sold separately).

3.2 Power Connection

Connect the provided power cord to the projector's power input port and then plug it into a wall outlet. Press the power button on the top of the projector or on the remote control to turn it on.

3.3 Network Connection (Wi-Fi & Bluetooth)

The projector supports Next-Gen WiFi 6 for stable streaming and Bluetooth 5.4 for audio connectivity. Navigate to the 'Settings' menu on the home screen to connect to your preferred Wi-Fi network and pair Bluetooth devices like soundbars, speakers, or headphones.

4. OPERATING INSTRUCTIONS

4.1 Remote Control Functions

The included remote control provides full functionality for navigating the projector's interface, adjusting settings, and accessing apps. Key buttons include power, volume, navigation, home, settings, and dedicated buttons for popular streaming services.

4.2 Navigating the Smart OS & Apps

The GooDee AC201 runs on a smart operating system, providing instant access to a vast library of content. Pre-loaded apps include Netflix, YouTube, Disney+, and Prime Video. You can also download other apps from the integrated app store.

4.3 Connecting External Devices

The projector offers multiple connectivity options:

- **HDMI:** Connect laptops, PCs, gaming consoles (e.g., PS5), or TV sticks.
- **USB:** Play media directly from USB drives.
- **3.5mm Jack:** Connect wired headphones or external speakers.

5. MAINTENANCE

5.1 Dust Filter Cleaning

The projector includes a built-in dust filter to protect internal components. Regularly pull out the filter cover and clean it to maintain optimal cooling efficiency and extend the projector's lifespan.

5.2 Lens Cleaning

Use the provided cleaning kit (or a soft, lint-free cloth) to gently clean the projector lens. Avoid abrasive materials that could scratch the lens surface.

5.3 Cooling System

The advanced cooling system helps dissipate heat and reduce noise. Ensure the projector's vents are not obstructed during operation to prevent overheating.

6. TROUBLESHOOTING

If you encounter any issues with your GooDee AC201 projector, please refer to the following common solutions:

- **No Power:** Ensure the power cord is securely connected to both the projector and the power outlet.
- **Blurry Image:** Use the electric focus feature via the remote control to adjust sharpness. Check for any obstructions on the lens.
- **Distorted Image:** Use the keystone correction feature via the remote control to adjust the image shape.
- **No Sound:** Check the volume settings on the projector and any connected external audio devices. Ensure Bluetooth devices are properly paired.
- **No Wi-Fi Connection:** Verify your Wi-Fi password and ensure the projector is within range of your router.
- **App Issues:** Ensure the projector's software is up to date. Try restarting the app or the projector.

7. SPECIFICATIONS

Feature	Detail
Model Number	AC201

Product Dimensions	6.69 x 5.71 x 2.95 inches
