ACCOHOHO LM109-SERIES

ACCOHOHO Farmhouse Full Size Bed Frame

Model: LM109-SERIES

1. Introduction

Thank you for choosing the ACCOHOHO Farmhouse Full Size Bed Frame. This bed frame is designed to provide both comfort and practical storage solutions for your bedroom. It features a 52-inch tall storage headboard with LED lighting and a charging station, along with four under-bed drawers for maximizing space.

Important Safety Information

- Do not load more than 800 pounds on the bed frame.
- Exercise caution around sharp edges on the headboard during assembly and use.
- Ensure all connections are secure before use.

2. Product Features

- **52" Tall Storage Headboard:** Provides extra storage space and comfort for sitting up in bed.
- **Integrated LED Light Strip:** Features 16 colorful lights and 4 dynamic modes, controllable via remote.
- **Built-In Charging Station:** Includes 2 AC outlets (110V/12A) and 2 USB ports (5V/2A) for convenient device charging.
- **4 Under-Bed Storage Drawers:** Offers additional storage for linens, clothing, and other items.
- **Solid Wood Slats Support:** Ensures stability and support for your mattress without the need for a box spring.
- **Durable Construction:** Made from engineered wood and solid wood slats, supporting up to 800 pounds.

3. Package Contents

Your ACCOHOHO Farmhouse Full Size Bed Frame is delivered in multiple packages. Please ensure all packages are received before beginning assembly. Refer to the included assembly instructions for a complete list of parts and hardware.

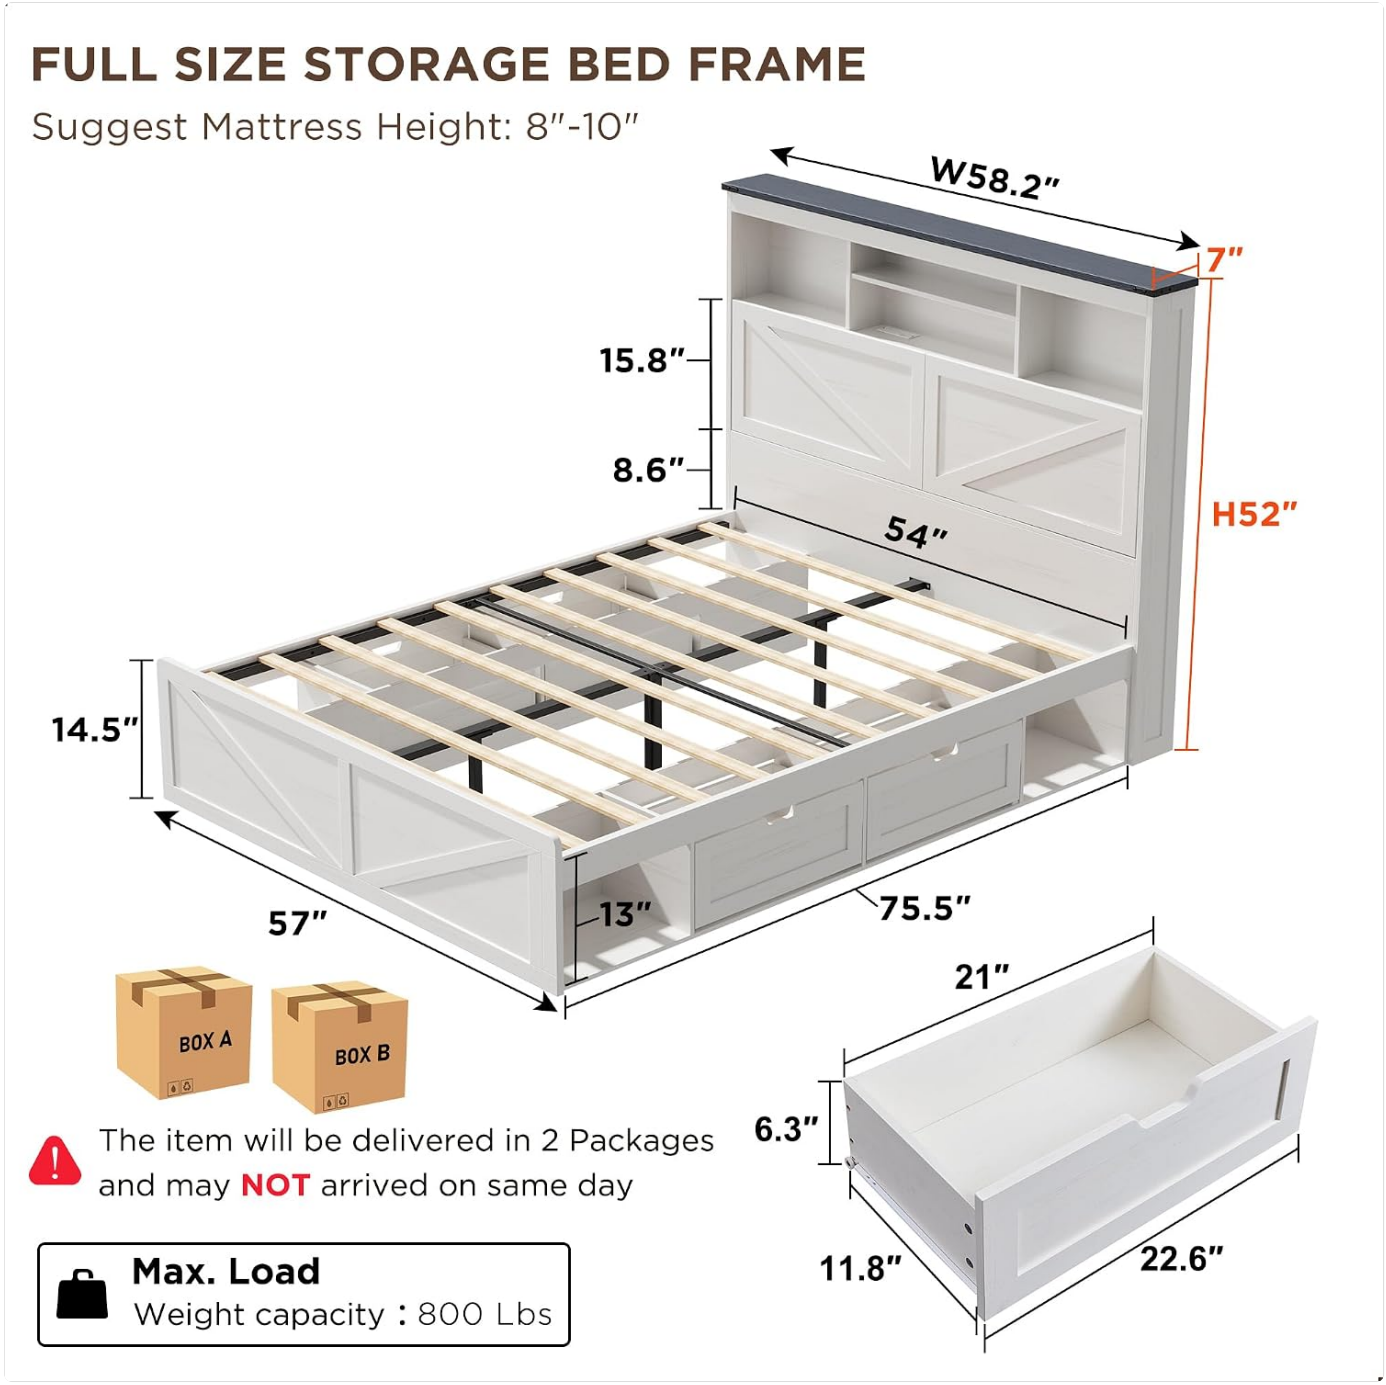

Image: A detailed diagram illustrating the dimensions of the full-size bed frame and indicating that it ships in two boxes.

4. Setup & Assembly

Assembly of the bed frame is required. Detailed instructions are included in your package. Please follow them carefully. It is recommended to have at least two people for assembly. No box spring is needed for this platform bed; simply place your mattress directly on the solid wood slats.

Assembly Tips:

- Clear a spacious area for assembly.
- Organize all parts and hardware before starting.
- Do not overtighten screws until all components are loosely assembled.
- Refer to the provided manual for step-by-step guidance.

5. Operating Instructions

LED Light Operation:

The headboard features an integrated LED light strip. Use the included remote control to adjust the lighting. You can choose from 16 different colors and 4 dynamic modes to create your desired ambiance. Adjust brightness as needed.

Image: A close-up view of the LED light strip integrated into the headboard, showing the remote control for color and mode selection.

Charging Station Usage:

The headboard includes a built-in charging station with two 110V/12A AC outlets and two 5V/2A USB ports. Simply plug in your devices to charge them conveniently while in bed.

Storage Headboard and Drawers:

The 52-inch tall headboard features two hinged barn door-style storage cabinets and open shelves, providing ample space for books, decor, and personal items. The four under-bed drawers (two on each side) offer additional discreet storage for bedding, seasonal clothing, or other belongings. The drawers can be quickly disassembled if needed.

2 Storage Cabinets with Barn Doors

The oversized headboard features two hinged barn door-style storage cabinets, providing extra storage space to keep your belongings organized and protected from damage.

4-Under-Bed Storage Drawers

Designed with 2 drawers on each side, it offers perfect storage space for your bed sheets, accessories,clothes, etc. The 4 drawers allow you to manage your bedroom optimally. In addition, the drawers can be quickly disassembled.

6. Maintenance

To ensure the longevity and appearance of your ACCOHOHO bed frame, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the frame with a dry, soft cloth.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Hardware:** Periodically check and tighten all hardware to maintain stability.
- **Weight Limit:** Adhere to the maximum weight recommendation of 800 pounds to prevent damage.

7. Troubleshooting

If you encounter any issues with your bed frame, please refer to the following common solutions:

- **Squeaking/Noise:** Check all bolts and screws for tightness. Ensure the bed frame is on a level surface.
- **LED Lights Not Working:** Verify the power connection to the LED strip and ensure the remote control has working batteries.
- **Charging Station Not Functioning:** Confirm the bed frame is properly plugged into a wall outlet. Test with different devices and cables.
- **Drawers Sticking:** Ensure drawers are properly aligned on their tracks. Check for any obstructions.

For further assistance, please contact customer support.
