

DICTAC CBF-01

DICTAC Corner Twin Bed Frame with Storage, LED Lights, and Charging Station

Model: CBF-01

PRODUCT OVERVIEW

The DICTAC Corner Twin Bed Frame is designed for space-saving and multi-functional use. It features an L-shaped upholstered guardrail, integrated storage drawers, a charging station, and LED lighting. This bed frame is suitable for various room configurations and provides both comfort and practical utility.

Key Features:

- **L-shaped Upholstered Guardrail:** Semi-enclosed design for corner placement, featuring soft linen fabric.
- **Under-bed Storage Space:** Two wire netting drawers with smooth wheels for organizing clothes, linens, or toys. Includes black drawer liners. Offers 9.06 inches of vertical storage space.
- **RGB LED Bed Frame & Charging Station:** Integrated RGB lights with button and APP control for color, brightness, flashing, and music-sync modes. A hanging charging station provides 2 USB ports and 2 AC outlets.
- **Stable & Durable Metal Frame:** Constructed from sturdy metal with heavy-duty metal slats, supporting up to 450 lbs. No box spring required. Recommended mattress thickness: 6-8 inches.
- **Mattress Slide Stoppers & Corner Protectors:** Includes 2 mattress stoppers to prevent mattress movement and 4 plastic corner protectors for safety.

SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use to prevent injury or damage.

- Do not exceed the weight capacity of **450 lbs**.
- Exercise caution around sharp edges during assembly and when handling the upholstered guardrail.
- Always follow the assembly instructions precisely to ensure stability and prevent instability.
- Keep the under-bed storage drawers closed when not in use to prevent tip-overs.
- Always unplug the charging station and LED lights before making any adjustments or performing maintenance on the bed frame.
- Keep the bed frame and all electrical components away from water and other liquids.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

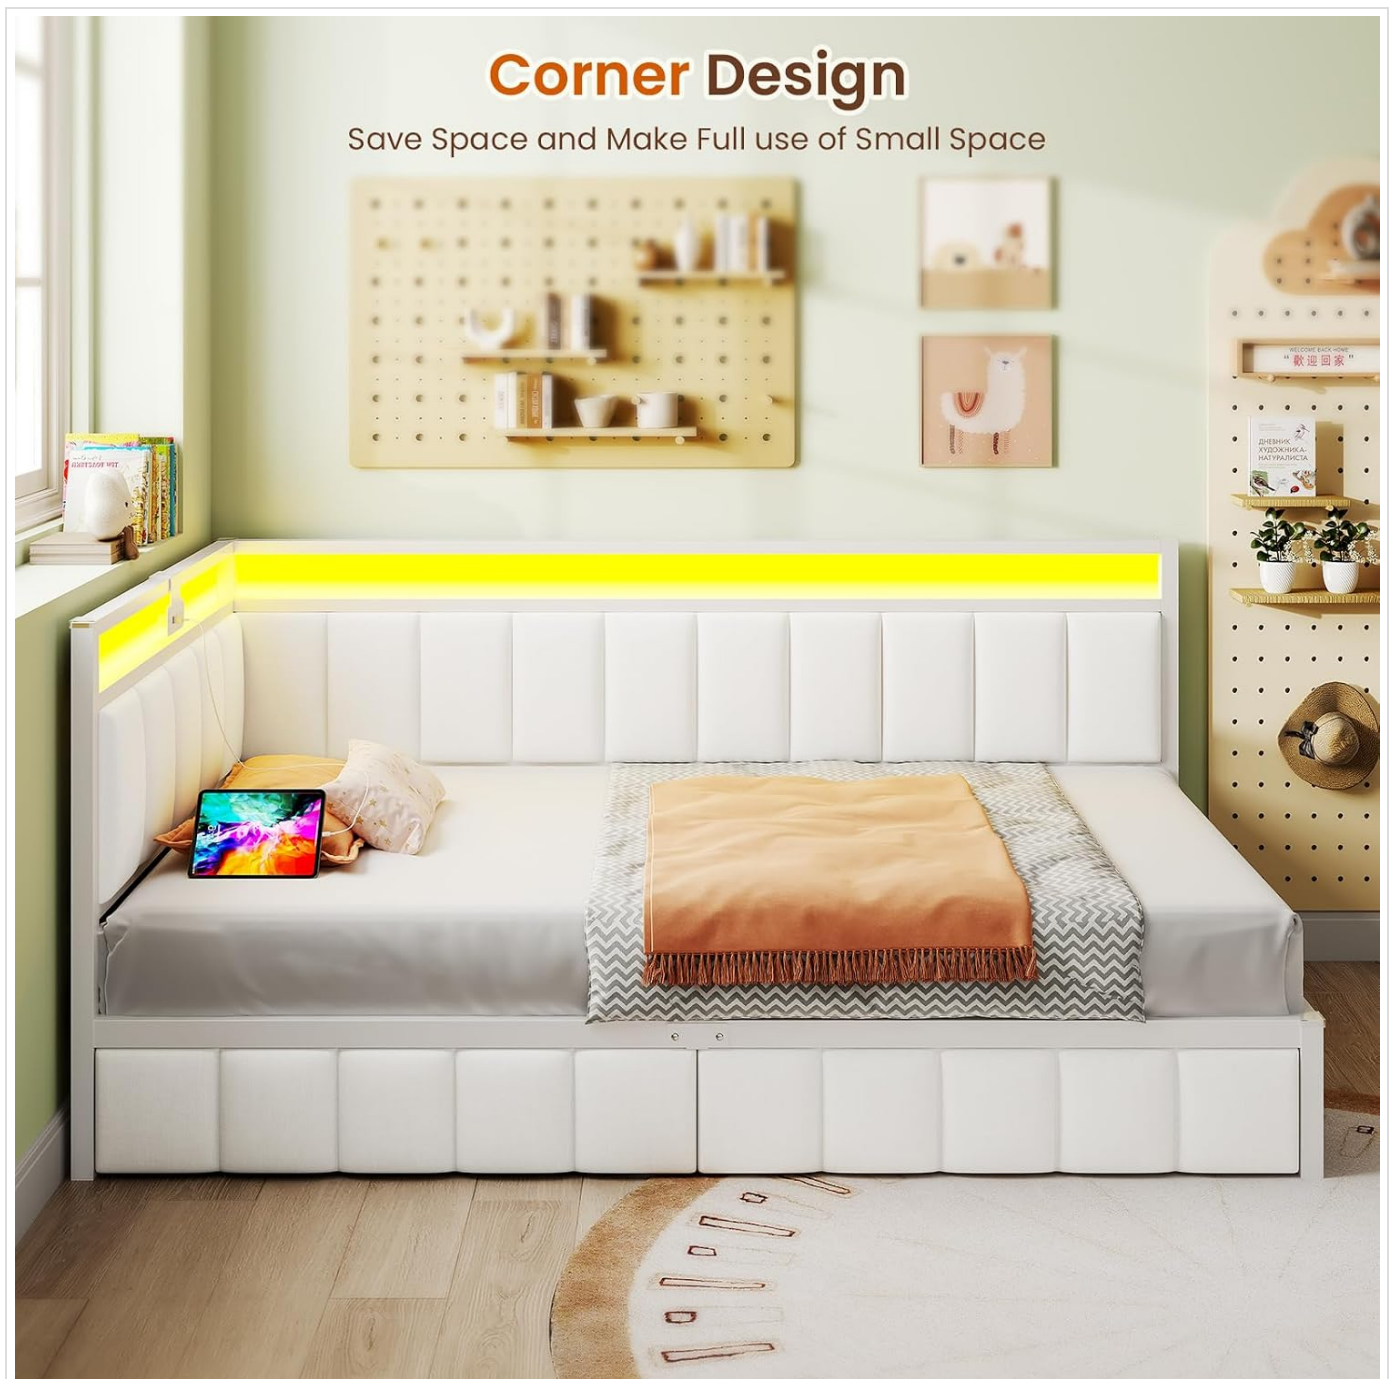

- Corner Bed Frame components

- Upholstered Guardrail sections
- 2 Storage Drawers (wire netting with liners)
- LED Lights strip
- Charging Station (2 USB ports, 2 AC outlets)
- Mattress Slide Stoppers (2 pieces)
- Plastic Corner Protectors (4 pieces)
- Assembly Instructions
- Simple Assembly Tools

ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. Please follow the included detailed instructions step-by-step. It is recommended to assemble the bed frame with two people.

General Steps:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the parts list in your instruction manual to identify each piece.
2. **Assemble the Main Frame:** Connect the main metal frame sections according to the diagrams. Ensure all bolts are securely tightened.
3. **Install Upholstered Guardrails:** Attach the upholstered guardrail sections to the frame. The L-shaped design allows for flexible orientation (left or right corner).
4. **Insert Metal Slats:** Place the heavy-duty metal slats onto the frame. The buckle design simplifies installation and provides strong support.
5. **Assemble Storage Drawers:** Construct the two wire netting drawers. Ensure the smooth wheels are properly attached for easy sliding.
6. **Attach LED Lights and Charging Station:** Secure the LED light strip along the designated area of the frame. Install the hanging charging station in a convenient location on the bed rail.
7. **Add Safety Features:** Install the 2 mattress slide stoppers to prevent mattress movement. Apply the 4 plastic corner protectors to blunt sharp corners.

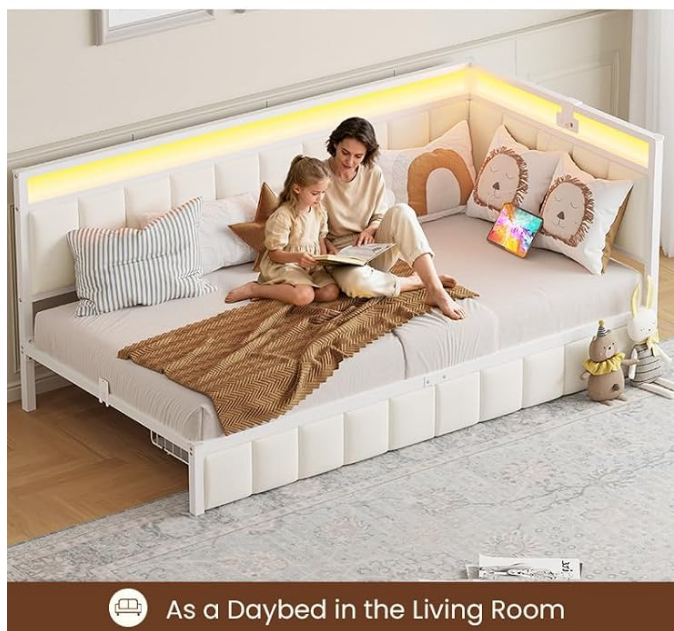

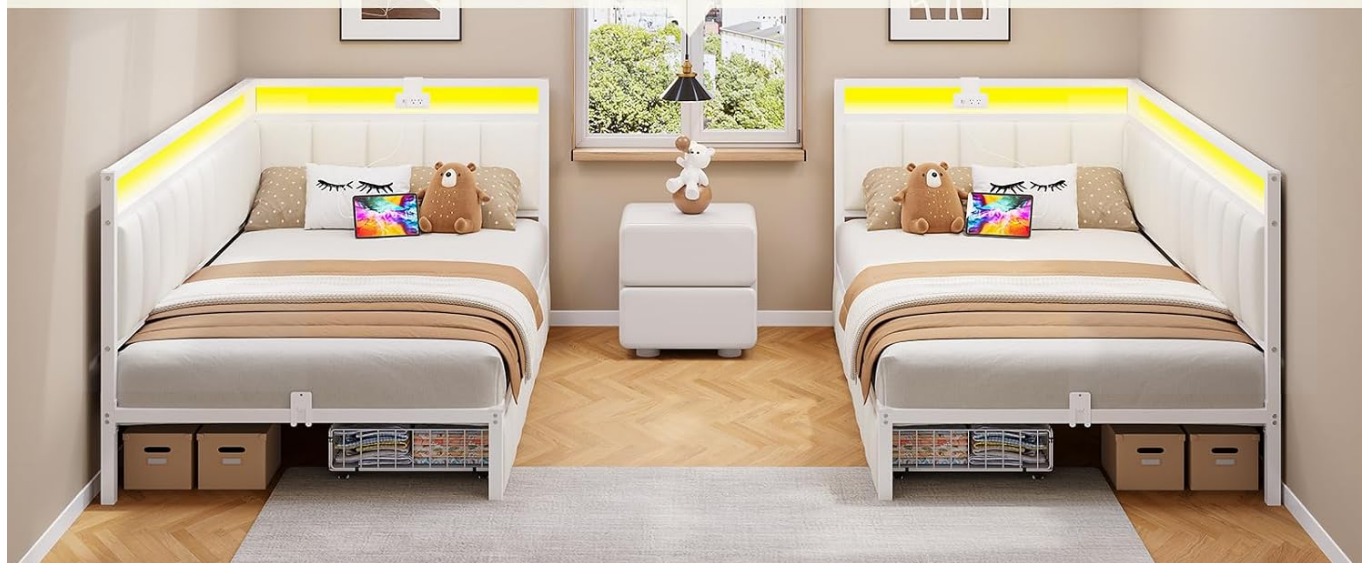

Corner Design

Save Space and Make Full use of Small Space

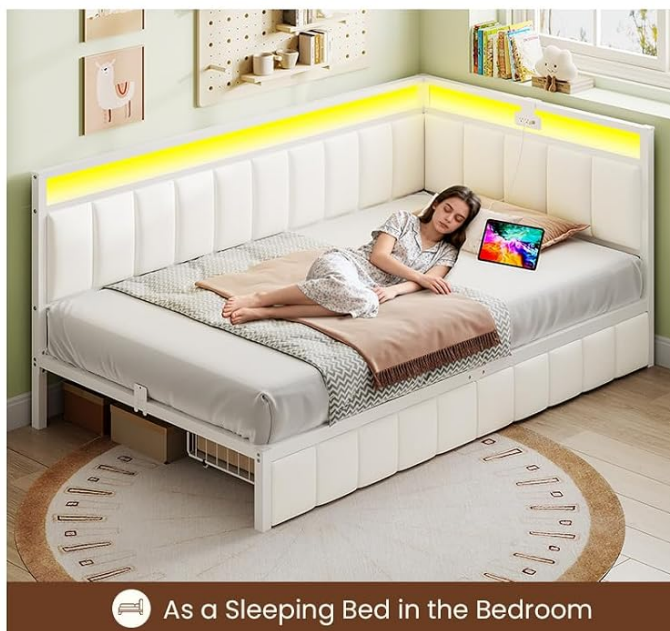

Image: Detailed dimensions of the DICTAC Twin Corner Bed Frame, including the main frame (76.38"L x 40.75"W x 31.5"H) and the storage drawers (37.1"L x 15.4"W x 7.1"H). Also indicates a weight capacity of 450 lbs and a recommended mattress thickness of 6-8 inches.

Two Installation Methods-Left and Right

Choose the installation method according to your room layout

As a Daybed in the Living Room

As a Sleeping Bed in the Bedroom

OPERATING INSTRUCTIONS

LED Lights Operation:

The integrated RGB LED lights offer customizable ambiance for your room.

- **Button Control:** Use the physical button controller located on the bed frame to cycle through various colors and basic modes.
- **APP Control:** For advanced customization, download the dedicated mobile application. The app allows control over brightness, flashing modes, music-sync modes, and a wider range of colors (over 60,000 options).
- **Power On/Off:** The lights can be turned on or off via both the button controller and the mobile app.

2 Sliding Wire Netting Storage Drawers

Provide ample space to store your clothes and bedding

Image: The bed frame illuminated with yellow RGB LED lights, demonstrating the "Warm and Charming Night Atmosphere". Icons indicate control options via key (button) and APP, with features like over 60,000 colors, mic mode, music mode, timing function, brightness adjustable, and custom style.

Charging Station Usage:

The convenient charging station allows you to power your devices directly from the bed frame.

- **Placement:** The charging station is designed to hang anywhere on the bed rail according to your needs.
- **Power Outlets:** Utilize the two 120V/12A AC outlets for standard electronic devices.
- **USB Ports:** Use the two 5V/2A USB ports for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** Ensure the 5.2-foot power cord is securely plugged into a wall outlet.

Storage Drawers:

The two under-bed storage drawers provide additional space for organization.

- **Access:** The drawers feature smooth wheels for easy pulling out and pushing in.

- **Organization:** Use the wire netting design and included black drawer liners to store various items, keeping them dust-free.
- **Anti-slip Baffle:** An anti-slip baffle is integrated to prevent drawers from sliding unintentionally.

MAINTENANCE

Regular maintenance helps prolong the life and appearance of your bed frame.

- **Cleaning the Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners.
- **Cleaning Upholstery:** For the linen upholstered guardrail, spot clean with a mild fabric cleaner and a soft cloth. Test in an inconspicuous area first.
- **Checking Connections:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Drawer Maintenance:** Keep the drawer wheels clean and free of debris for smooth operation.
- **Electrical Components:** Ensure the charging station and LED lights are kept dry and free from dust. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

Refer to this section for solutions to common issues.

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose connections or uneven assembly.	Check and tighten all bolts and screws. Ensure the frame is assembled on a level surface.
LED lights are not working or not sticking.	Loose connection, power issue, or adhesive failure.	Ensure the LED strip is properly plugged into the power source. If the adhesive is failing, re-secure the strip with additional adhesive clips or tape. Verify power outlet functionality.
Charging station is not providing power.	Power cord not plugged in, faulty outlet, or device issue.	Check if the charging station's power cord is securely plugged into a working wall outlet. Test with another device or outlet.
Storage drawers are difficult to slide.	Debris in wheels or uneven floor.	Clean any debris from the drawer wheels. Ensure the bed frame is on a level surface.
Mattress slides on the frame.	Mattress stoppers not installed or improperly positioned.	Ensure both mattress slide stoppers are correctly installed and positioned to hold the mattress firmly in place.
