WIWU MK-005

WIWU iPad Pro 11 inch Keyboard Case MK-005 User Manual

Model: MK-005

INTRODUCTION

This manual provides comprehensive instructions for the WIWU iPad Pro 11 inch Keyboard Case, designed for iPad Pro 11 inch M5/M4 2025/2024 models. This 3-in-1 accessory combines a protective case, a detachable Bluetooth keyboard, and an adjustable stand to enhance your iPad experience. It features silent backlit keys, a precise multi-touch trackpad, and a slim, durable design.

COMPATIBLE MODELS

This keyboard case is specifically designed for the following iPad Pro 11 inch models:

- iPad Pro 11" (M5) 2025: Models A3357, A3358, A3359
- iPad Pro 11" (M4) 2024: Models A2836, A3006

Important: Please verify your iPad's model number before use to ensure compatibility. The model number is typically found on the back of your iPad.

PRODUCT FEATURES

- **Magnetic 3-in-1 Design:** The case features strong magnets for stable attachment, allowing instant transformation into a typing keyboard, an adjustable viewing stand, or a standalone protective case. This design provides full-edge coverage to protect your iPad from drops and scratches.
- **Slim Design & Bluetooth 5.3:** The keyboard boasts an ultra-thin 0.25 inch design. Bluetooth 5.3 ensures instant, lag-free pairing and stable connectivity.
- **Adjustable Stand:** The foldable stand adjusts from 0° to 170°, accommodating various viewing angles for movies, video calls, meetings, and work.
- **Silent Backlit Keys:** Scissor-switch keys offer comfortable, responsive typing with quiet 1mm travel, suitable for quiet environments. It includes 7 RGB colors with 3 levels of brightness for use in dimly lit areas.
- **Long Battery Life:** The keyboard recharges via USB-C in approximately 2 hours, providing up to 100 hours of continuous use.
- **Precise Touchpad & iPadOS Shortcuts:** The smart multi-touch trackpad supports 18 intuitive gestures and palm rejection for browsing, clicking, and app switching. Multimedia shortcuts enhance efficiency for tasks like quick

screenshots and returning to the desktop.

SETUP INSTRUCTIONS

1. Attaching the iPad to the Case

1. Carefully align your iPad Pro 11 inch with the protective back panel of the case.
2. Gently press the iPad into the case until it is securely seated. Ensure all ports and buttons are accessible and aligned with the case cutouts.
3. The magnetic back panel will hold the iPad firmly.

2. Bluetooth Pairing

1. Ensure the keyboard is charged. Locate the power switch on the side of the keyboard and slide it to the 'ON' position. A blue indicator light will illuminate.
2. On your iPad, go to **Settings > Bluetooth** and turn Bluetooth 'ON'.
3. On the keyboard, press and hold the **Fn** key and the **Z** key (which has a Bluetooth icon) simultaneously. The blue indicator light will start flashing, indicating pairing mode.
4. On your iPad, look for 'MK-005' in the list of available devices and tap to connect.
5. Once connected, the blue indicator light on the keyboard will stop flashing and remain solid. The keyboard will automatically connect to your iPad in the future when both are powered on and Bluetooth is enabled.

3. Activating the Touchpad

1. After successfully connecting the keyboard via Bluetooth, press the **Fn** key and the **Spacebar** key (which has a touchpad icon) simultaneously to activate the touchpad function.
2. You can now use the multi-touch touchpad for navigation and gestures on your iPad.

OPERATING INSTRUCTIONS

Keyboard Usage

- **Typing:** The scissor-switch keys provide a comfortable and responsive typing experience.
- **Backlight Control:** Press the **Fn + Light Bulb** key to cycle through 7 RGB backlight colors. Use **Fn + Up/Down Arrow** keys to adjust the 3 levels of brightness.
- **iPadOS Shortcuts:** Utilize the dedicated multimedia shortcuts for quick access to functions like screenshot, home screen, and more.

Touchpad Gestures (for Systems Above iOS 14.5)

The touchpad supports 18 intuitive gestures for enhanced navigation:

- **Click:** Press with one finger until it feels slightly pressed.
- **Click and Hold:** Press and hold with one finger.
- **Drag and Move:** Tap and hold an item, then swipe your finger across the trackpad to move it.
- **Wake up iPad:** Click the touchpad or press any key on the keyboard.
- **Open Dock:** Swipe the pointer with one finger from the bottom of the screen.
- **Back to Home Screen:** Swipe the pointer with one finger from the bottom of the screen. After the dock appears, swipe the pointer from the bottom of the screen again.
- **Show Side Dock:** Swipe the pointer across the right edge of the screen with one finger. To hide the side dock, swipe right again.
- **Open Control Center:** Move the pointer with one finger to select the status icon at the top right, and click, or select the status icon in the upper right and swipe up.
- **Open Notification Center:** Move the pointer with one finger to select the status icon at the top left, and click, or use one finger to move the pointer near the middle of the top of the screen.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to wipe the exterior of the case and keyboard. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** When not in use for extended periods, store the keyboard case in a cool, dry place. It is recommended to fully charge the keyboard before long-term storage.
- **Avoid Liquids:** Keep the keyboard and case away from liquids to prevent damage to electronic components.

TROUBLESHOOTING

Issue	Solution
-------	----------

Issue	Solution
Keyboard not connecting via Bluetooth	<ul style="list-style-type: none"> • Ensure the keyboard is powered on and fully charged. • Make sure Bluetooth is enabled on your iPad. • Re-enter pairing mode on the keyboard (Fn + Z) and re-scan on your iPad. • Forget the device on your iPad's Bluetooth settings and try pairing again. • Restart both your iPad and the keyboard.
Keys or touchpad unresponsive	<ul style="list-style-type: none"> • Check the keyboard's battery level and charge if necessary. • Ensure the touchpad is activated (Fn + Spacebar). • Disconnect and reconnect the Bluetooth connection. • Restart the keyboard and iPad.
Backlight not working	<ul style="list-style-type: none"> • Press Fn + Light Bulb key to turn on/off or change colors. • Press Fn + Up/Down Arrow keys to adjust brightness. • Ensure the keyboard has sufficient battery.
