Kikihouse wooden bunk bed

Kikihouse Full Over Full Bunk Bed with Desk & LED Lights Instruction Manual

Model: wooden bunk bed (Full over Full)

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Kikihouse Full Over Full Bunk Bed. This sturdy wooden bunk bed features a convertible side desk with built-in outlets, LED lighting, and two storage drawers, designed to optimize space and functionality in your room. Please read all instructions carefully before assembly and use to ensure safe and proper operation.

2. SAFETY INFORMATION

Adherence to these safety guidelines is crucial for preventing injury and ensuring the longevity of your bunk bed.

- **Weight Capacity:** The lower bunk has a weight limit of 400 pounds. The upper bunk and ladder also have specific weight limits; do not exceed these limits.
- **Top Bunk Age Restriction:** The top bunk is not suitable for children under 6 years of age.
- **Guardrails:** Always use the guardrails on the upper bunk. Ensure they are properly installed and secured.
- **Ladder Safety:** Use the ladder for entering and exiting the upper bunk. Do not use the bed as a climbing structure. The ergonomic angled ladder is designed for safe access.
- **Mattress Size:** Use only the recommended mattress size for each bunk to prevent gaps that could lead to entrapment. For the Full over Full model, the recommended mattress size is 54" W x 75" L with a thickness of 4-6 inches.
- **Assembly:** Ensure all hardware is securely tightened before use. Periodically check and re-tighten

hardware as needed.

- **Ventilation:** Ensure adequate ventilation around the bed, especially if using the desk area for extended periods.
- **Electrical Outlets:** The built-in outlets are for indoor use only. Do not overload the outlets.
- **LED Lights:** Follow all instructions for the LED lighting system. Do not attempt to modify the wiring.

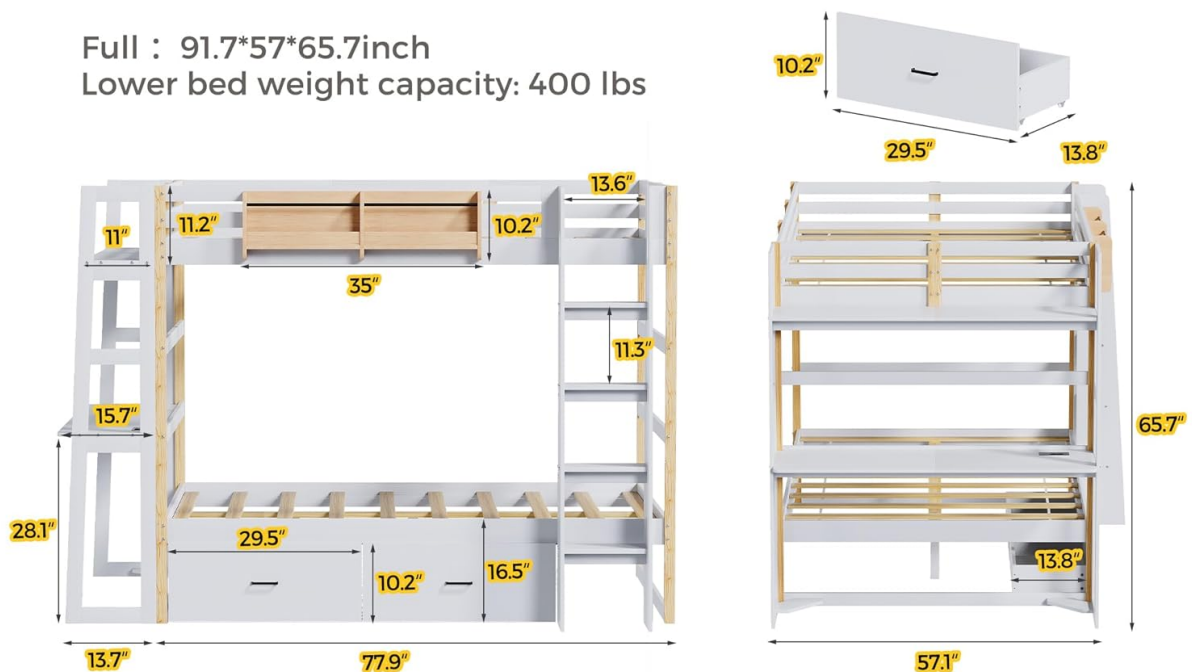

3. PACKAGE CONTENTS

Your Kikihouse Bunk Bed is shipped in multiple boxes. Please verify all components are present before beginning assembly. If any parts are missing or damaged, contact customer service immediately.

- Bed Frame Components (Headboards, Footboards, Side Rails, Slats)

4. ASSEMBLY INSTRUCTIONS

Assembly requires two adults. All necessary hardware and tools are included. Follow the step-by-step diagrams provided in the physical manual. If your manual is missing, please contact Kikihouse customer service for a PDF version.

4.1. General Assembly Tips

- Clear a spacious area for assembly.
- Identify all parts and hardware before starting.
- Do not fully tighten screws until instructed, or until the entire section is assembled.
- The side desk can be installed on either the left or right side of the bed to best suit your room layout.

4.2. Key Assembly Steps

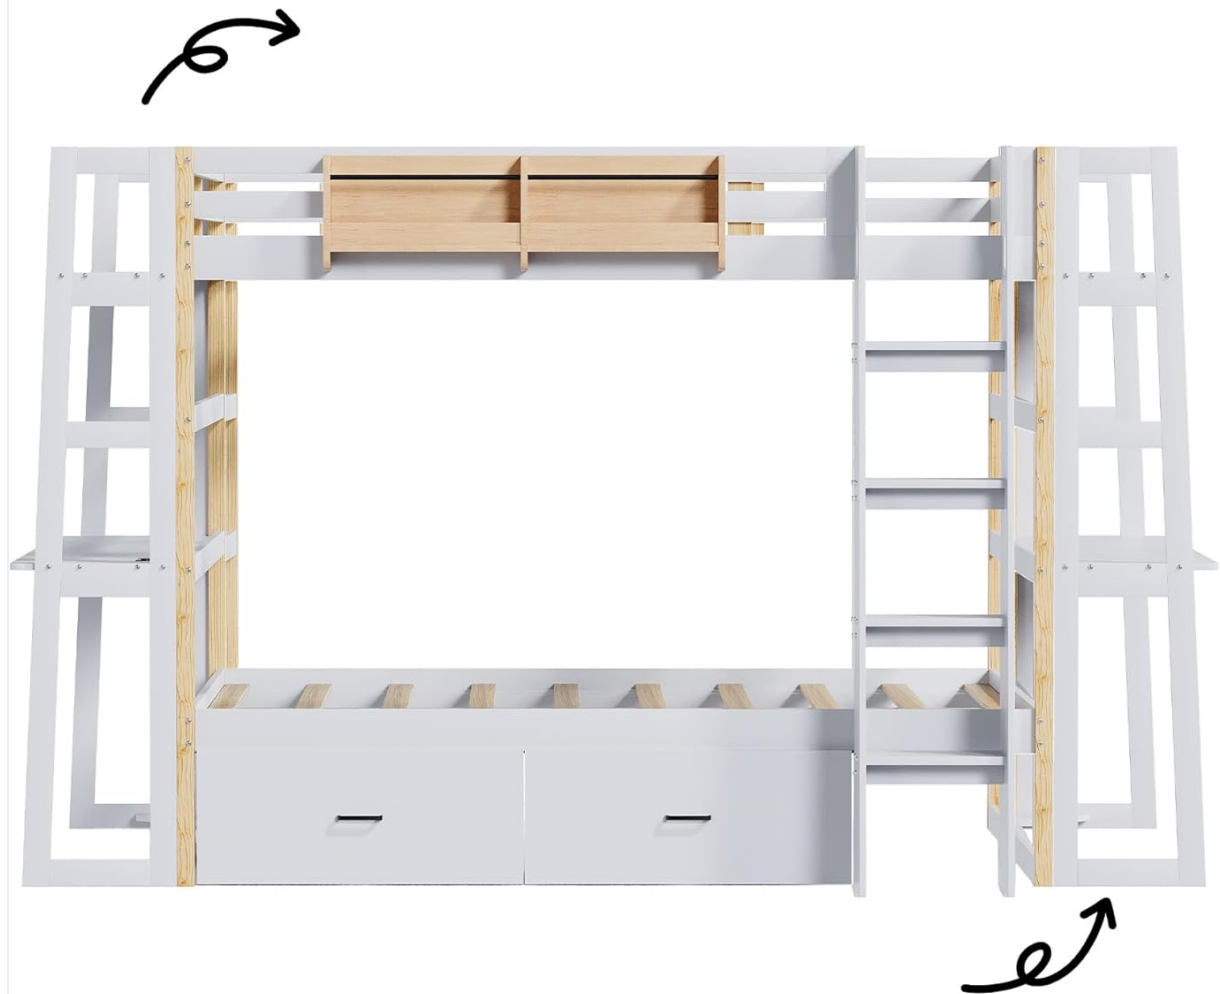

1. Assemble the lower bunk frame, ensuring all slats are securely in place.
2. Construct the upper bunk frame.
3. Attach the ladder to the designated side. The angled design provides ergonomic access.
4. Install the side desk and bookshelf unit. Decide on the preferred side (left or right) before securing.
5. Integrate the built-in power outlet into the desk surface.
6. Install the LED lighting strips under the upper bunk and along the side rack.
7. Assemble the under-bed storage drawers and place them beneath the lower bunk.

Versatile Side Desk

Can be placed on either side to fit any room.

Image 4.2: The versatile side desk can be positioned on either side of the bunk bed to accommodate various room configurations.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The bunk bed features multicolor adjustable LED lighting. Control options include:

- **Mobile App Control:** Download the specified mobile application to access a full range of colors, brightness adjustments, and lighting modes (e.g., custom style, music mode, timing mode).
- **Button Control:** A physical button controller is also provided for basic adjustments.

Image 5.1: The LED lighting system can be controlled via a mobile application or a physical button, offering various color and mode options.

5.2. Built-in Power Outlets

The side desk includes a built-in power outlet unit for convenient charging. It typically features:

- Two (2) AC Outlets (125V/12A)
- One (1) USB Port (5V/2A)
- One (1) Type-C Port (5V/2A)

A 5-foot power cord is provided. Ensure the unit is properly plugged into a wall outlet. Do not exceed the maximum electrical load.

Convenient Charging at Your Fingertips

Image 5.2: The integrated power strip on the desk provides convenient access to AC, USB, and Type-C charging ports.

5.3. Under-Bed Storage Drawers

The two under-bed rolling drawers provide additional storage space. They are designed with smooth-gliding wheels for easy access. Use them to store clothes, toys, or other essentials, helping to keep the room organized.

Casters

Easy to slide,
no buzzing sound

Hidden Drawers

Protect privacy and facilitate
dust prevention

Image 5.3: The under-bed drawers feature casters for smooth operation and offer ample hidden storage.

5.4. Side Desk and Bookshelf

The integrated side desk offers a dedicated workspace for studying or other activities. The upper bookshelf provides storage for books, magazines, or decorative items. The desk's convertible design allows it to be placed on either side of the bed.

Image 5.4: The side desk provides a functional workspace, complemented by an upper bookshelf for storage.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and structural integrity of your bunk bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the wood finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and fasteners. Re-tighten any loose hardware to maintain stability and safety.
- **Wood Care:** Protect the wood from direct sunlight and extreme temperature changes to prevent warping or cracking.
- **LED Lights:** If LED lights malfunction, check connections. Do not attempt to repair electrical components unless qualified.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Bed Wobbles:** Ensure all assembly hardware is fully tightened. Check that the bed is on a level surface.
- **Drawers Stick:** Verify that the drawer wheels are clean and free of debris. Ensure the drawers are properly aligned within their tracks.
- **LED Lights Not Working:** Check the power connection to the LED strip and the controller. Ensure the mobile app is correctly paired if using app control.
- **Outlets Not Providing Power:** Confirm the power cord is securely plugged into both the bed unit and a functioning wall outlet. Check if the wall outlet is active.
- **Missing Parts:** If any parts were missing upon delivery, refer to the contact information in the Warranty and Support section.
