BTHFST VD33

BTHFST Fluted Vanity Desk with LED Mirror and Charging Station (Model: VD33) - Instruction Manual

1. Product Overview

The BTHFST Fluted Vanity Desk (Model VD33) is designed to enhance your daily routine with its functional features and elegant design. This vanity desk includes a large LED mirror with adjustable lighting, a built-in charging station, and multiple storage options, including drawers and a glass cabinet. Its oak finish and fluted panel design add a modern touch to any space.

2. Safety Information

Please read and understand all safety instructions before assembly and use to prevent injury or damage.

- Always unplug the power strip before cleaning or making any adjustments to the vanity desk.
- Exercise caution when handling the mirror to avoid injury from sharp edges.
- Do not place heavy objects on the mirror or apply excessive force to prevent it from breaking.
- Ensure all screws and fasteners are securely tightened during assembly to maintain stability.

3. Setup and Assembly

Your BTHFST Fluted Vanity Desk comes with detailed assembly instructions. Each component and accessory is labeled with corresponding numbers to facilitate the assembly process. Please follow the provided instructions carefully.

3.1 Unpacking and Inspection

- Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Verify that all parts listed in the instruction manual are present and undamaged. Contact seller support immediately if any components are missing or damaged.

3.2 Assembly Steps

Refer to the included assembly manual for step-by-step instructions. Typically, assembly involves:

1. Attaching the main desk frame.
2. Installing the drawers and their slides.
3. Mounting the LED mirror and connecting its power.
4. Assembling the side storage cabinet and installing the adjustable shelf.
5. Connecting the built-in power strip.

4. Operating Instructions

4.1 LED Mirror Operation

The vanity desk features a large HD mirror with a built-in LED strip, offering three light colors and adjustable brightness.

- **Changing Light Color:** Tap the touch screen switch located on the mirror surface to cycle through the three available light colors: warm light, natural light, and cool light.
- **Adjusting Brightness:** Press and hold the touch switch to adjust the brightness level. Release when the desired brightness is achieved.

4.2 Charging Station Usage

The vanity desk is equipped with a vertical built-in power strip for convenient charging and powering of your devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for devices such as hair dryers or curling irons.

- **USB Ports:** Two 5V/2.1A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.

4.3 Storage Features

The vanity desk offers generous storage capacity to keep your cosmetics, accessories, and tools organized.

- **7 Drawers:** Seven spacious drawers with metal slides provide organized storage for various items.
- **Glass Cabinet:** A dustproof glass cabinet with an adjustable shelf allows for convenient storage and display of frequently used cosmetics. Push to open mechanism.

5. Maintenance

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning the Surface:** Wipe the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Cleaning the Mirror:** Use a glass cleaner and a microfiber cloth to clean the mirror surface. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Electrical Components:** Ensure the power strip is unplugged before cleaning. Wipe with a dry cloth only.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.

6. Troubleshooting

If you encounter any issues with your vanity desk, refer to the following common solutions:

- **LED Mirror Lights Not Working:**
  - Check if the vanity desk is properly plugged into a working power outlet.
  - Ensure the power strip switch (if any) is turned on.
  - Gently tap the touch switch on the mirror to activate the lights.
- **Charging Station Not Functioning:**
  - Verify the main power cord for the vanity desk is securely plugged in.
  - Test the outlets/USB ports with a different device to confirm the issue is with the vanity or the device.
  - Ensure the device's charging cable is not faulty.
- **Drawers Sticking or Not Closing Smoothly:**
  - Check for any obstructions inside the drawer or along the slides.
  - Ensure the drawer slides are properly aligned and not bent.
  - Verify that the drawer is not overloaded.

If these steps do not resolve the issue, please contact seller support for further assistance.

7. Specifications

Feature	Detail
Model Number	VD33
Product Dimensions	15.8"D x 47.4"W x 53.7"H
