OTTOCAST Cabin Care

OTTOCAST Cabin Care Baby Car Camera & Wireless CarPlay Adapter User Manual

Model: Cabin Care | Brand: OTTOCAST

1. PRODUCT OVERVIEW

The OTTOCAST Cabin Care system provides a comprehensive solution for monitoring your baby or pets in the rear seat of your vehicle, integrating seamlessly with your car's display via a wireless CarPlay adapter. This system enhances safety by allowing real-time monitoring without diverting your attention from the road.

Key features include 1080P Ultra-HD video, infrared night vision for clear viewing in low light, and a 150° wide-angle lens with a 360° swivel mount for optimal coverage. The plug-and-play adapter converts wired CarPlay to wireless, enabling simultaneous use of navigation, music, and calls while keeping an eye on the rear cabin.

2. WHAT'S IN THE BOX

Upon unboxing your OTTOCAST Cabin Care system, you will find the following components:

- OTTOCAST Cabin Care Camera (Owl-shaped)
- Wireless CarPlay Adapter (USB dongle)
- USB-C to USB-A Power Cable
- USB-A to USB-C Adapter
- Headrest Strap Mount
- Headrest Post Clamp Mount
- User Manual

3. SETUP AND INSTALLATION

The OTTOCAST Cabin Care system is designed for quick and easy installation, typically taking less than 5 minutes. Follow these steps to set up your device:

1. **Mount the Camera:** Choose between the headrest strap mount or the headrest post clamp mount.
 - **Strap Mount:** Insert the strap through the mounting panel on the camera, then attach it securely around the headrest.
 - **Clamp Mount:** Attach the camera to the clamp, then secure the clamp onto the headrest posts. Adjust the camera angle as needed.
2. **Power the Camera:** Connect the camera's power cable to a car power outlet (USB port) or a portable charger.
3. **Connect the Wireless CarPlay Adapter:** Plug the wireless CarPlay adapter (USB dongle) into your vehicle's USB port that supports wired CarPlay.
4. **Pair with CarPlay:** Your iPhone should automatically connect to the wireless CarPlay adapter. The camera feed will then become accessible on your car's screen.

4. OPERATING INSTRUCTIONS

Once installed, the OTTOCAST Cabin Care system provides a seamless monitoring experience:

1. **Accessing the Camera Feed:** After connecting the wireless CarPlay adapter, the camera feed will

appear as an application icon on your car's CarPlay screen. Tap the icon to view the real-time feed.

2. **Split-Screen Functionality:** The system supports split-screen mode, allowing you to view the camera feed alongside other CarPlay applications like navigation or music. This feature ensures you can monitor your rear seat without interrupting your driving essentials.
3. **Picture-in-Picture Mode:** For minimal distraction, utilize the picture-in-picture mode to display a smaller camera window while other applications take precedence on the main screen.
4. **Night Vision:** The camera automatically switches to infrared night vision in low-light conditions, providing a clear, glare-free view of the rear seat.
5. **Adjusting View:** The camera's 150° wide-angle lens and 360° swivel mount allow for flexible adjustment to capture the desired view of your child or pet.

5. FEATURES

- **1080P Ultra-HD Video:** Capture every detail with full HD 1080p resolution for clear real-time monitoring.
- **Infrared Night Vision:** Equipped with 940nm invisible light for clear, glare-free viewing in complete

darkness, with an auto-switching light sensor.

- **150° Wide Angle & 360° Swivel Mount:** Provides extensive coverage of the entire back seat, easily adjustable for optimal viewing of rear-facing car seats or multiple occupants.
- **Wireless CarPlay Upgrade:** Includes a plug-and-play adapter to convert wired CarPlay to wireless, enabling voice-controlled navigation, music, and calls alongside the camera feed (iPhone compatible only).
- **Cute Design & Easy Installation:** Features a friendly, cartoon-inspired design and requires no tools for installation, ready in under 5 minutes.
- **Durable & Reliable:** Constructed with premium heat-resistant materials and stable signal transmission for consistent performance.

Recommended Uses	Baby Monitoring, Pet Monitoring
Brand	OTTOCAST
Model Name	Cabin Care
Connectivity Technology	Bluetooth, USB, Wi-Fi
Special Features	150° horizontal view, CarPlay, HD Resolution, Infant rear seat monitor, Night Vision

7. TROUBLESHOOTING

If you encounter issues with your OTTOCAST Cabin Care system, please refer to the following common solutions:

- **No Camera Feed:** Ensure the camera is properly powered and the wireless CarPlay adapter is securely plugged into a CarPlay-enabled USB port. Verify your iPhone is connected to the adapter via Bluetooth.
- **Intermittent Connection:** Check for loose cable connections. Ensure there are no obstructions blocking the wireless signal between the camera and the adapter.
- **CarPlay Not Connecting:** Confirm your vehicle supports wired CarPlay and that your iPhone is running iOS 10 or later. Try restarting your iPhone and the car's infotainment system.
- **Poor Image Quality:** Ensure the camera lens is clean and free from smudges or debris. Adjust the camera's position and angle for optimal viewing.
- **Night Vision Issues:** Verify the built-in light sensor is not obstructed. The night vision activates automatically in low-light conditions.

For further assistance, consult the user manual included in the packaging or contact OTTOCAST customer support.

8. MAINTENANCE

To ensure the longevity and optimal performance of your OTTOCAST Cabin Care system, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the camera lens and body with a soft, dry cloth to remove dust and smudges. Avoid using harsh chemicals or abrasive materials.
- **Cable Management:** Ensure all cables are neatly routed and secured to prevent damage from pinching or snagging.
- **Storage:** When not in use for extended periods, store the camera and adapter in a cool, dry place away from direct sunlight and extreme temperatures.
- **Software Updates:** Check the OTTOCAST website or app (if applicable) for any available firmware updates for the wireless CarPlay adapter to ensure compatibility and performance improvements.

9. WARRANTY AND SUPPORT

The OTTOCAST Cabin Care system comes with a manufacturer's warranty. Please refer to the warranty card included in your product packaging for specific terms and conditions, including coverage duration and claim procedures.

For technical support, product inquiries, or warranty claims, please contact OTTOCAST customer service through their official website or the contact information provided in your user manual. Keep your purchase receipt and product serial number handy when contacting support.
