## Maintenance

---

To maintain the longevity and appearance of your Casaottima standing desk, regularly wipe the surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. Ensure all connections are secure and check for any loose screws periodically. The desk's engineered wood top is designed for durability, but proper care will help preserve its polished finish.

## Troubleshooting Guide

---

### Desk Not Adjusting:

- Check all power connections to ensure they are securely plugged into the desk and a working power outlet.
- Verify that no cables or objects are obstructing the desk's movement.
- If the issue persists, refer to the detailed troubleshooting section in the full manual or contact Casaottima customer support.

## Uneven Desk Surface:

- Ensure the desk is placed on a level surface.
- Check the stability of the desk legs and adjust the leveling feet if necessary.
- If the issue is due to a manufacturing defect, contact customer support.
