6. CARE AND MAINTENANCE

- **Cleaning:** For daily cleaning, simply wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining, especially on the faux marble top which is designed to resist spills but benefits from prompt cleaning.
- **Protection:** Use coasters and placemats to protect the tabletop from heat, moisture, and scratches.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability.

7. TROUBLESHOOTING

If you encounter any issues with your coffee table, refer to the following common solutions:

- **Wobbly Table:** Ensure all leg and frame connections are securely tightened. If the floor is uneven, consider using furniture pads under the legs to stabilize the table.
- **Drawer Sticking:** Check that the drawer slides are properly aligned and free of obstructions. Ensure the drawer is not overloaded.
- **Scratches on Surface:** Minor scratches on the faux marble top can sometimes be minimized with furniture polish designed for glossy surfaces. For deeper scratches, contact customer support for advice.
