IRONCK 5-Piece Extendable Dining Table with 4 Upholstered Chairs

Model: HK-KDRS-01B

USER MANUAL

Introduction

Thank you for choosing the IRONCK 5-Piece Extendable Dining Table with 4 Upholstered Chairs. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new dining set. Please read these instructions carefully before assembly and retain them for future reference.

Safety Information

Important Safety Precautions:

- Always assemble according to the provided instructions.
- Keep the table extended with caution to prevent tip-over.
- Be aware of sharp edges on the metal chair frames, especially when handling around children.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not stand on the table or chairs.
- Avoid placing excessively hot items directly on the tabletop without protection.

Package Contents

Your IRONCK dining set includes the following components:

- 1 x Extendable Dining Table
- 4 x Upholstered Dining Chairs
- Assembly Hardware Kit
- Assembly Instructions

Partial Shipment

The two packages may not arrive at the same time. Once all packages have arrived, please assemble them yourself according to the instructions.

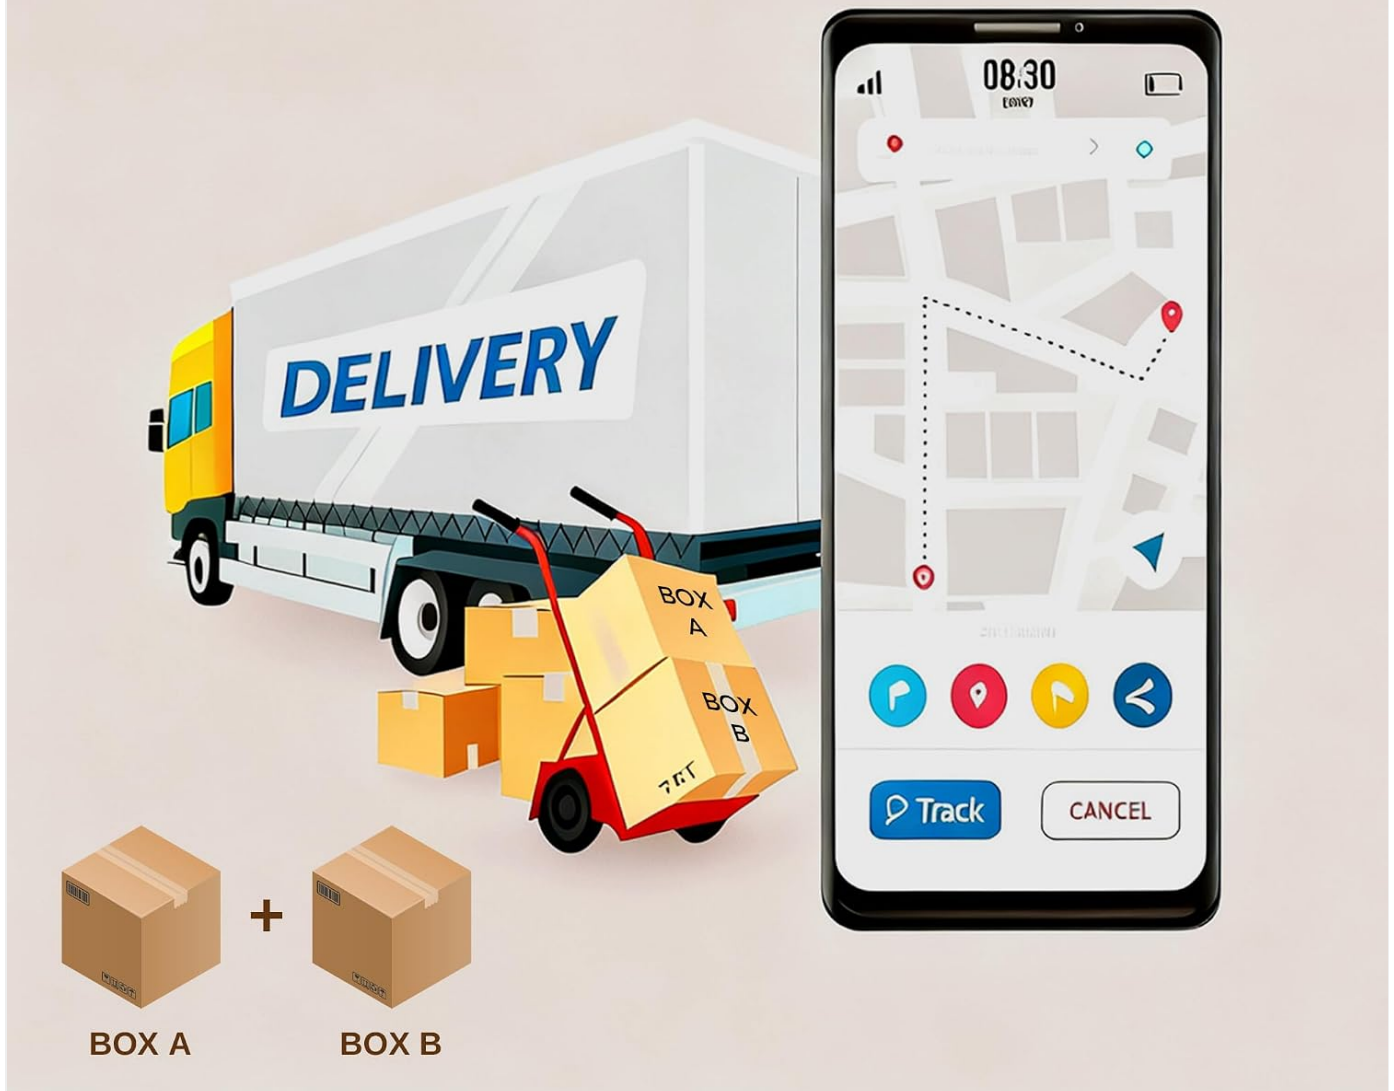

Figure 1: Partial Shipment Information. The dining set may arrive in multiple packages (e.g., Box A and Box B) which might not be delivered simultaneously. Please ensure all packages have arrived before beginning assembly.

Setup and Assembly

Assembly of the IRONCK dining set is required. It is recommended that two people assemble the set for ease and safety. Please follow the detailed assembly instructions provided in the hardware kit. Typical assembly time is approximately 1.5 hours.

General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Assemble the dining table frame and attach the tabletop.
3. Assemble each chair by attaching the seat, backrest, and legs.
4. Ensure all connections are secure and stable.

Operating Instructions: Extendable Table Feature

The IRONCK dining table features a unique drop-leaf design, allowing it to extend from 47.25 inches to 63 inches in length, accommodating 4 to 8 people.

To Extend the Table:

1. Locate the drop leaf section on one side of the table.
2. Gently pull the underlying metal frame outwards. The drop leaf will lift and slide into place, extending the table surface.
3. Ensure the leaf is fully supported and locked into position before use.

To Retract the Table:

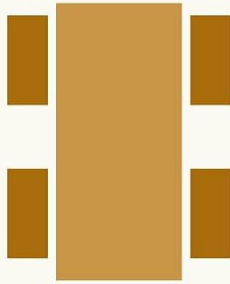

1. Carefully disengage the locking mechanism (if any) for the drop leaf.

2. Push the metal frame inwards, allowing the drop leaf to fold down and retract beneath the main tabletop.
3. Ensure the leaf is fully folded and secured for compact storage.

Maintenance

Proper care and maintenance will ensure the longevity and appearance of your dining set.

- **Tabletop Care:** The MDF wood tabletop is designed to resist scratches. For daily cleaning, wipe with a soft, damp cloth. For surface stains, use a mild, non-abrasive cleaner and dry immediately. Always use coasters for drinks and hot pads for hot dishes to prevent heat marks and warping.
- **Chair Care:** The leather-padded seats can be cleaned with a damp cloth and mild soap. Avoid harsh chemicals. For the metal frames, wipe with a soft, dry cloth.
- **General:** Periodically check all screws and bolts and re-tighten them to maintain stability. Avoid exposing the furniture to direct sunlight or extreme temperature changes.
- **Floor Protection:** If placing chairs close to walls, consider adding protective pads to the back of the chair frames to prevent scuffing.

Troubleshooting

If you encounter any issues with your dining set, please refer to the following common solutions:

- **Wobbly Table/Chairs:** Ensure all assembly screws and bolts are fully tightened. Uneven floors can also cause wobbling; consider using furniture pads or shims.
- **Difficulty Extending/Retracting Table:** Check for any obstructions in the sliding mechanism. Ensure the drop leaf is aligned correctly. Apply a small amount of silicone lubricant to the slides if movement is stiff.
- **Scratches on Floor/Walls:** Apply felt pads to the bottom of table and chair legs to protect floors. For chair backs, consider protective covers or pads if they frequently contact walls.
- **Missing Parts:** If any parts are missing from your package, please contact customer support immediately with your purchase details.
