ONBRILL 48-Inch Buffet Cabinet with Storage Instruction Manual

Model: BSB-102-BD-120

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your ONBRILL 48-Inch Buffet Cabinet with Storage. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The ONBRILL buffet cabinet features an elegant classic design with a thickened support structure and panels for enhanced sturdiness. Its front trim incorporates a knife-shaped design, and clear side frame layering allows it to integrate seamlessly into various home styles.

This versatile sideboard offers ample storage for various needs, including tableware and other household items. The adjustable shelves provide flexibility to accommodate items of different heights. It can function as a coffee bar cabinet, kitchen buffet cabinet, or entryway cabinet, enhancing the overall style and utility of your home.

Crafted from high-quality manufactured wood and equipped with smooth-gliding rails, this cabinet is designed for reliable stability and durability. Five thickened legs provide robust support for the unit.

2. SETUP AND ASSEMBLY

Each component of your ONBRILL buffet cabinet is packaged and marked with a unique code. Please refer to the included installation instructions for a step-by-step guide to assembly. Ensure all parts are present before you begin.

Product Size

Figure 2.1: Product dimensions and maximum weight capacity for the ONBRILL 48-inch buffet cabinet. Counter space supports up to 275 lbs, fixed shelf 66 lbs, adjustable shelf 44 lbs, and drawers 22 lbs.

For visual guidance during assembly, please refer to the official installation video provided by ONBRILL WORLD:

Video 2.1: ONBRILL Sideboard Cabinet - Installation Video. This video provides a step-by-step visual guide to assembling your cabinet.

It is recommended to assemble the cabinet on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are tightened securely, but do not overtighten.

3. OPERATING INSTRUCTIONS

Your ONBRILL buffet cabinet is designed for versatile storage and display. Here's how to utilize its features:

3.1. Using the Drawers

The two top drawers are equipped with smooth-gliding rails for easy opening and closing. They are ideal for storing smaller items such as cutlery, napkins, or other accessories. Avoid overloading the drawers to ensure smooth operation and longevity of the rails.

Figure 3.1: Top drawers open, demonstrating storage for cutlery and small items.

3.2. Utilizing the Cabinet Doors and Adjustable Shelves

The three cabinet doors open to reveal spacious storage compartments. Each compartment includes adjustable shelves, allowing you to customize the storage space according to your needs. To adjust a shelf, carefully remove it from its current position and reinsert it into the desired peg holes. Ensure the shelf is level and securely seated before placing items on it.

Large Storage Space

4. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your ONBRILL buffet cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage to the engineered wood.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads. Keep the cabinet away from excessive moisture or direct sunlight to prevent warping or fading.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Moving:** When moving the cabinet, always lift it rather than dragging it to prevent damage to the legs and structure.

5. TROUBLESHOOTING

If you encounter any issues with your ONBRILL buffet cabinet, please refer to the following common troubleshooting tips:

- **Wobbly Cabinet:** Ensure all assembly screws are securely tightened. Check that the cabinet is placed on a level surface. If necessary, use furniture levelers under the legs.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer slides. Ensure the drawer rails are properly aligned and free of debris.
- **Doors Not Closing Properly:** Verify that the hinges are correctly installed and tightened. Adjust the hinges if necessary to align the doors. Ensure the cabinet is not overloaded or unevenly weighted.
- **Missing Parts:** If you find any parts missing during assembly, please contact customer support immediately with your product model number and a description of the missing part.

6. SPECIFICATIONS

Feature	Detail
Brand	ONBRILL
Model Number	BSB-102-BD-120
Color	Brown
Material	Engineered Wood
