DUMOS MCJ-SDP01-TOT-WD

DUMOS Twin Over Full House Bunk Bed Instruction Manual

Model: MCJ-SDP01-TOT-WD

1. Introduction

Thank you for choosing the DUMOS Twin Over Full House Bunk Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new bunk bed. Please read all instructions carefully before assembly and retain this manual for future reference.

Important Safety Information

- Always follow the assembly instructions precisely to ensure the bed frame is stable and secure.
- Ensure all hardware is tightened securely before use and periodically check for loose connections.
- The upper bunk is equipped with high guardrails to prevent falls. Do not remove or modify these guardrails.
- Instruct children on the safe use of the climbing net and ramp. Adult supervision is required when children are using these features.
- Never allow children to play or climb on the bed frame without adult supervision.
- Only use mattresses of the specified size and thickness to ensure proper guardrail height.

2. Product Overview

The DUMOS Twin Over Full House Bunk Bed is designed to provide a fun and functional sleeping solution for children. It features a unique house-shaped frame, a twin-sized upper bunk, and a full-sized lower bunk, complete with a climbing net and a climbing ramp.

Key Features:

- **Fun & Developmental Design:** Includes a climbing net and ramp to encourage physical activity and coordination.
- **Maximizes Vertical Space:** Efficient two-level design ideal for smaller rooms or shared spaces.
- **Enhanced Safety Features:** High guardrails on the upper bunk, wear-resistant climbing net, and wider, angled steps on the ladder for secure climbing.
- **Breathable & Natural Construction:** Crafted from high-quality solid wood with an open design for air circulation.

- **Encourages Independence:** Fosters responsibility as children learn to navigate their space.

3. Assembly Instructions

Assembly of the DUMOS Bunk Bed is required. A detailed, step-by-step assembly manual is included with your product packaging. Please follow these instructions carefully to ensure correct and safe construction.

Before You Begin:

- Unpack all components and verify against the parts list provided in the separate assembly manual.
- Ensure you have all necessary tools as specified in the assembly manual.
- Assemble the bed in the room where it will be used, or in a space large enough to accommodate its full dimensions.
- Work on a soft, clean surface to prevent scratching the wood components.

If any parts are missing or damaged, please contact DUMOS customer support immediately before proceeding with assembly.

4. Safe Usage Instructions

To ensure the safety and longevity of your DUMOS Bunk Bed, please adhere to the following usage guidelines:

- **Upper Bunk Safety:** The upper bunk is intended for children aged 6 years and older. Always use the provided guardrails.
- **Climbing Net and Ramp:** These features are designed for supervised play. Ensure children use them one at a time and maintain a secure grip.
- **Weight Limits:** Adhere to the maximum weight limits for each bunk as specified in the assembly manual. Overloading can compromise structural integrity.
- **No Horseplay:** Prohibit jumping on the bed or engaging in rough play on or around the bunk bed.
- **Clearance:** Ensure adequate clearance around the bed, especially near the climbing net and ramp, to prevent injuries.

Image 4.2: Close-up view of the fully-enclosed guardrails and the built-in step ladder, emphasizing safety features.

5. Maintenance

Proper maintenance will help preserve the appearance and structural integrity of your DUMOS Bunk Bed.

- **Cleaning:** Wipe the wood surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to dry out or warp. Maintain a stable room temperature and humidity.

6. Troubleshooting

If you encounter any issues with your DUMOS Bunk Bed, please refer to the following common solutions:

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unboxing, do not proceed with assembly. Contact DUMOS customer support immediately for assistance.
- **Instability/Wobbling:** Ensure all bolts and screws are fully tightened. Re-check the assembly steps to confirm all components are correctly installed.
- **Squeaking Noises:** Squeaking can often be resolved by tightening all hardware. If the issue persists, disassemble and reassemble the affected section, ensuring all joints are flush.

For further assistance, please contact DUMOS customer support.

7. Specifications

Feature	Detail
Model Number	MCJ-SDP01-TOT-WD-A, MCJ-SDP01-TOT-WD-B
Size	Twin Over Full (82.2"L x 67.2"W x 82.6"H)

Feature	Detail
Product Dimensions	82.2"L x 67.2"W x 82.6"H
