1. SETUP

1.1 What's in the Box

Verify that all components are present in the package:

- Bettdow Smartwatch FB041
- Watch Strap
- Charging Cable
- User Guide

Chamada Bluetooth

Image: Contents of the Bettdow Smartwatch package.

1.2 Initial Charging

Before first use, fully charge your smartwatch. Connect the charging cable to the watch's charging port and a USB power source. A full charge typically takes approximately 1.5 hours.

Bateria de longa duração, viagem sem preocupações

1,5 horas

Totalmente carregado

7+ dias

Uso normal

60 dias

Tempo de espera

Não há necessidade de carregar com frequência e é seguro para uso em viagens ou viagens de negócios.

1.3 Pairing with Your Smartphone

To unlock all features, pair your smartwatch with the "Fitbeing" application on your smartphone.

1. Enable Bluetooth on your smartphone.
2. Scan the QR code provided in the manual or search for "Fitbeing" in your phone's app store (Google Play Store for Android, Apple App Store for iOS).
3. Download and install the "Fitbeing" application.
4. Open the app and follow the on-screen instructions to search for your watch (FB041).
5. Click to agree to the pairing request on your phone.
6. Allow message notifications when prompted.
7. Confirm that your FB041 is connected in the app.
8. Once connected, you can make and receive calls via Bluetooth.

2. OPERATING YOUR SMARTWATCH

2.1 Basic Navigation

The smartwatch features a 1.85-inch TFT-LCD touchscreen with 240*280 resolution for clear visuals and smooth interaction. Swipe across the screen to navigate menus and tap to select options. Use the physical buttons for quick access to functions or to return to the home screen.

2.2 Alexa Voice Assistant

Your smartwatch includes an integrated Alexa voice assistant. Once connected to your smartphone, you can use voice commands for various tasks:

- Check weather forecasts.
- Set timers and alarms.
- Create reminders.

Simply activate Alexa on your watch and speak your command.

Assistente de voz Alexa, liberte suas mãos

Defina facilmente alarmes, temporizadores e lembretes de eventos com apenas uma fala.

Alexa, defina um cronômetro para 40 minutos

2.3 Bluetooth Calling and Notifications

After successful Bluetooth pairing, your smartwatch allows you to make and receive calls directly from your wrist. It features a built-in microphone and high-performance speaker for clear call quality. You can also view your call history. Receive real-time message notifications from various applications such as SMS, Facebook, WhatsApp, Instagram, TikTok, Twitter, and Snapchat. **Note: It is not possible to reply to messages directly from the smartwatch.**

2.4 Sport Modes and GPS Tracking

The smartwatch offers over 100 sport modes, including running, cycling, badminton, and fitness. You can set exercise goals and record data without needing your phone. The integrated GPS provides precise positioning, recording your outdoor walking and running routes, distance, speed, and other metrics.

The "Fitbeing" app's KRIKI AI module analyzes your sleep and sport data, providing insights and improvement suggestions. It also offers Bluetooth connectivity with Strava.

Mais de 100 modos esportivos

Você pode definir metas de exercícios e registrar dados de exercícios sem depender de um celular, o que o ajudará a se exercitar com eficiência.

Strava

O grande módulo Kriki Ai integrado ao aplicativo analisa seus dados de sono ou esporte e fornece conselhos para melhorias.

Image: Smartwatch tracking sport activities and displaying metrics.

Posicionamento GPS preciso

O chip GPS integrado registra com precisão a distância, a velocidade e a rota durante caminhadas, passeios de bicicleta ou acampamentos.

2.5 Customizable Watch Faces

Choose from over 200 watch faces or create your own personalized design using your favorite photos. This allows you to customize the watch's appearance to match your style or mood.

Personalize o mostrador do seu relógio

Mais de 150 mostradores de relógio criativos para você escolher, deixando seu relógio mais estiloso e personalizado.

3. MAINTENANCE

3.1 Water Resistance

The Bett Dow Smartwatch has a 3ATM water resistance rating, meaning it can withstand pressures equivalent to a depth of 30 meters. This allows for swimming in the sea or pool. However, it is not suitable for diving or high-pressure water activities.

- Avoid exposing the watch to hot water, steam, or strong detergents.
- Do not press buttons underwater.
- Ensure the watch is dry before charging.

Image: Smartwatch being used during swimming, highlighting its water resistance.

3.2 Cleaning and Care

To maintain your smartwatch, regularly clean the screen and strap with a soft, dry cloth. If necessary, use a slightly damp cloth for the strap, then dry thoroughly. Avoid using abrasive cleaners or solvents.

3.3 Battery Care

The smartwatch is designed for long battery life, offering up to 48 hours of continuous use, 7 days of daily use, and over 30 days in standby mode on a single charge. To prolong battery lifespan:

- Avoid extreme temperatures.
- Do not leave the battery fully discharged for extended periods.
- Charge the device using the provided cable.

4. TROUBLESHOOTING

If you encounter issues with your Bettdow Smartwatch, refer to the following common solutions:

- **Device not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with phone:**
 - Ensure Bluetooth is enabled on your phone and the watch is within range.
 - Restart both your phone and the smartwatch.
 - Clear the Bluetooth cache on your phone and try pairing again.
 - Ensure the "Fitbeing" app has all necessary permissions.
- **Inaccurate activity tracking:**
 - Ensure the watch is worn snugly on your wrist.
 - Calibrate GPS if outdoor tracking is inconsistent.
- **Notifications not received:**
 - Check app permissions for notifications on your phone.
 - Ensure the "Fitbeing" app is running in the background.
 - Verify that notifications are enabled in the smartwatch settings.
- **Alexa not responding:**
 - Ensure the watch is connected to your phone and has an active internet connection.
 - Check Alexa settings within the "Fitbeing" app.

If problems persist, contact customer support for further assistance.
